(57) **CLAIM**

The ornamental design for portion of water meter, as shown and described.

DESCRIPTION

FIG. 1 is a side view of a portion of water meter in accordance with the design;

FIG. 2 is a top plan view of the portion of water meter in accordance with the design;

FIG. 3 is a side view of the portion of water meter in accordance with the design;

FIG. 4 is a perspective view of the portion of water meter in accordance with the design;

FIG. 5 is a top plan view of the portion of water meter in accordance with the design;

FIG. 6 is a side view of the portion of water meter in accordance with the design;

FIG. 7 is a perspective view of the portion of water meter in accordance with the design; and,

FIG. 8 is a perspective view of the portion of water meter in accordance with the design.

The broken line showing of structural features is included for the purpose of illustrating non-claimed subject matter and forms no part of the claimed design.
