(57) **CLAIM**

The ornamental design for a cord holder for window blind, as shown and described.

See application file for complete search history.

DESCRIPTION

(56) **References Cited**

FIG. 1 is a top view of a cord holder for window blind, showing my new design.

FIG. 2 is a front view thereof, illustrating an ornamental motif.

FIG. 3 is a side view of my new design, a cord holder for window blind, illustrating, via hidden lines, an aperture through the spindle portion of my new design, for receiving a cord from a window blind.

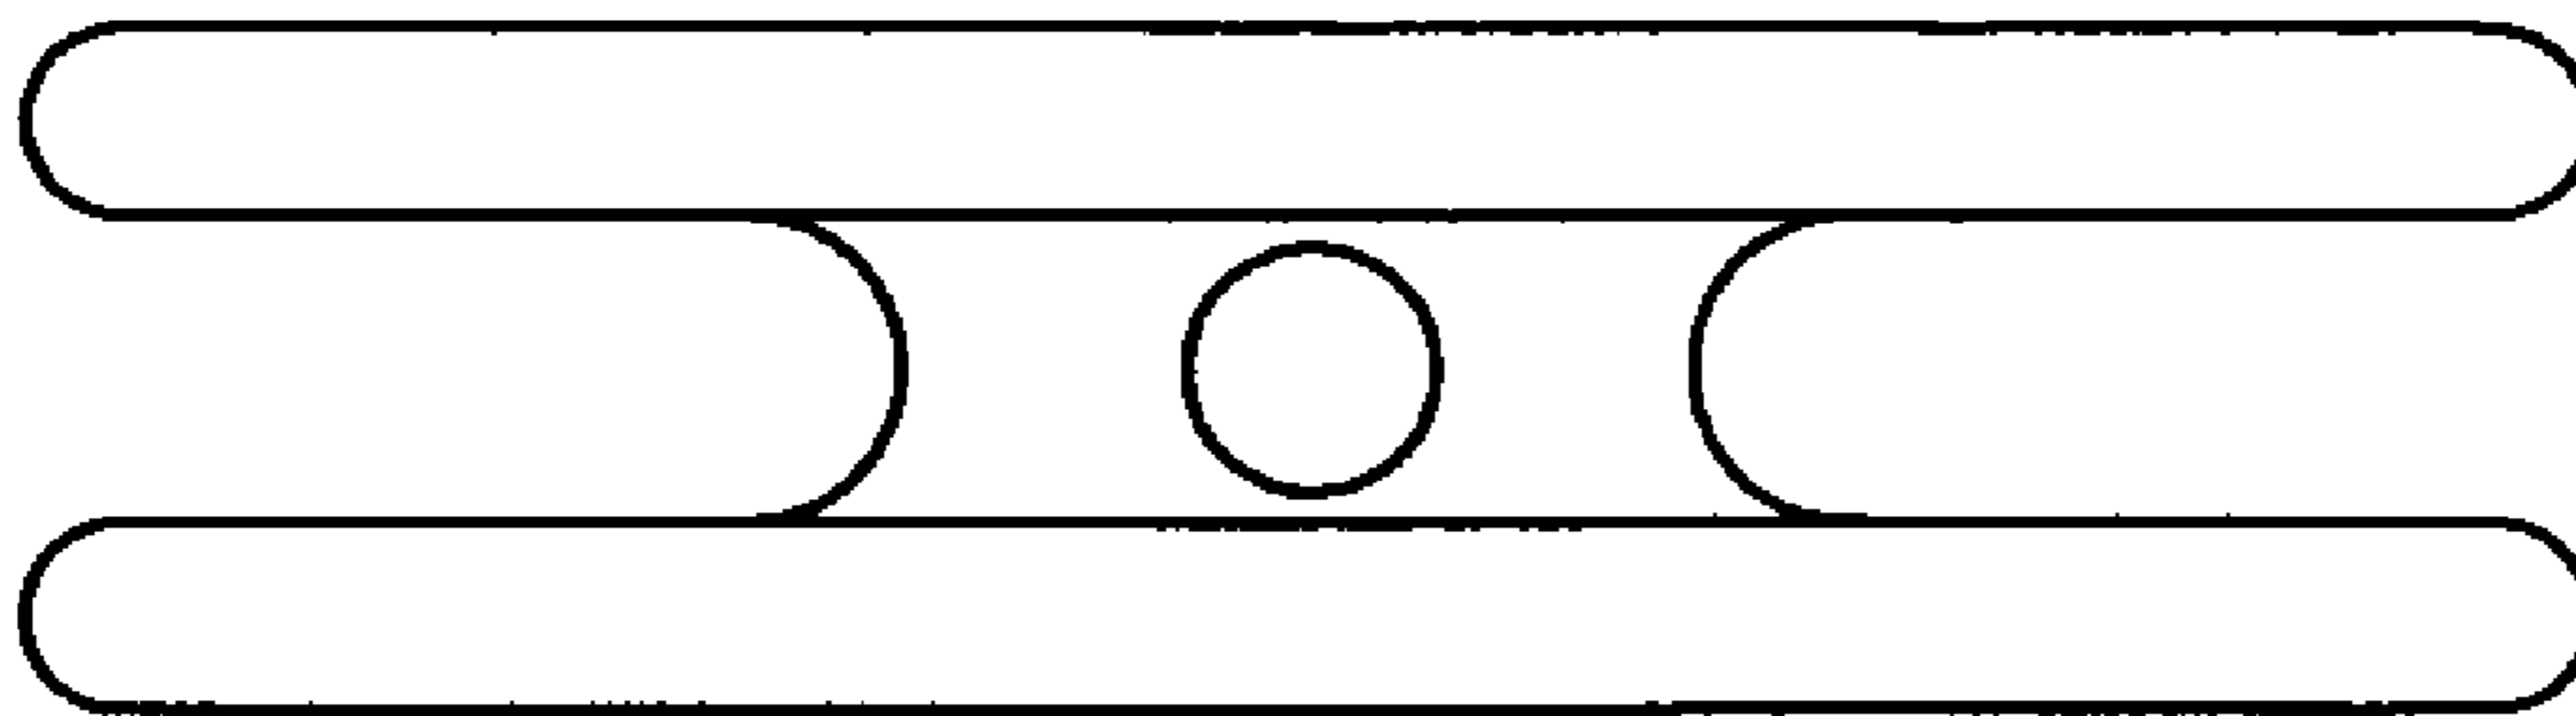

FIG. 4 is a perspective view my new design, further illustrating an ornamental motif; and,

FIG. 5 is a perspective view my new design, further illustrating the aperture for receiving a window blind cord.
