FIG. 1 is a front, top, left-hand side perspective view of an
electric receptacle comprising a new, original and ornamental
design;

FIG. 2 is a front view of an electric receptacle comprising the
new, original and ornamental design;

FIG. 3 is a rear view of an electric receptacle comprising the
new, original and ornamental design;

FIG. 4 is a right-hand side view of an electric receptacle
comprising the new, original and ornamental design;

FIG. 5 is a left-hand side view of an electric receptacle com-
prising the new, original and ornamental design; and,

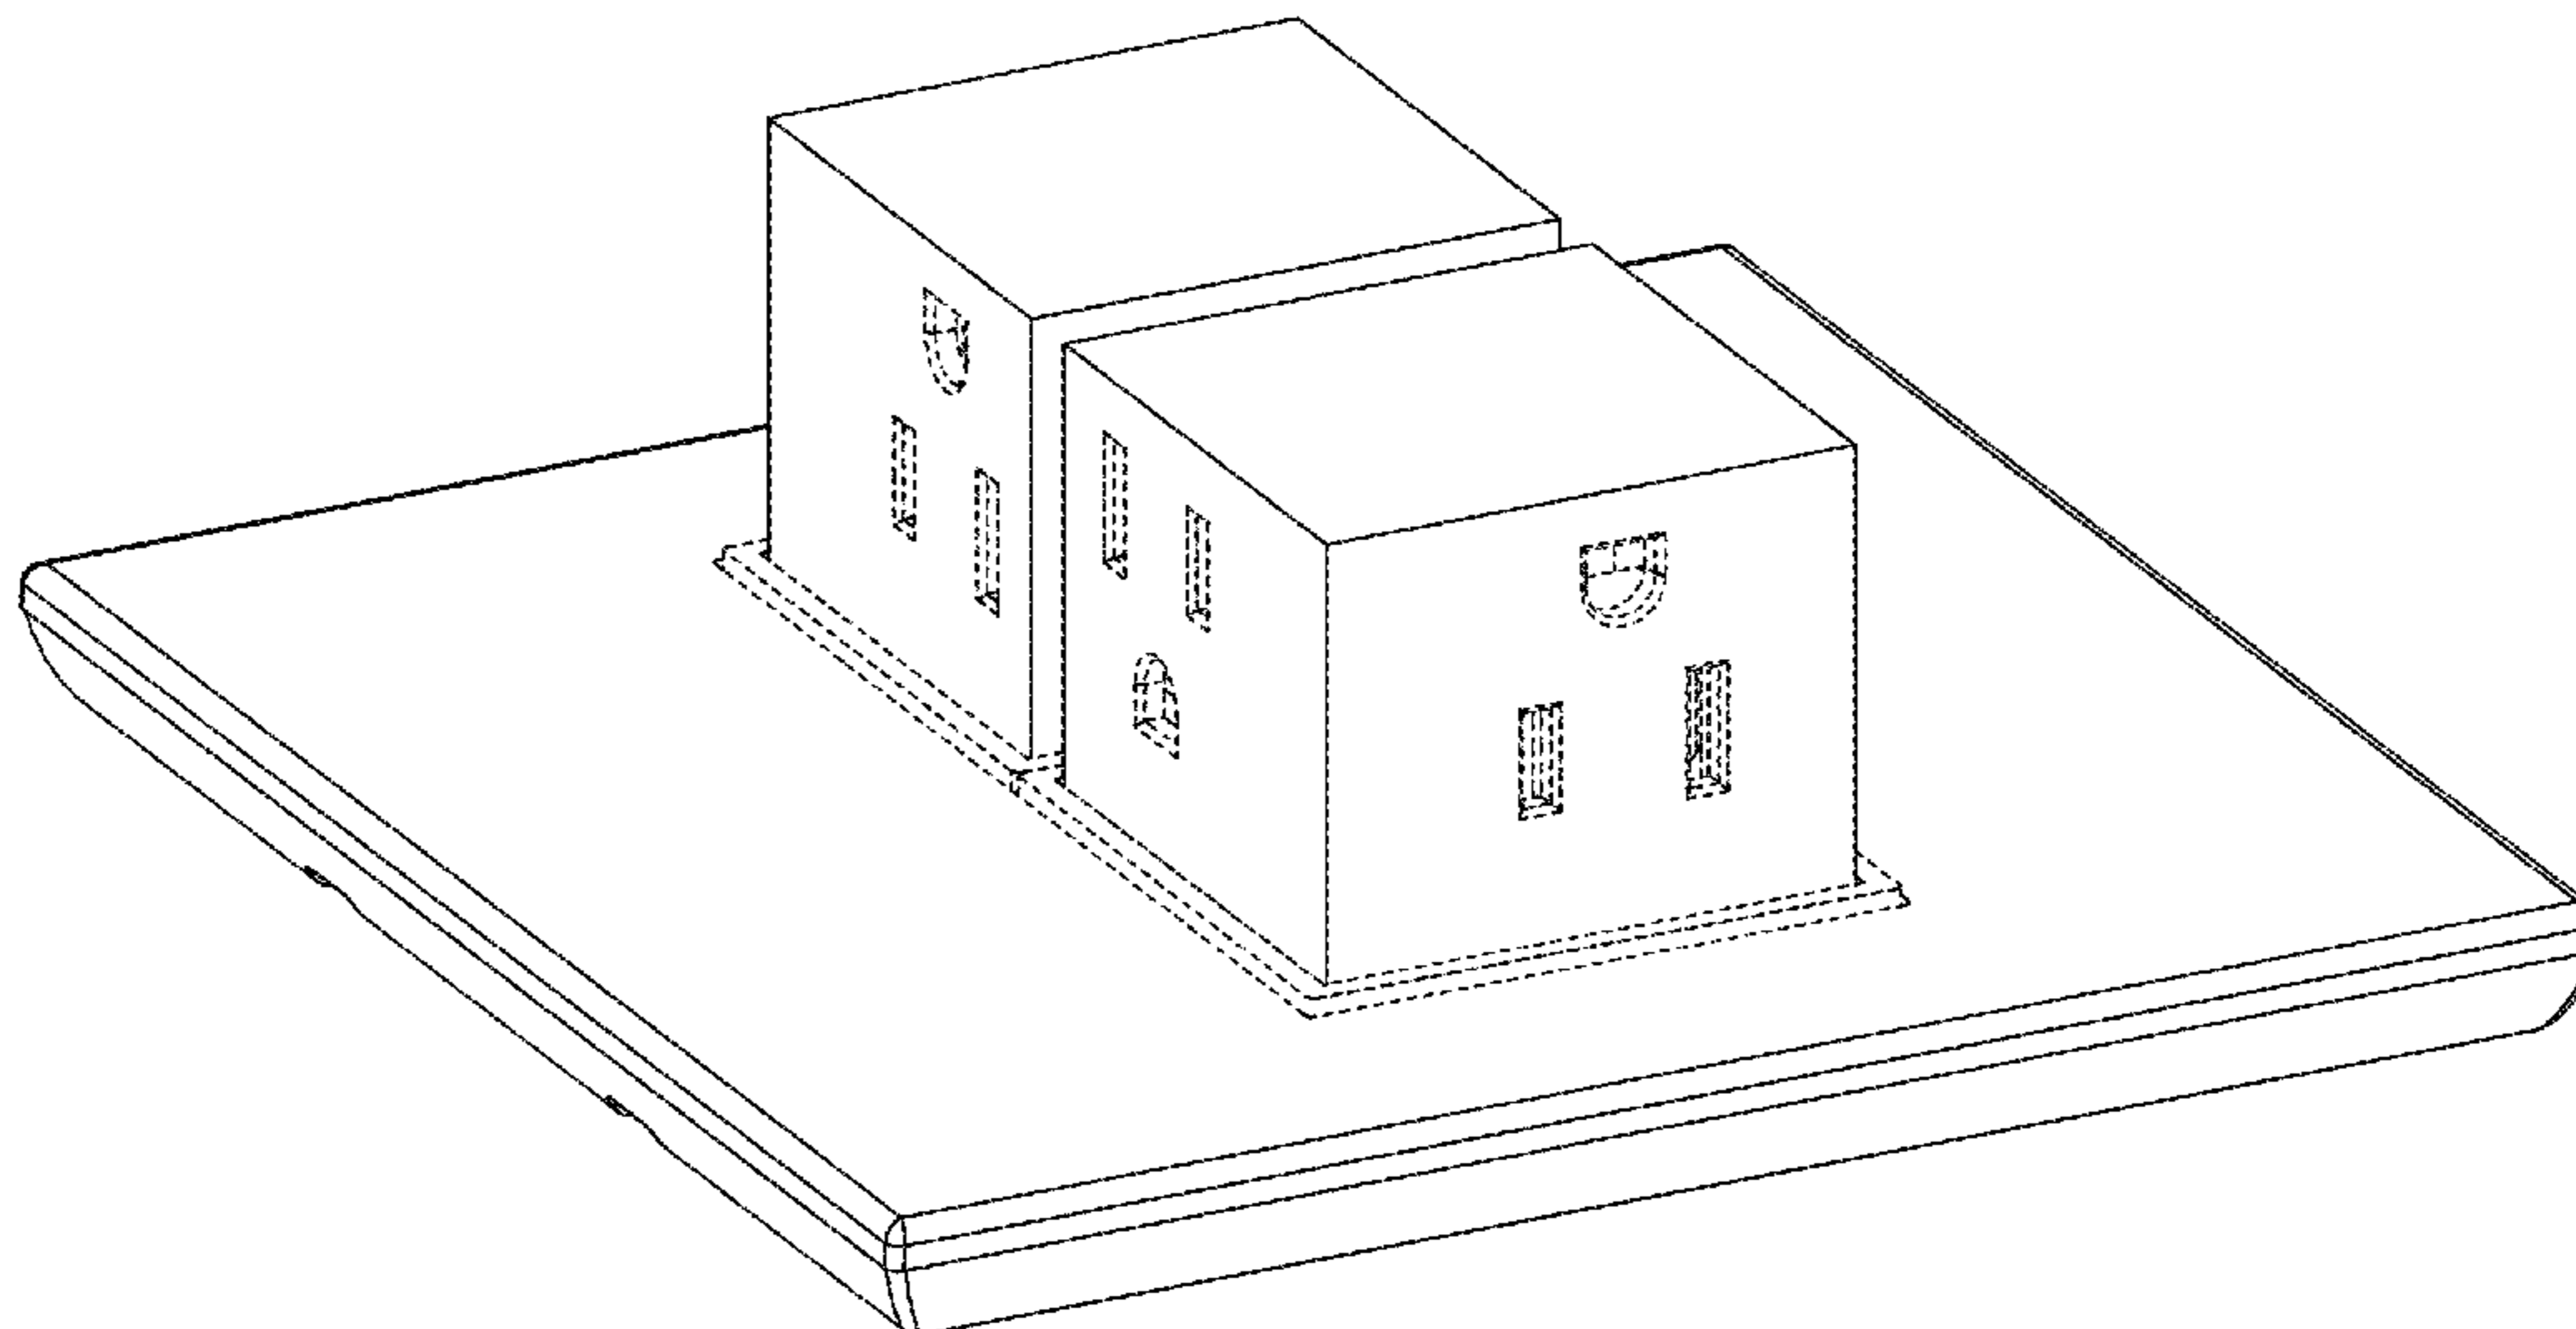

FIG. 6 is a top view of an electric receptacle comprising the
new, original and ornamental design.

No claim is being made to the bottom view of the embodi-
ments, therefore, none has been shown.

The broken lines shown in the drawings illustrate unclaimed
portions of the article and form no part of the claimed design.

See application file for complete search history.
