(57) **CLAIM**

The ornamental design for a jar, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, right side perspective view of a jar showing my new design;

FIG. 2 is a front elevational view thereof, the rear elevational view, right side elevational view and left side elevational view being identical;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a bottom plan view thereof.

The broken line showing of the central portion of the bottom surface is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
