(57) **CLAIM**

The ornamental design for an LED approach light, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, perspective, cut-away view of an LED approach light embodying our new design;
FIG. 2 is a top cut-away view thereof;
FIG. 3 is a right side elevational view thereof, a portion of the housing being removed for clarity, the left side elevational view being a mirror image thereof;
FIG. 4 is a cross-sectional view taken along line 4-4 from FIG. 1;
FIG. 5 is a top, front, perspective view thereof, a portion of the housing being removed for clarity; and,
FIG. 6 is a front plan view thereof, a portion of the housing removed for clarity.
The broken lines shown in the drawings illustrating the LED approach light housing form no part of the claimed design.
