(57) **CLAIM**

I claim the ornamental design for a projectile for launching a
rope from a firearm, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a projectile for launching a rope from
a firearm according to the subject matter disclosed herein;
FIG. 2 is a side view of a projectile for launching a rope from
a firearm according to the subject matter disclosed herein;
FIG. 3 is a right-end view of a projectile for launching a rope
from a firearm according to the subject matter disclosed
herein;

FIG. 4 is a left-end view of a projectile for launching a rope
from a firearm according to the subject matter disclosed
herein;

FIG. 5 is top view of a projectile for launching a rope from a
firearm according to the subject matter disclosed herein with
a depiction of a rope attached to the device; and,

FIG. 6 is side view of a projectile for launching a rope from a
firearm according to the subject matter disclosed herein with
a depiction of a rope attached to the device.

The ornamental design, which is claimed, is shown in solid
lines in the drawings.

Shapes shown in broken lines are for illustrative purposes
only and form no part of the claimed design.
