(74) *Attorney, Agent, or Firm* — Banner & Witcoff, Ltd.

(57) **CLAIM**

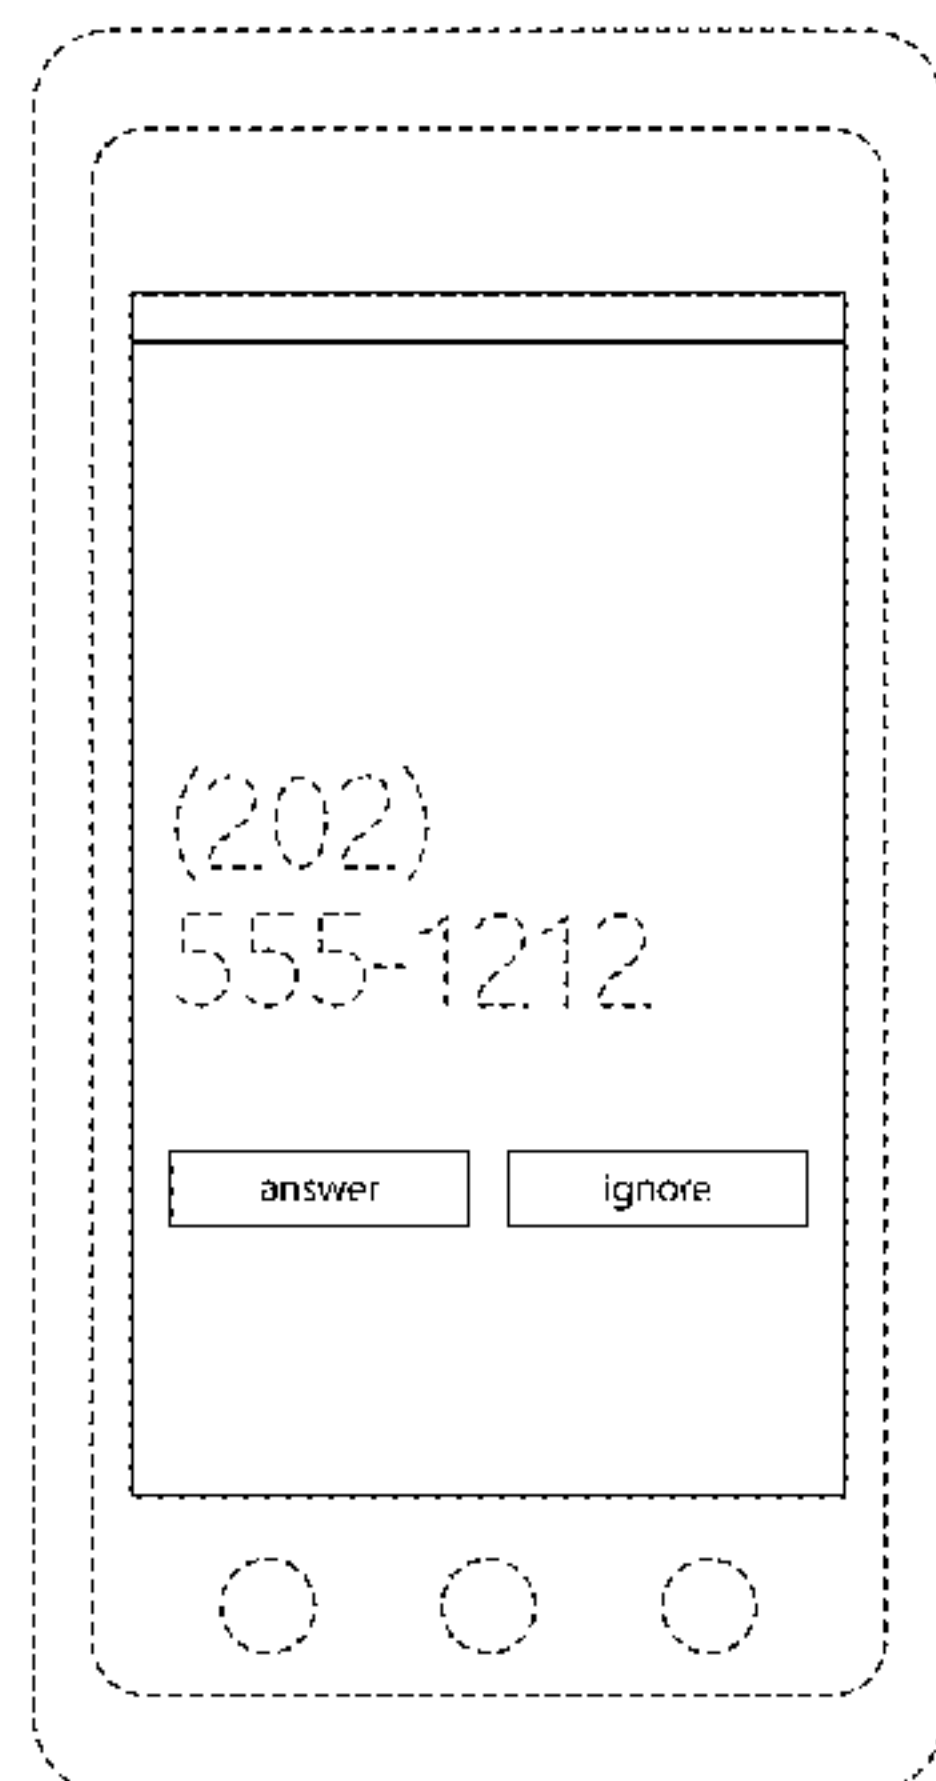

The ornamental design for a display screen with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is the first image in a sequence for a display screen with animated graphical user interface showing our new design; FIG. 2 is the second image thereof; FIG. 3 is the third image thereof; FIG. 4 is the fourth image thereof; FIG. 5 is the fifth image thereof; FIG. 6 is the sixth image thereof; FIG. 7 is the seventh image thereof; FIG. 8 is the eighth image thereof; FIG. 9 is the ninth image thereof; FIG. 10 is the tenth image thereof; FIG. 11 is the eleventh image thereof; and, FIGS. 12-22 show the display screen with animated graphical user interface of FIGS. 1-11 on a device.

The appearance of the animated user interface sequentially transitions between the images shown in FIGS. 1-11 and in FIGS. 12-22. The process or period in which one image transitions to another forms no part of the claimed design. The broken line showing of the phone numbers in FIGS. 1-22 and of the remainder of a device containing the display screen in FIGS. 11-22 is for environmental purposes only and forms no part of the claimed design.

1 Claim, 22 Drawing Sheets
