(57) **CLAIM**

We claim the ornamental design for a top panel for a casket, as shown and described.

**DESCRIPTION**

FIG. 1 is an isometric view of the top panel of the present invention shown on a casket illustrated in dashed lines to illustrate the environment for use of the panel.

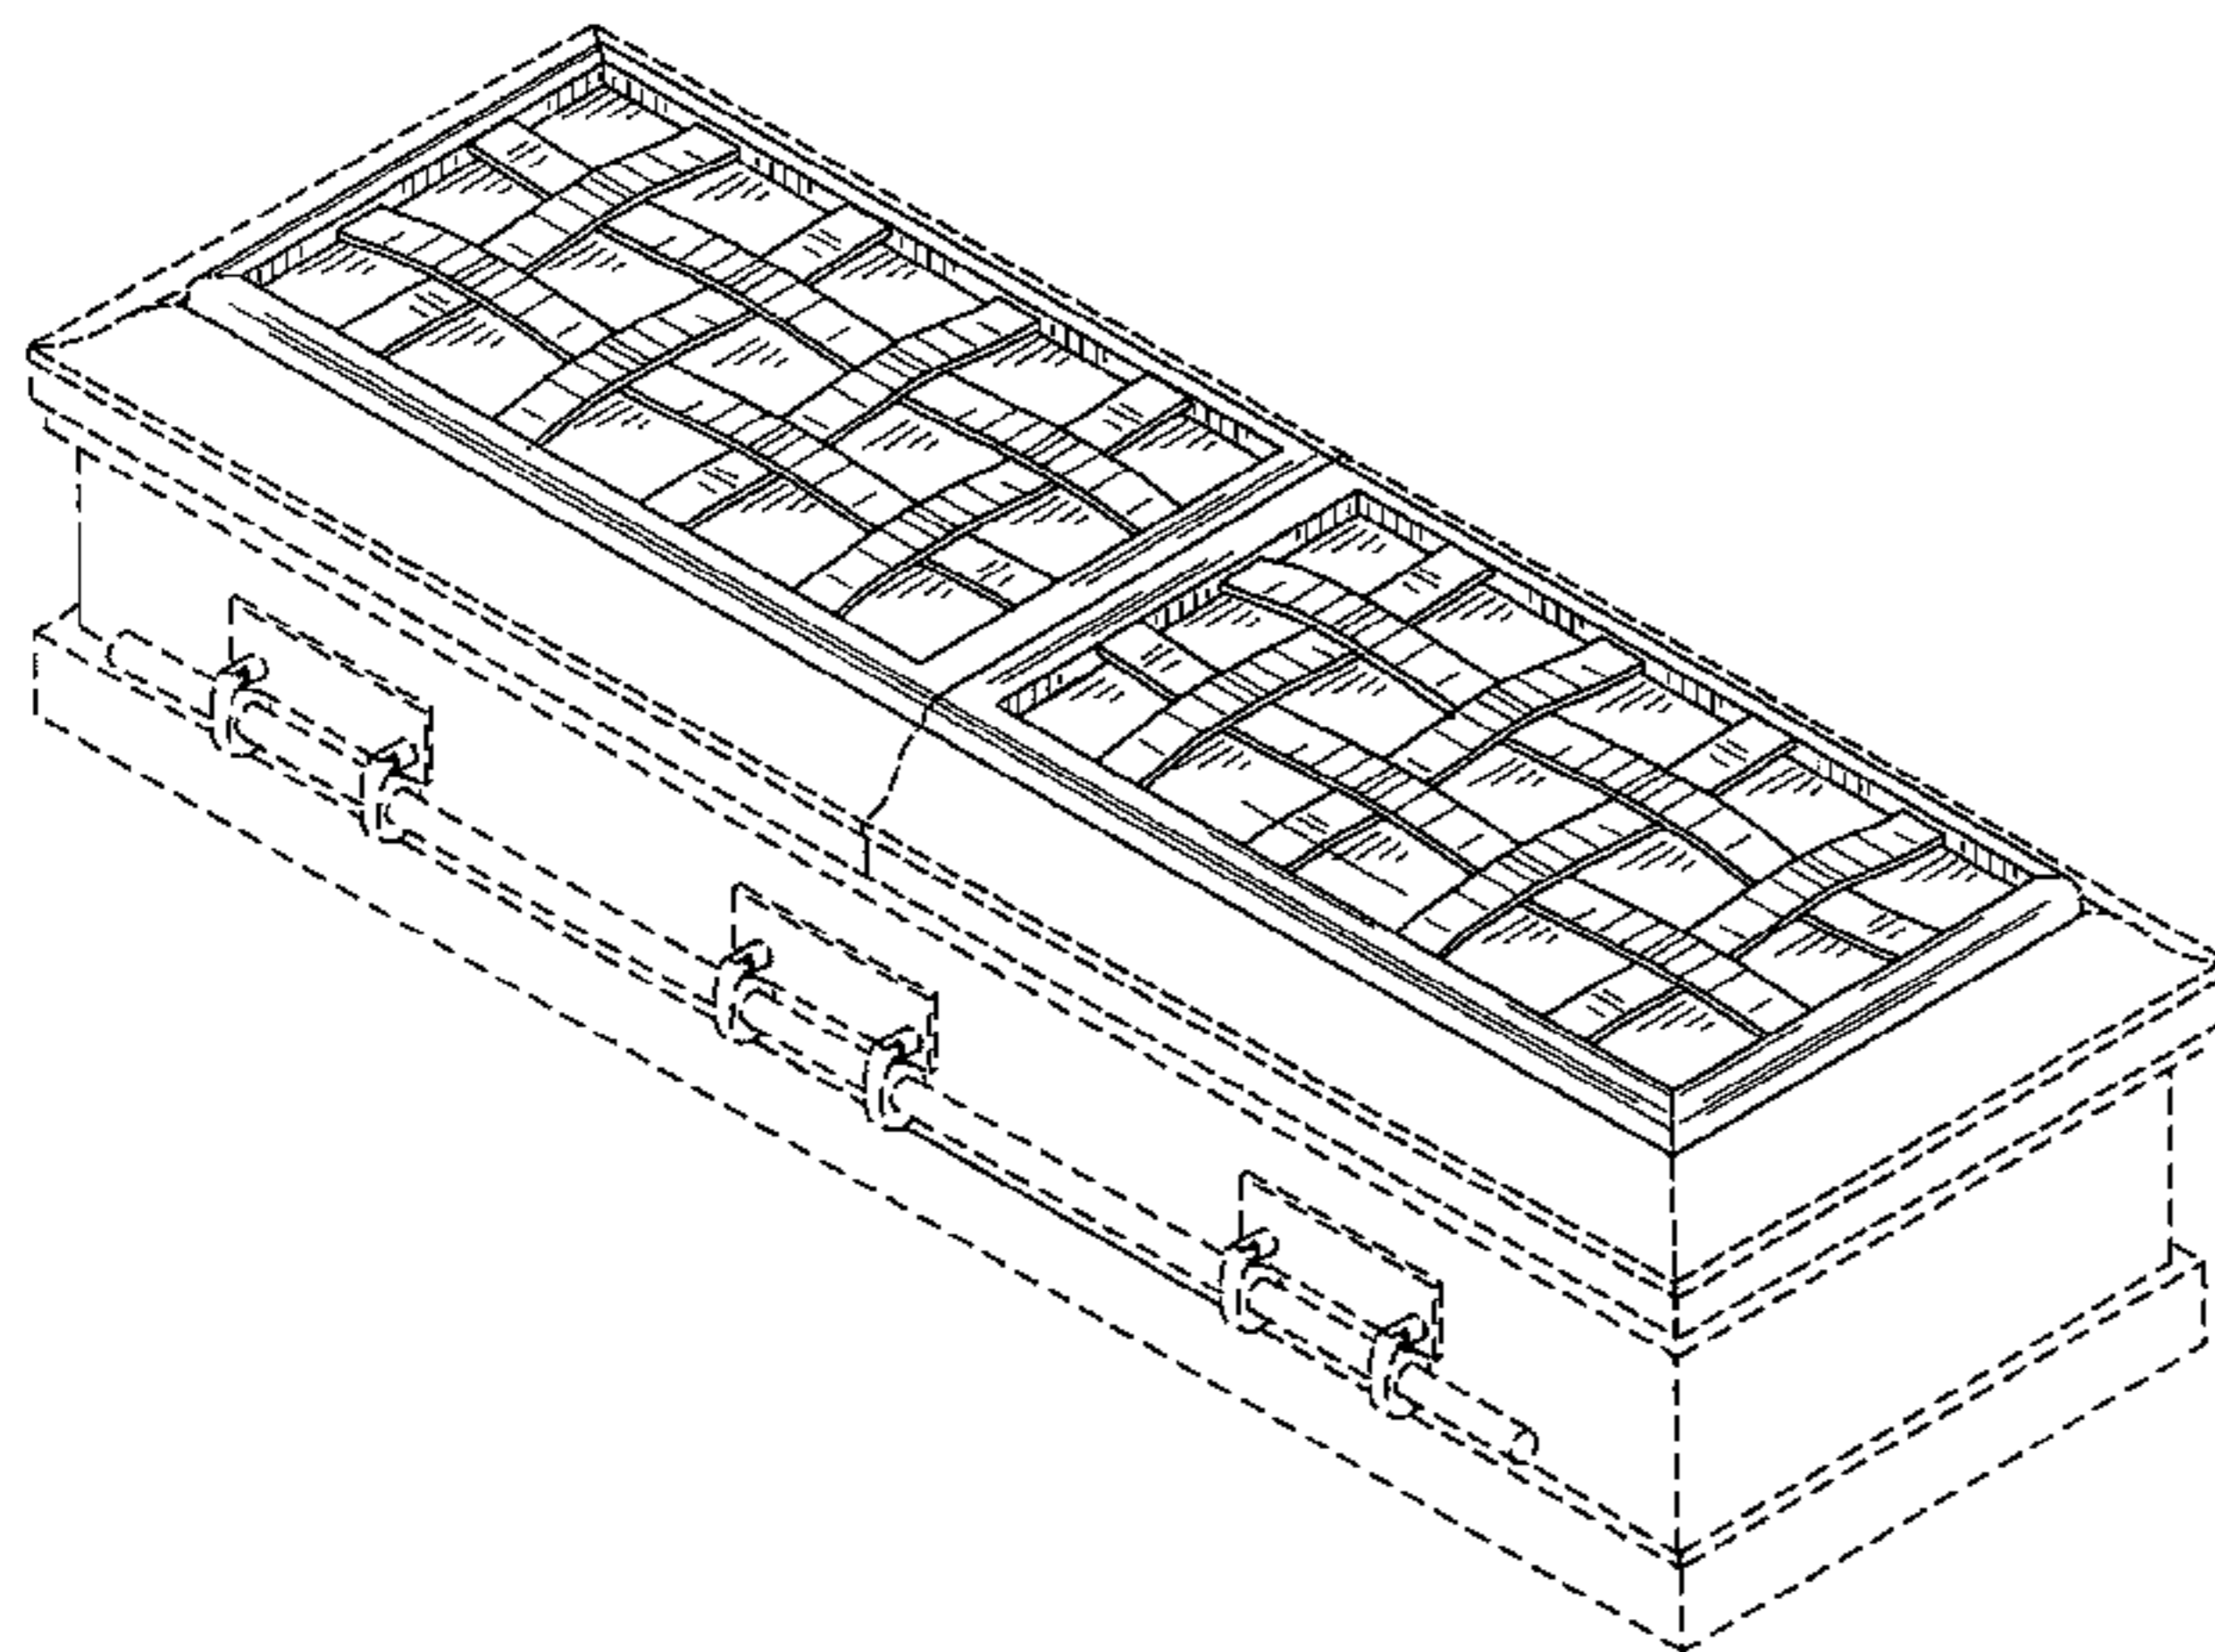

FIG. 2 is a top plan view of the panel of the present invention.

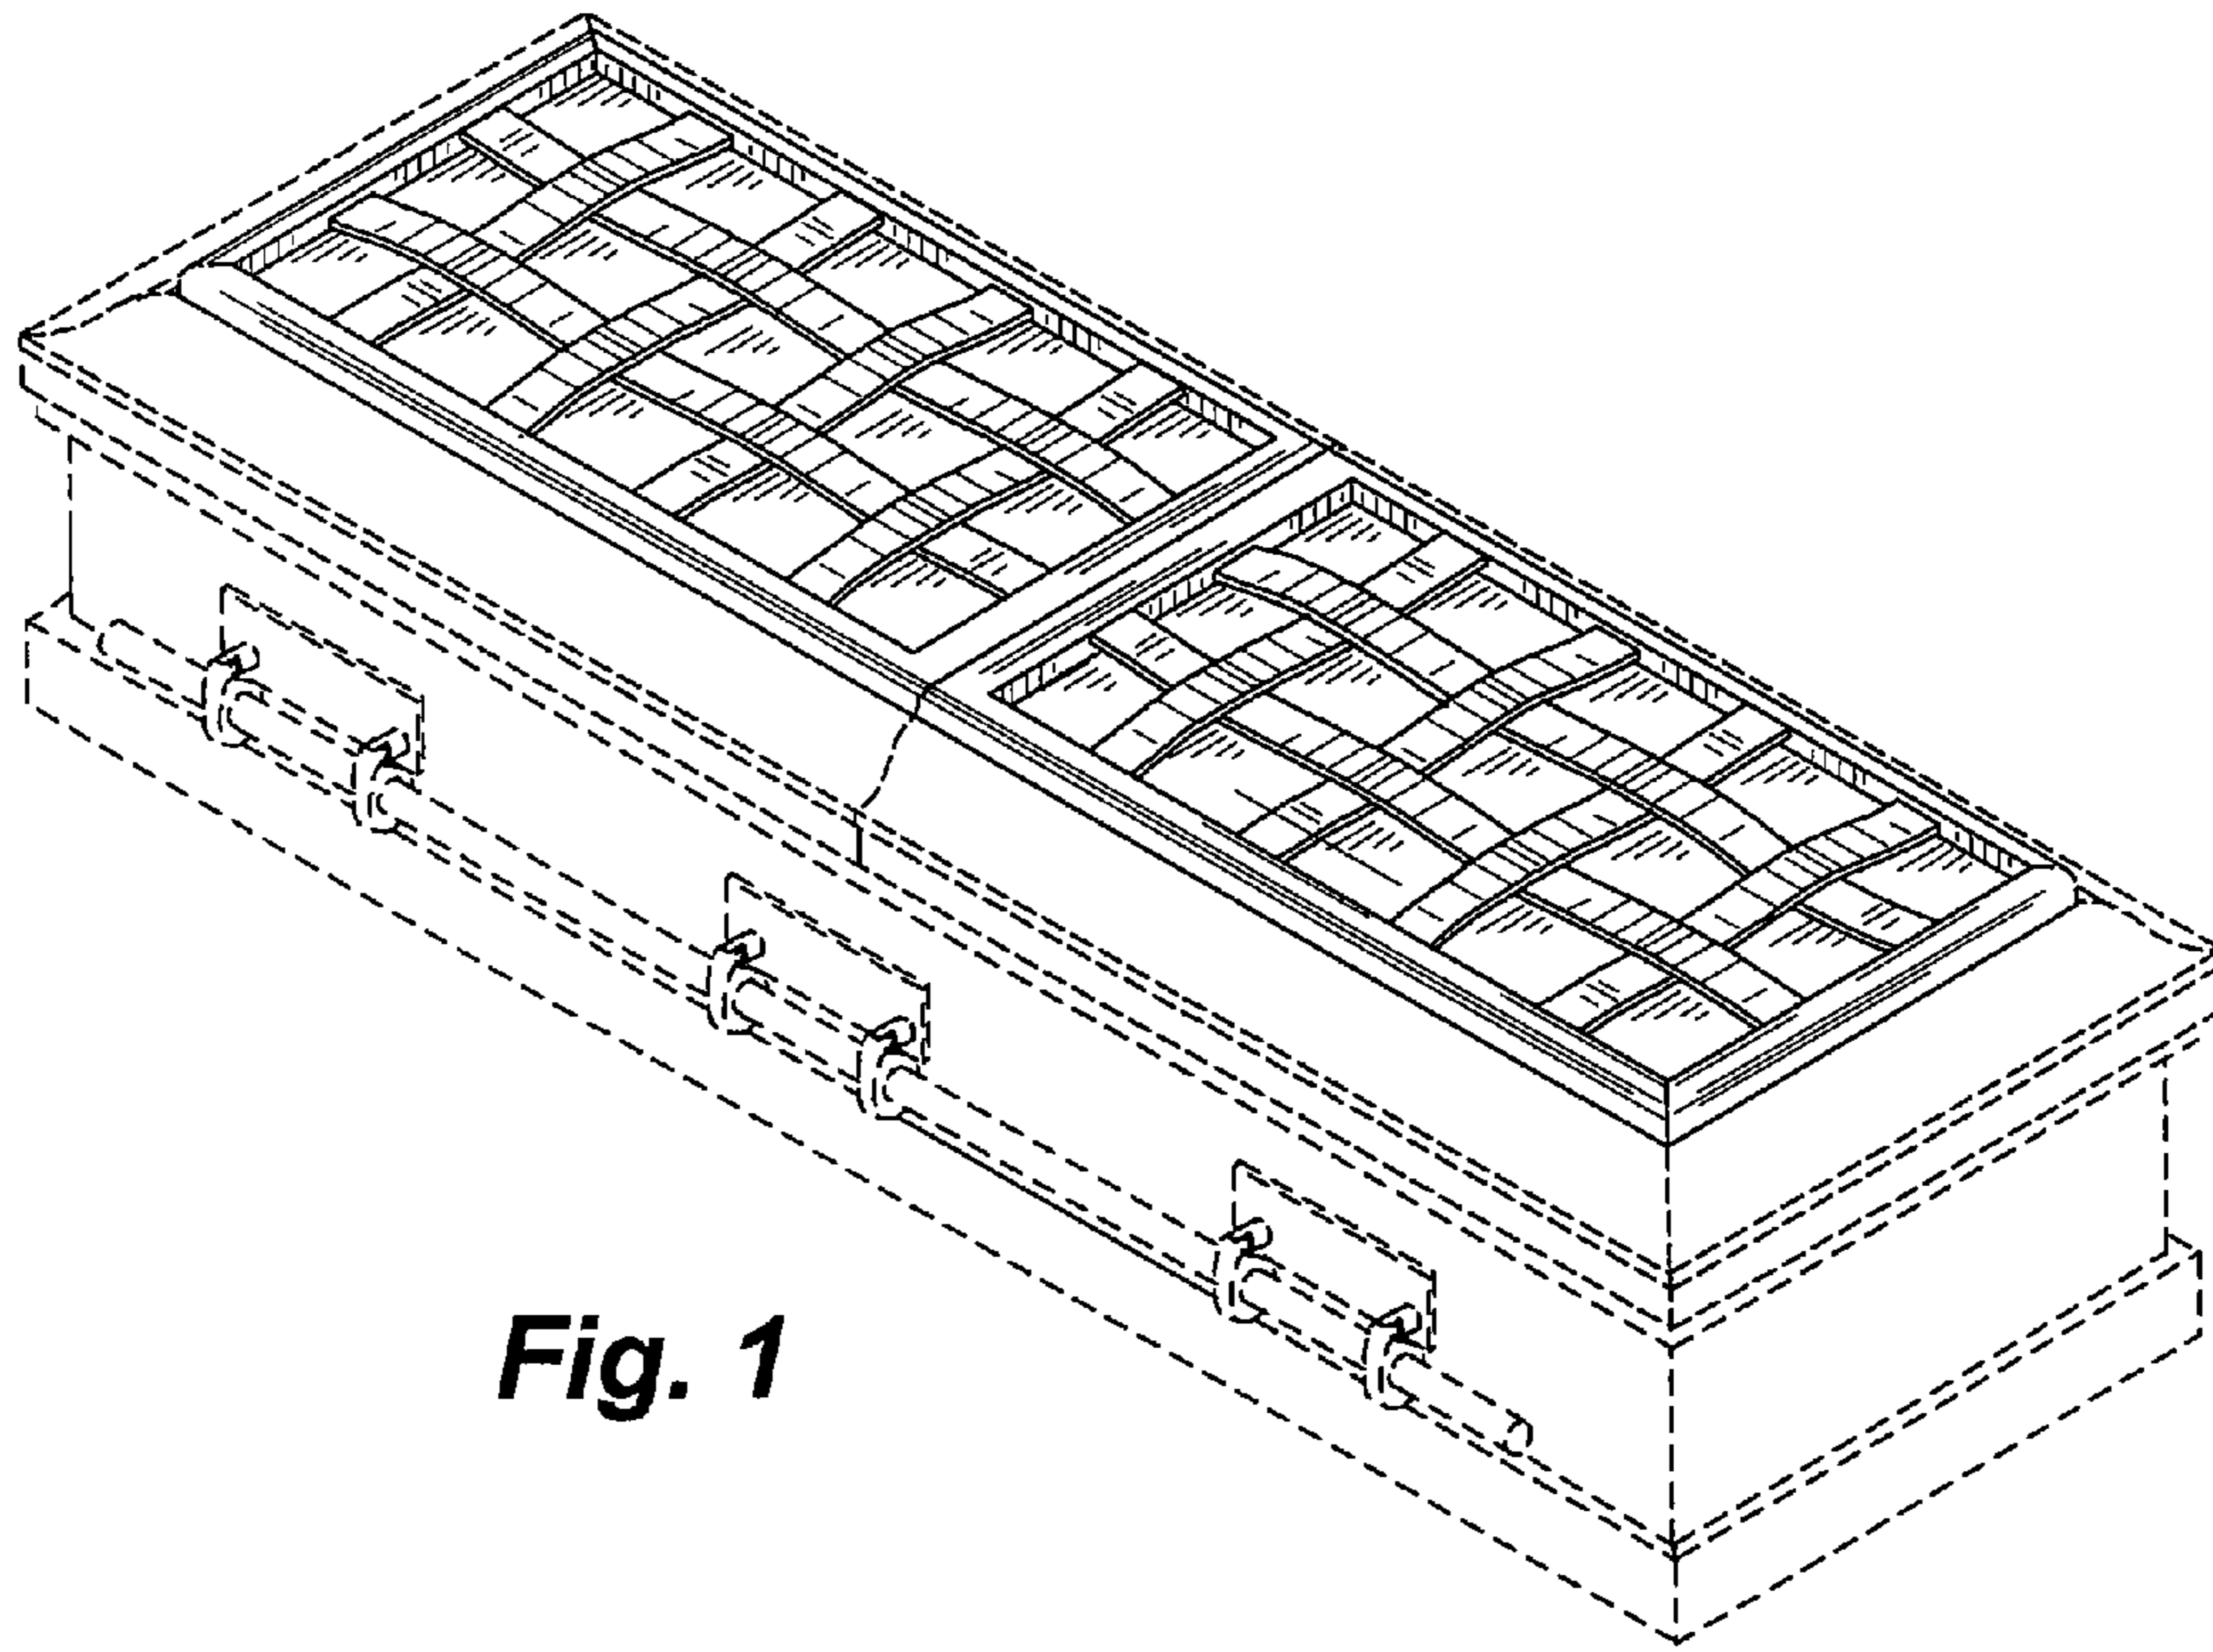

FIG. 3 is a front side elevation of the panel of the invention with the rear side elevation being the mirror image thereof.

FIG. 4 is a left end elevation of the panel of the invention with the right end elevation being a mirror image thereof; and,

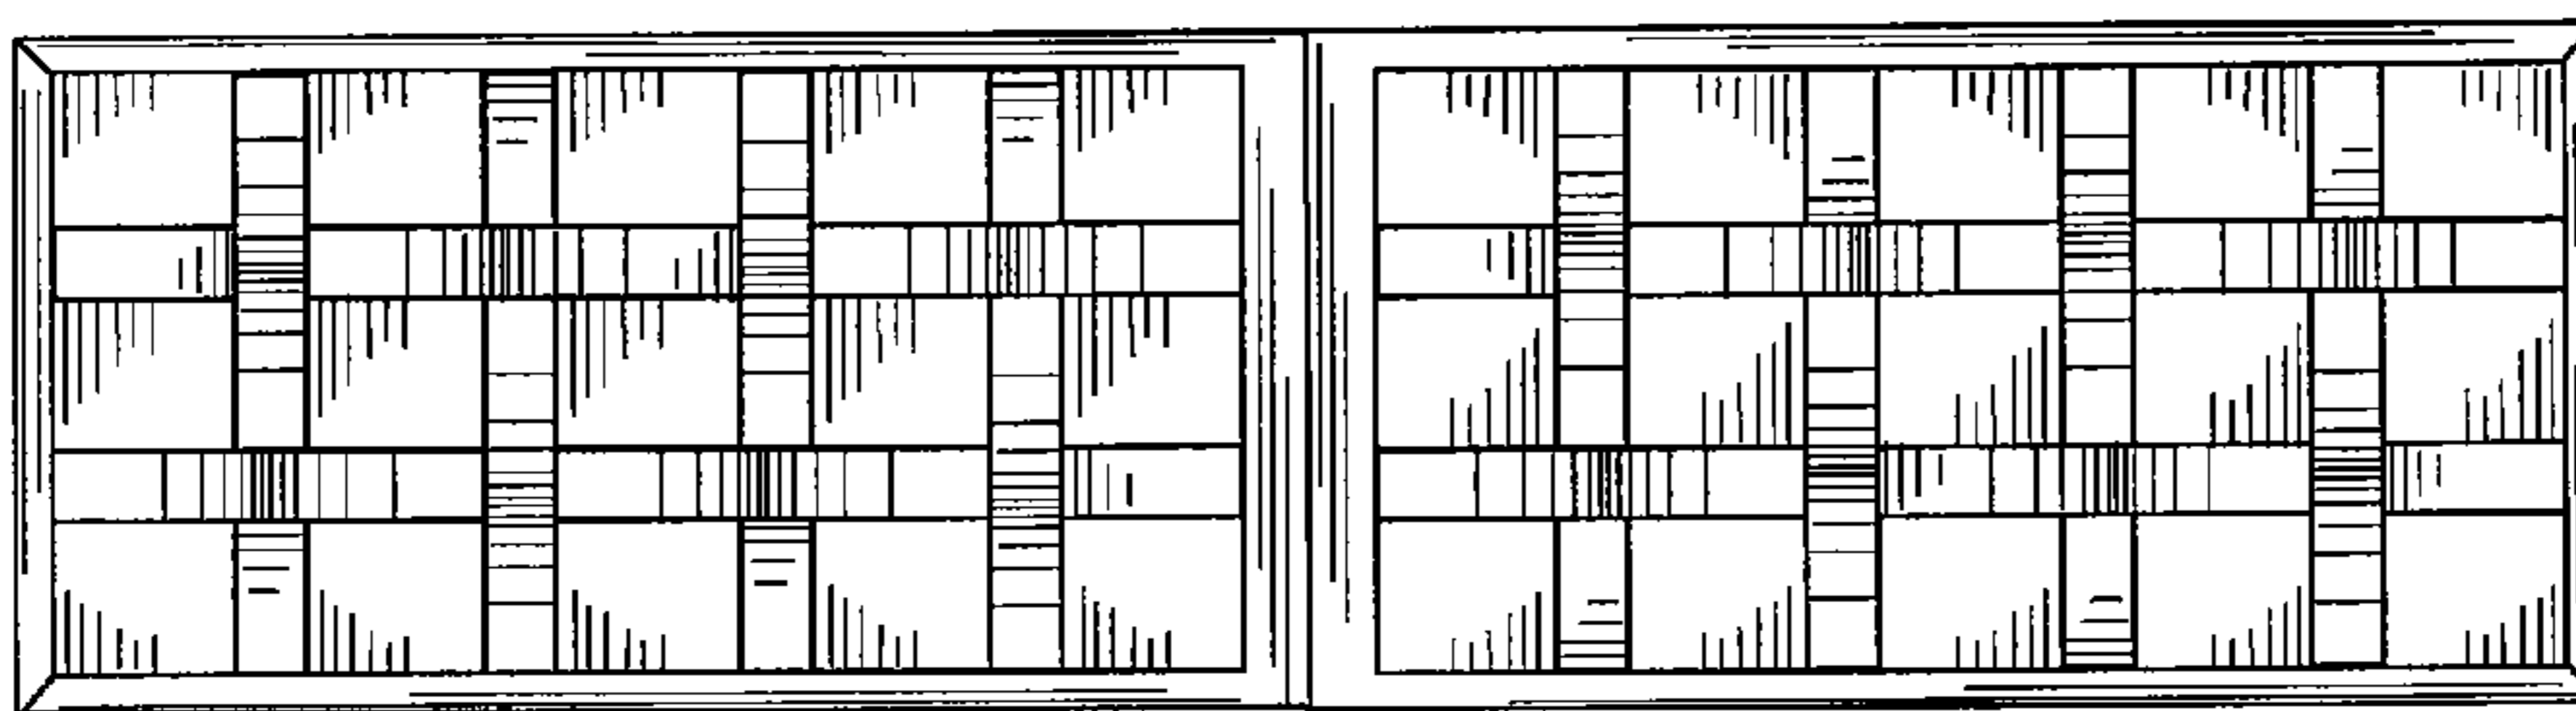

FIG. 5 is a bottom plan view of the panel of the invention.
