(57) **CLAIM**

The ornamental design for a container for waste material, as shown and described.

DESCRIPTION

FIG. 1 shows a top, front, right side perspective view of the container for waste material in a closed position;

FIG. 2 shows a front elevational view of the container for waste material;

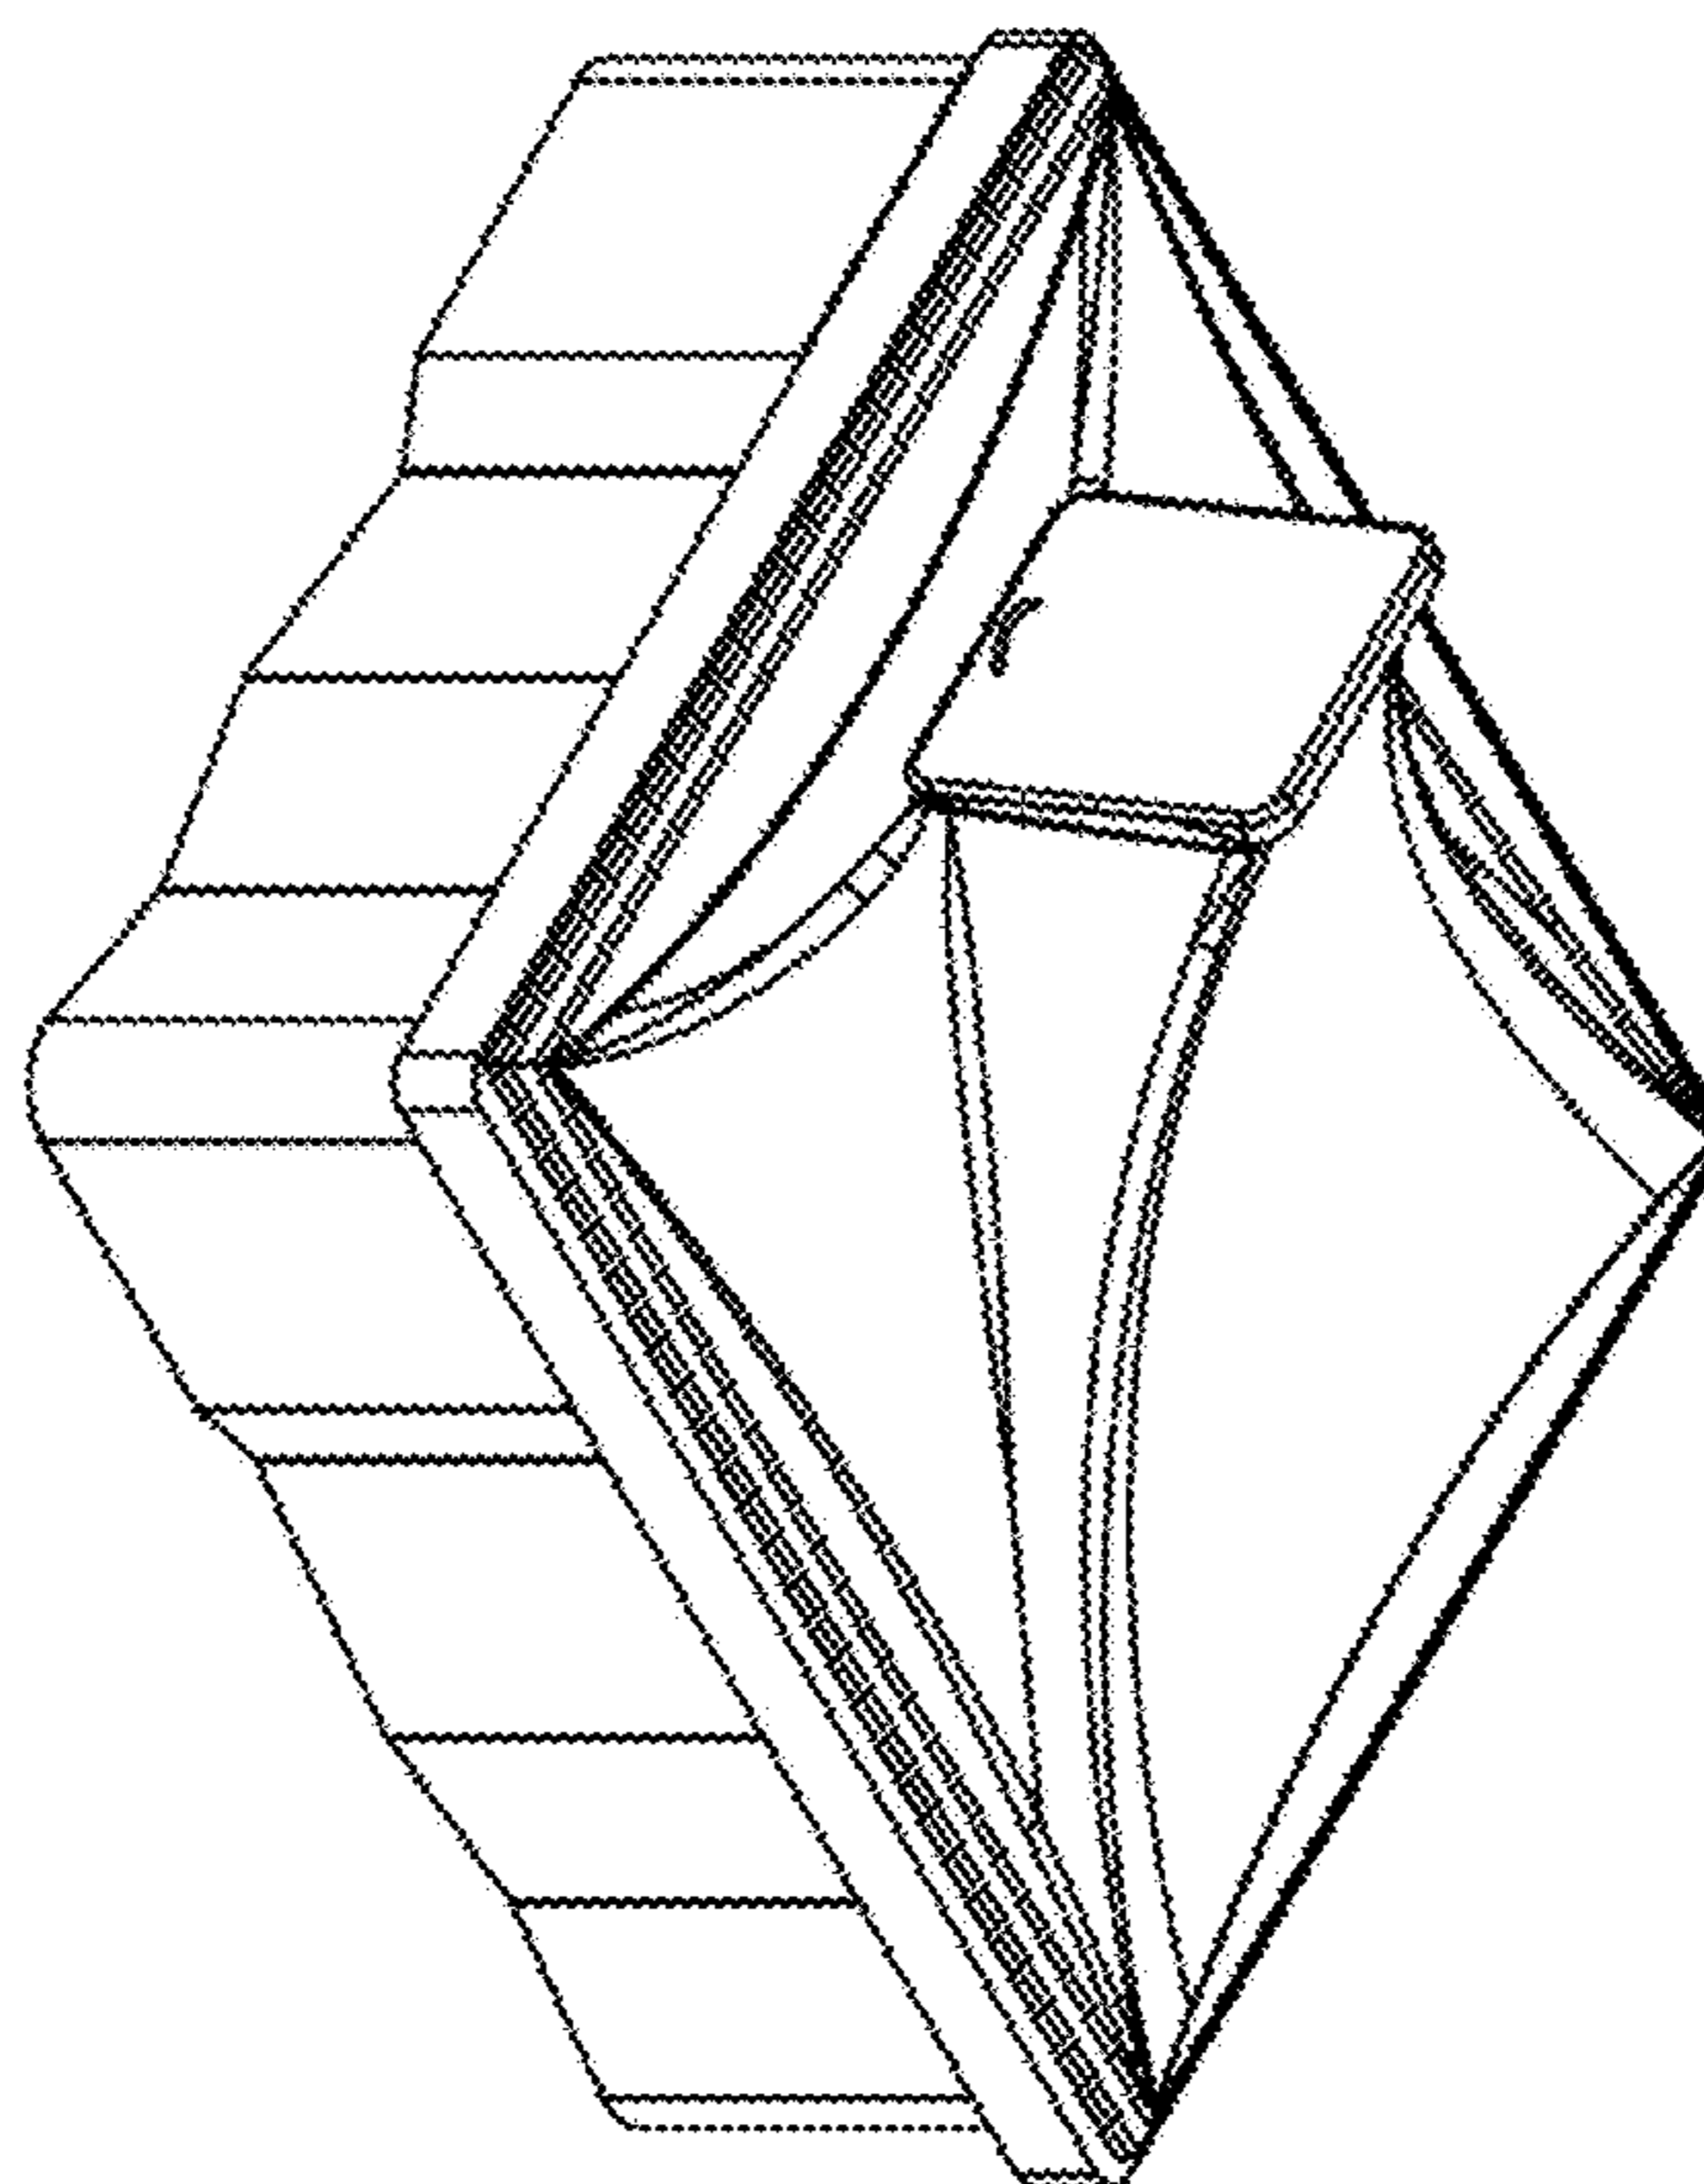

FIG. 3 shows a left side elevational view of the container for waste material, the right side view being a mirror image thereof;

FIG. 4 shows a back elevational view of the container for waste material;

FIG. 5 shows a top plan view of the container for waste material; and,

FIG. 6 shows a top, front, right side perspective view of the container for waste material in an open position.

1 Claim, 6 Drawing Sheets
