FIG. 1 is a perspective view of the tool;
FIG. 2 is a left side elevational view of the tool;
FIG. 3 is a right side elevational view of the tool;
FIG. 4 is a front elevational view of the tool;
FIG. 5 is a rear elevational view of the tool;
FIG. 6 is a top plan view of the tool; and,
FIG. 7 is a bottom plan view of the tool.
The broken lines illustrate portions of the hydraulic driven rotary tool that form no part of the claimed design.
