(57) **CLAIM**

The ornamental design for the snow blower light, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view embodying the design of a snow blower light of the present invention; FIG. 2 is a front view of the snow blower light; FIG. 3 is a side view of the snow blower light; and, FIG. 4 is a top view of the snow blower light. The broken line showing of the snow blower is included for the purpose of illustrating only and forms no part of the claimed design.
