(57) **CLAIM**

The ornamental design for an insert for a keyboard/keyboard enclosure, as shown and described.

DESCRIPTION

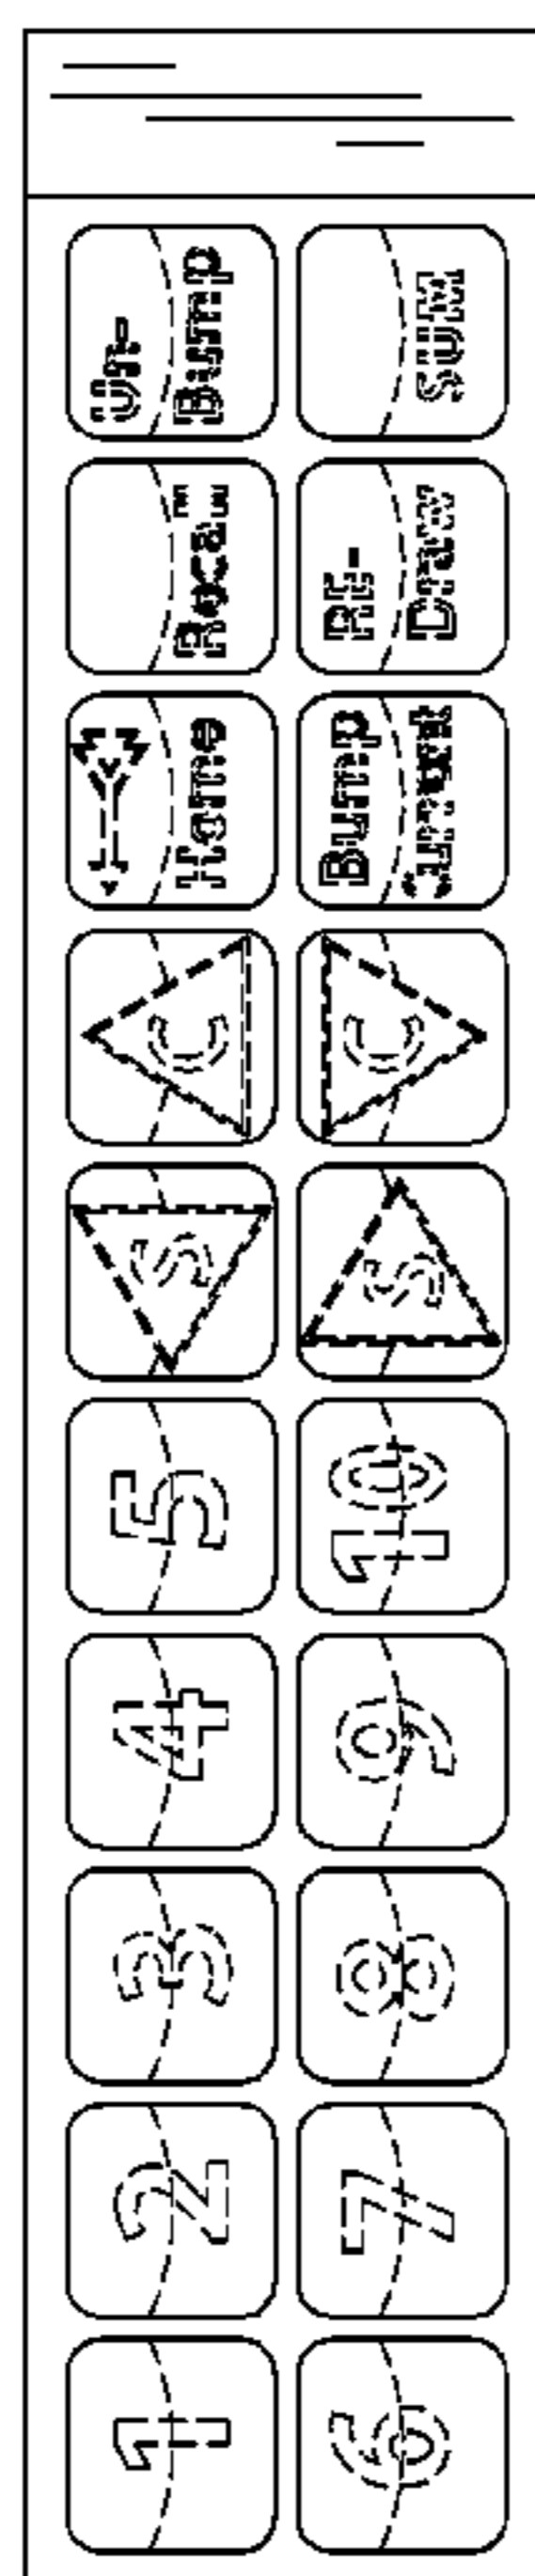

FIG. 1 is an exploded perspective view of an insert for a keyboard/keyboard enclosure showing my new design, the keyboard enclosure, the circuit board, and the keyboard cover are shown in broken lines for environmental purposes only; FIG. 2 is a top plan view of the insert of FIG. 1; FIG. 3 is a bottom plan view of the insert of FIG. 1; FIG. 4 is an end elevation view of the insert of FIG. 1, the opposing end view being a mirror image thereof; and, FIG. 5 is a side elevation view of the insert of FIG. 1, the opposing side view being a mirror image thereof. The applicant specifically disclaims any logos, symbols, letters, numbers, or any other features (including but not limited to features of the insert and features of keyboard components other than the insert) apart from the outer shape, end grip-tab portion and button locations of the insert shown in FIGS. 2 and 3, all of which form no part of the claimed design.
