(57) **CLAIM**

The ornamental design for an electrical junction box, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the electrical junction box of my new design with the lid in a raised position separated from the body of the box.

FIG. 2 is a top plan view showing the interior of the electrical junction box of my new design, with the lid being shown separate therefrom.

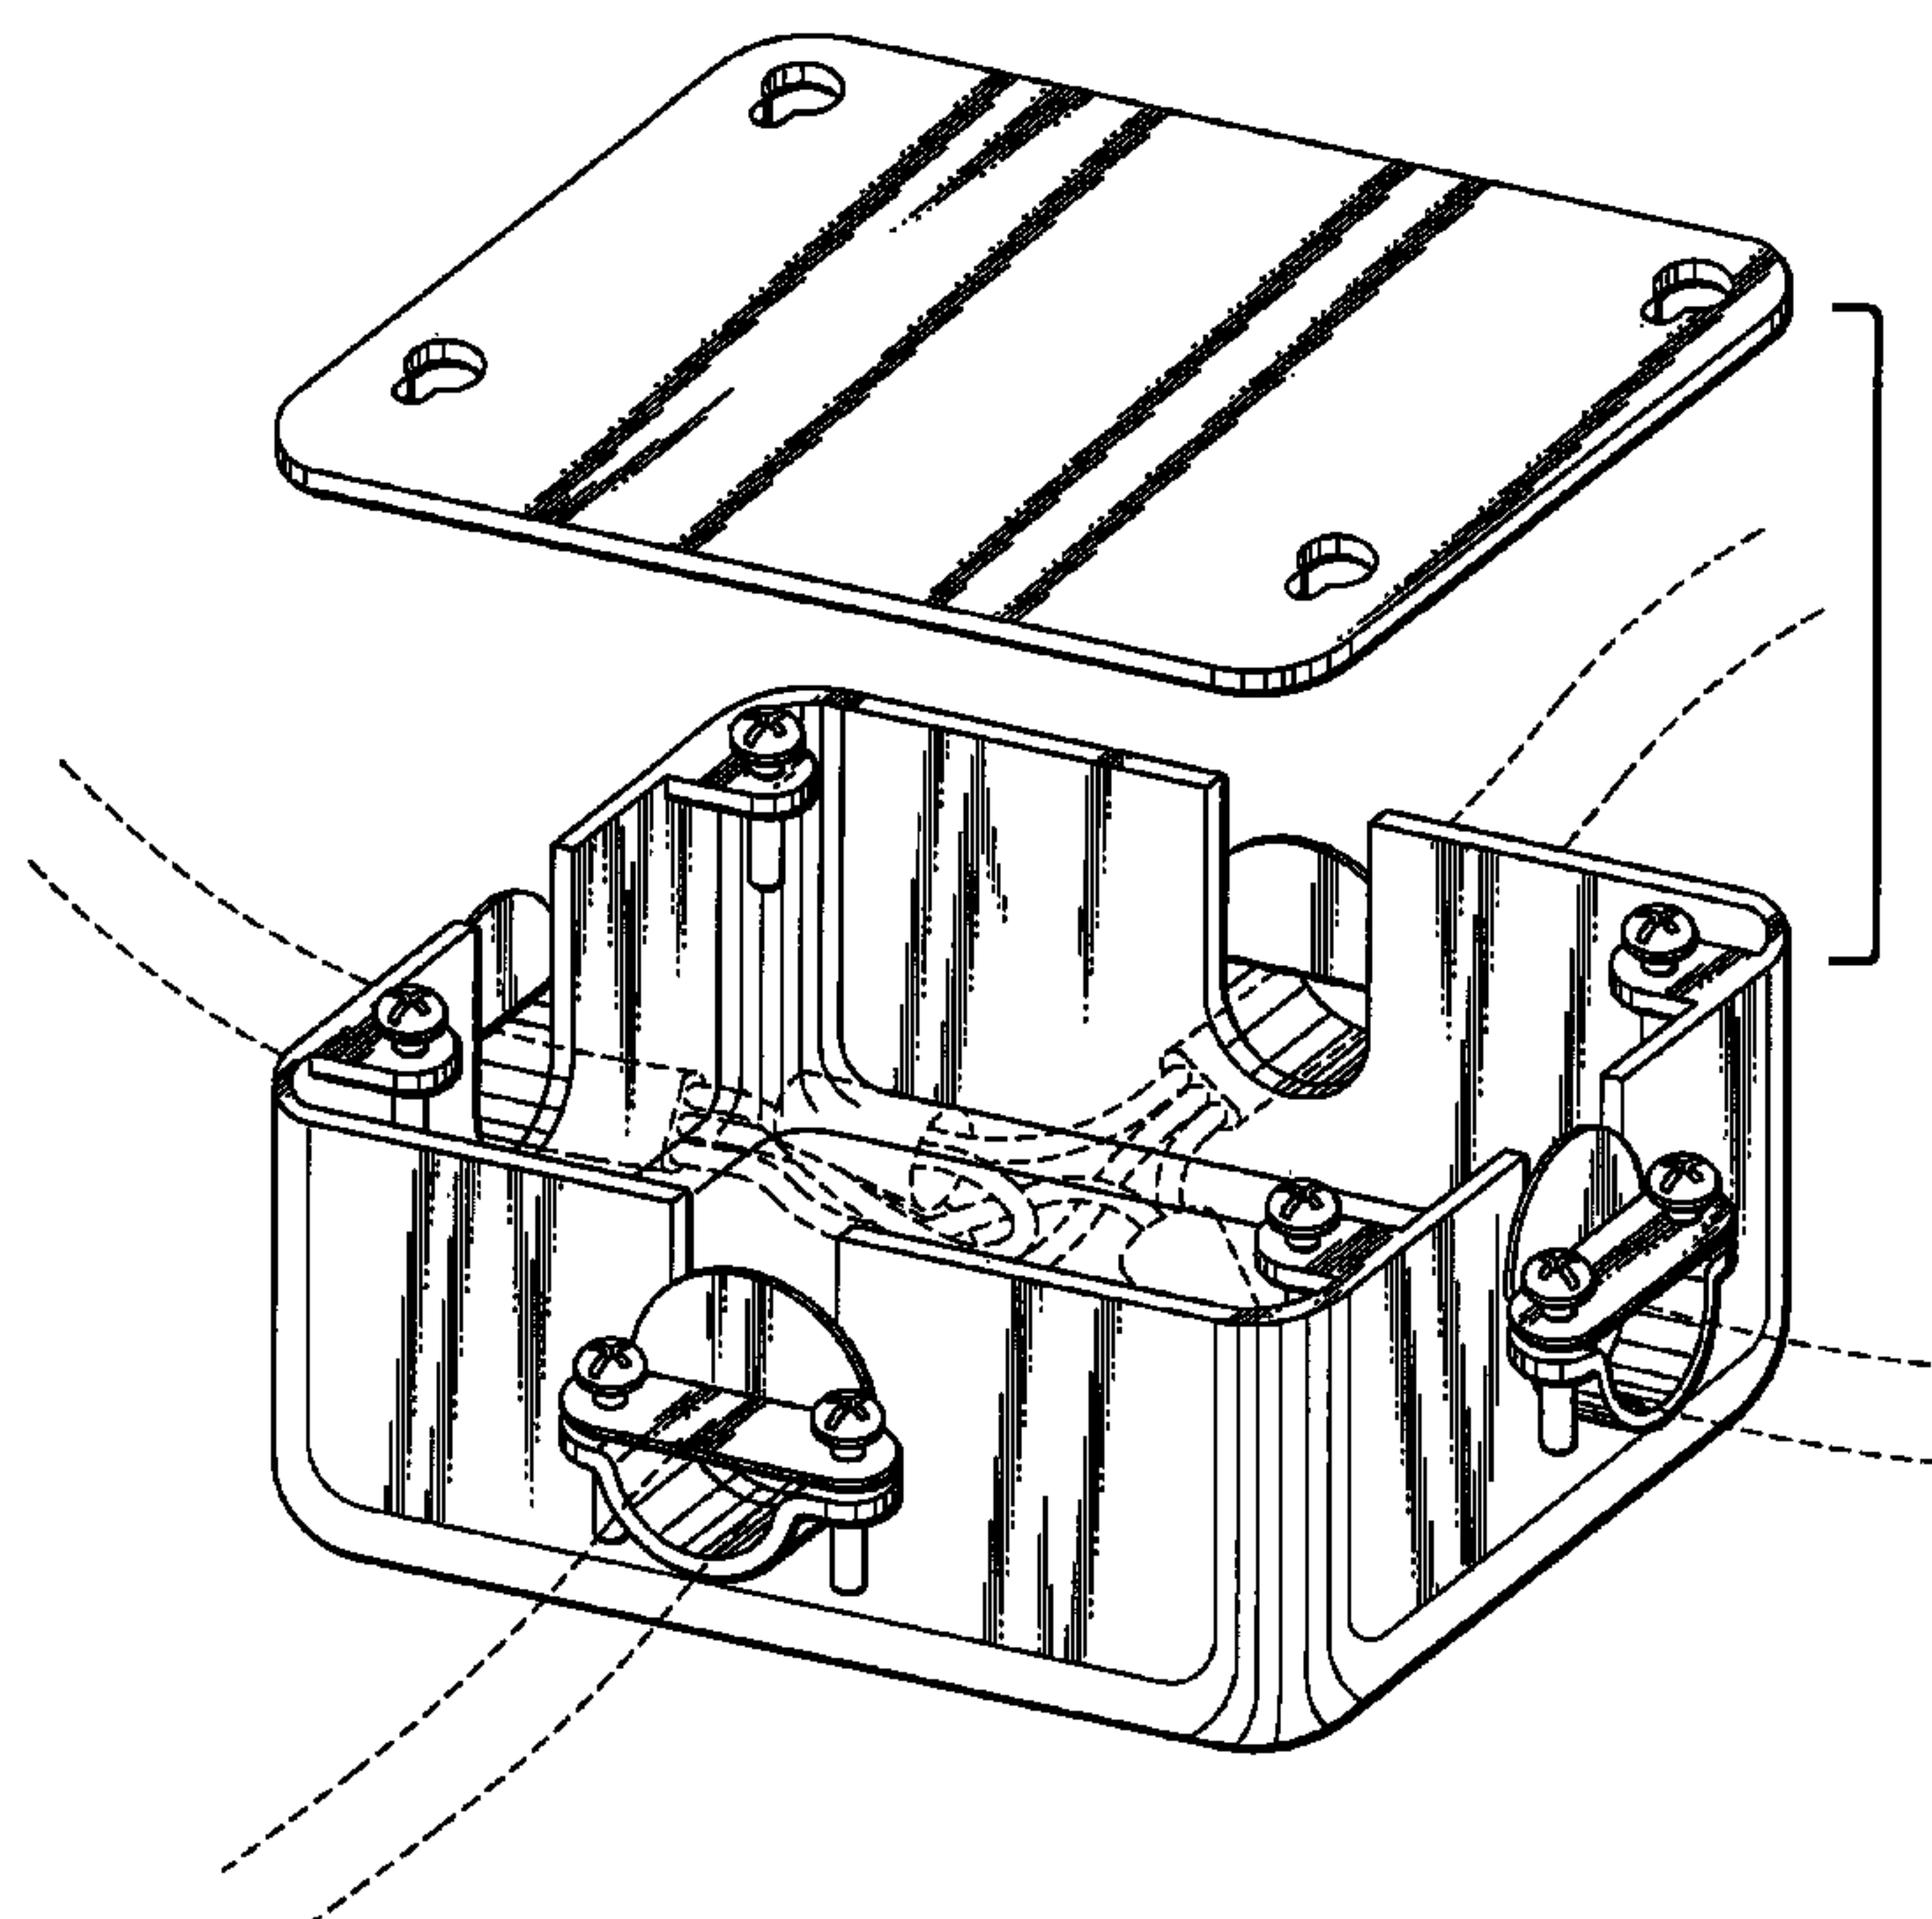

FIG. 3 is a plan view of the bottom thereof, with the bottom or underside of the lid being shown separately.

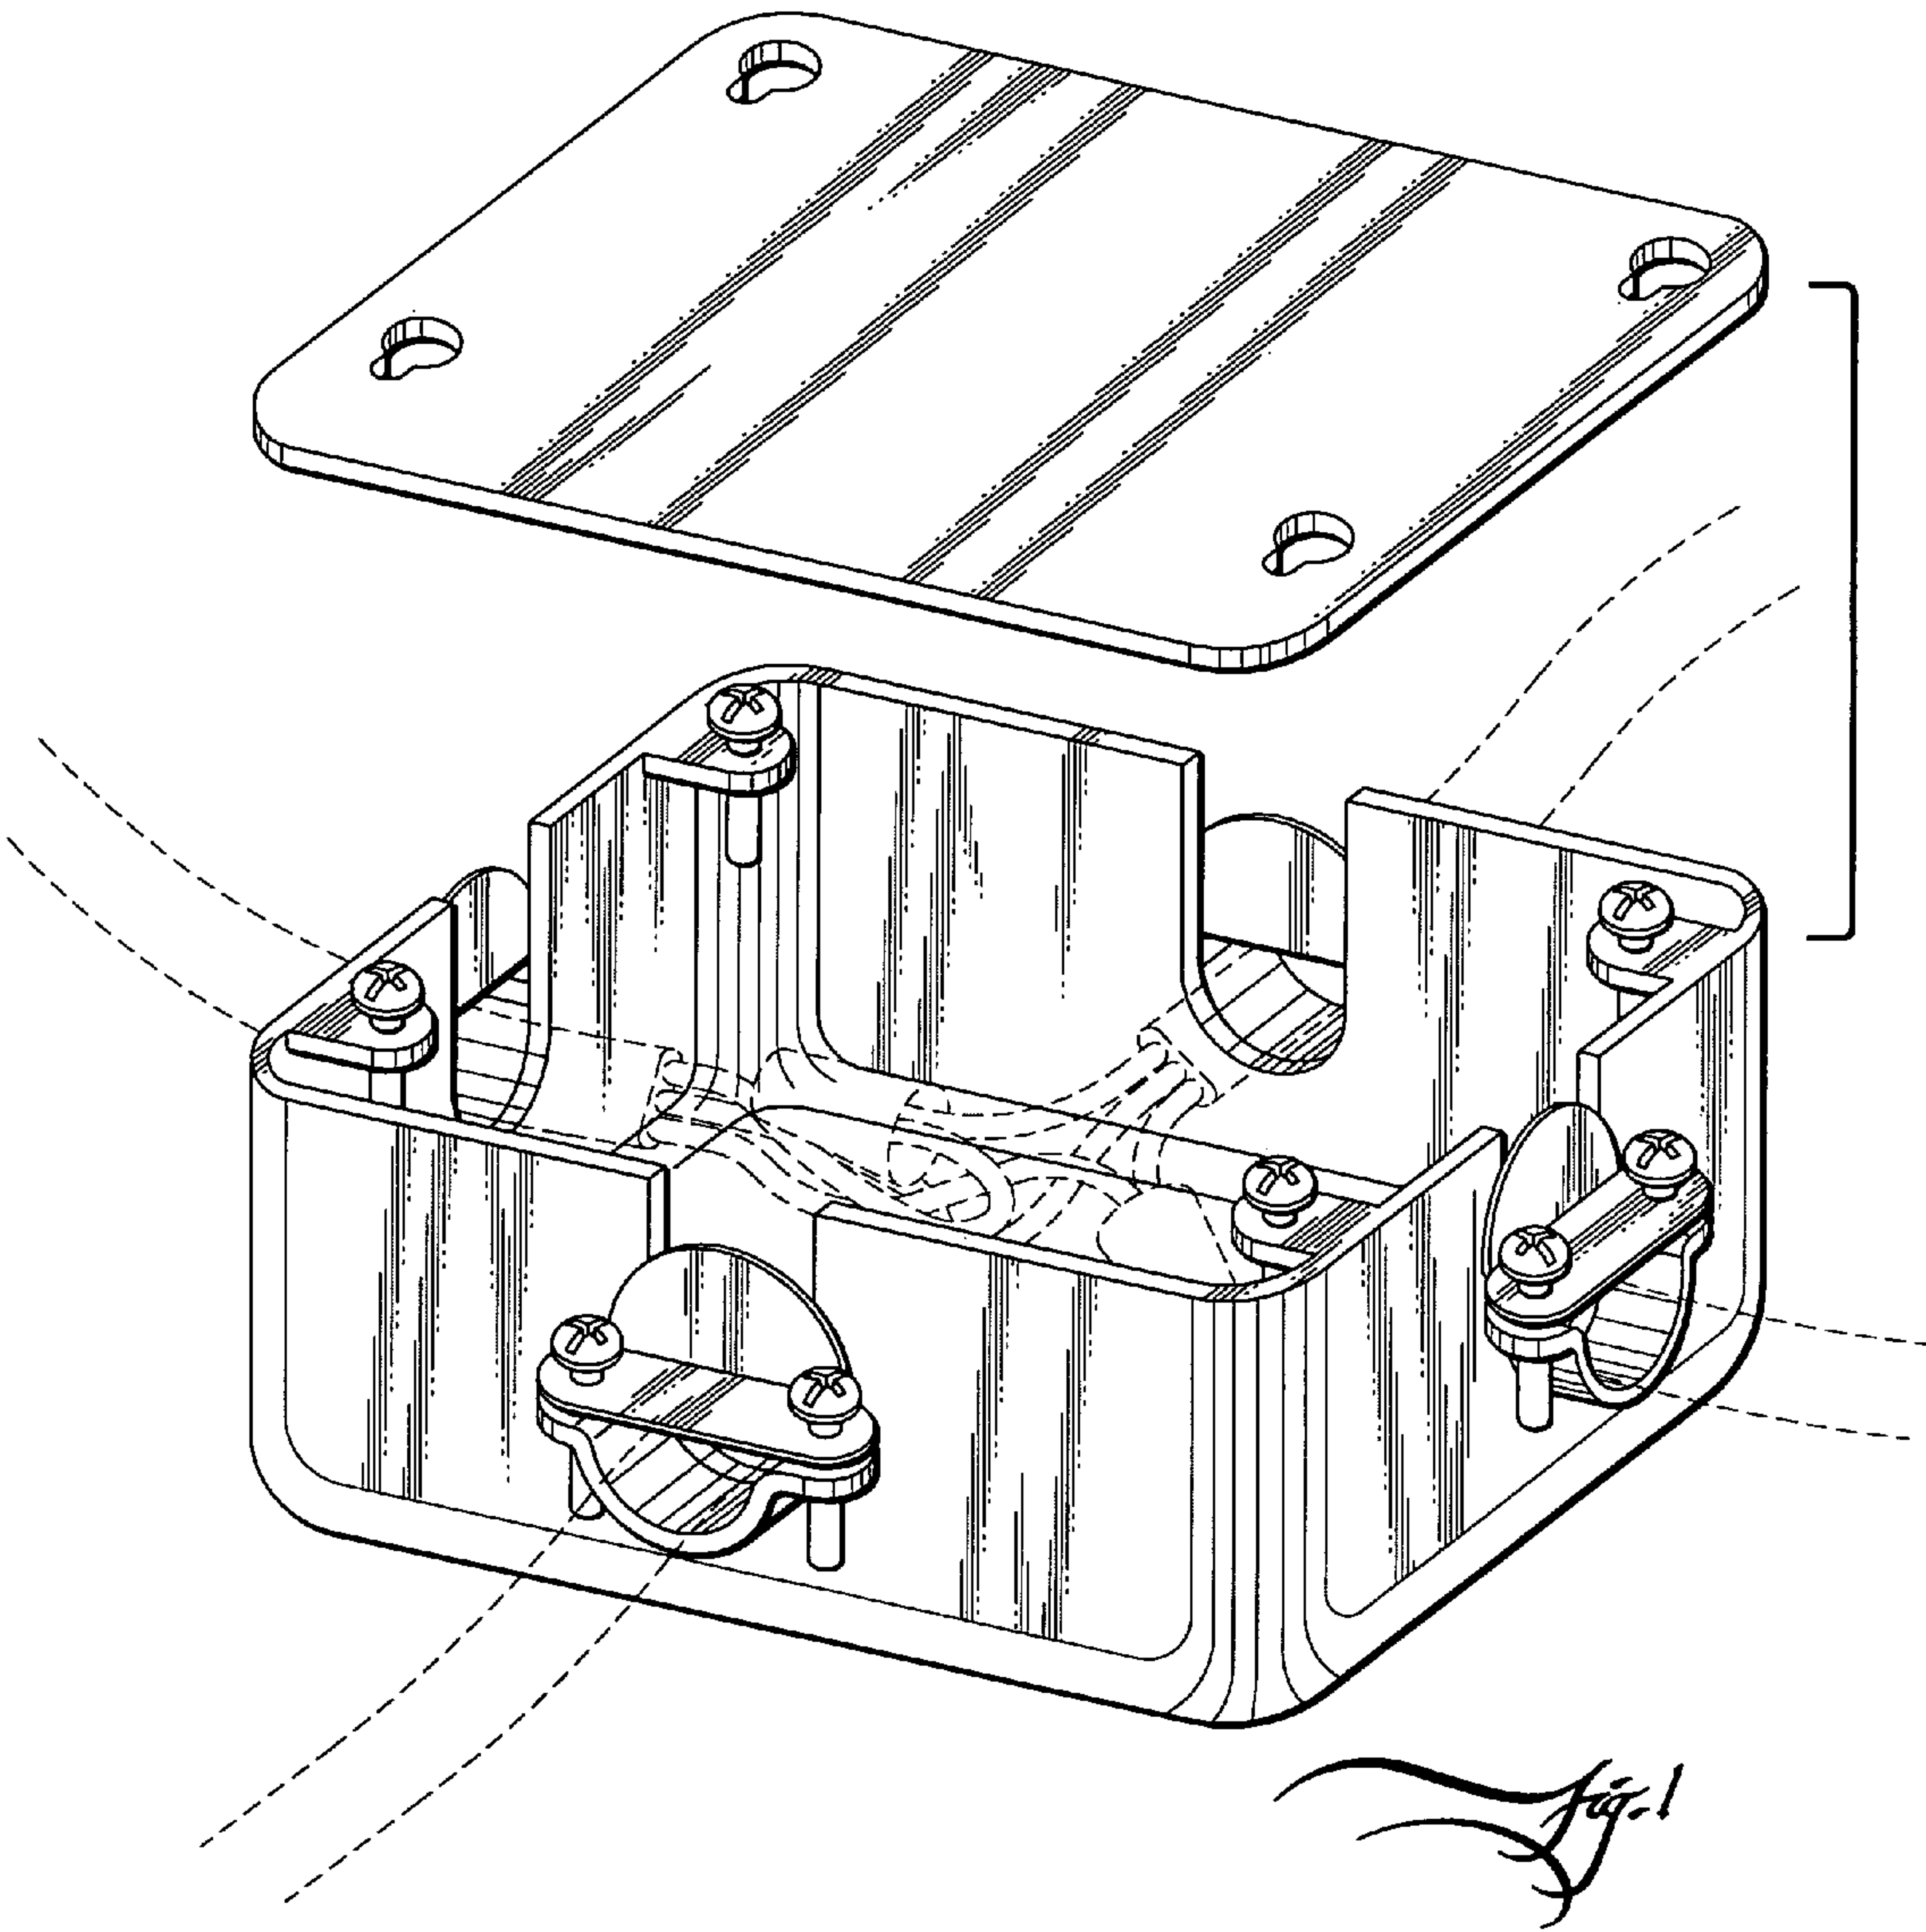

FIG. 4 is a front elevational view thereof. The back elevational view is a mirror image thereof; and,

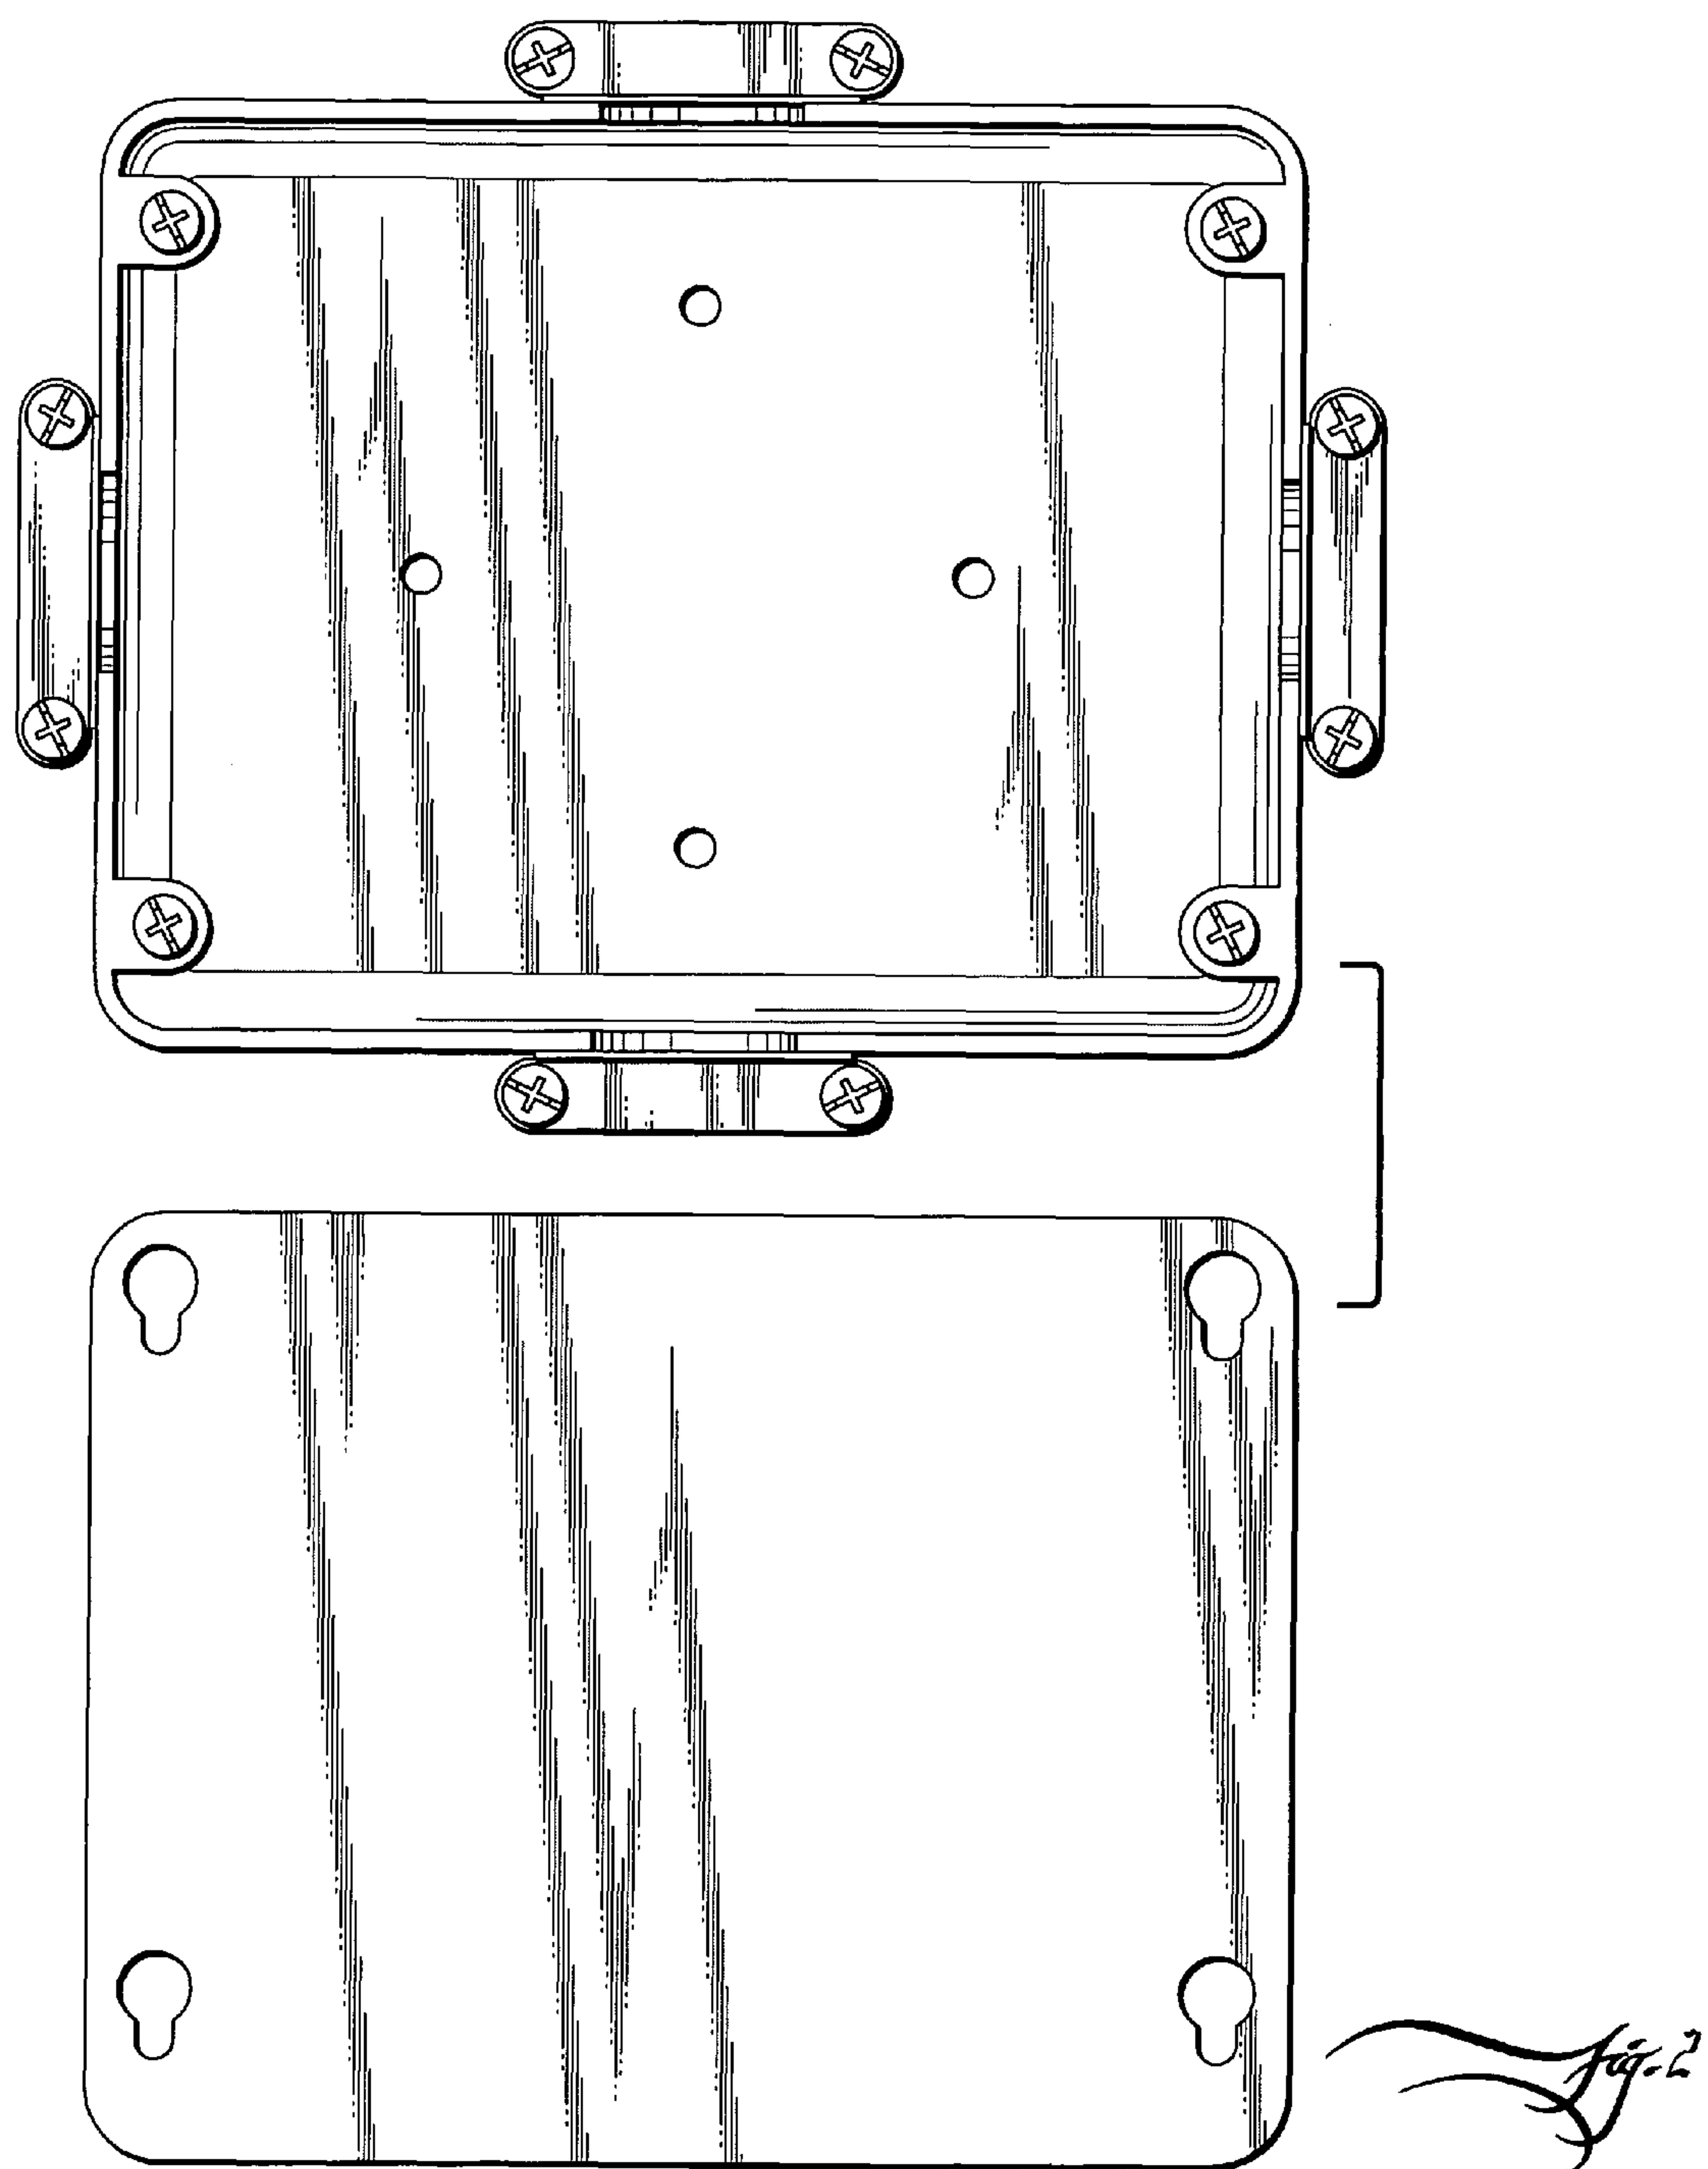

FIG. 5 is an elevational view of one end thereof. The opposite end elevational view is a mirror image thereof.

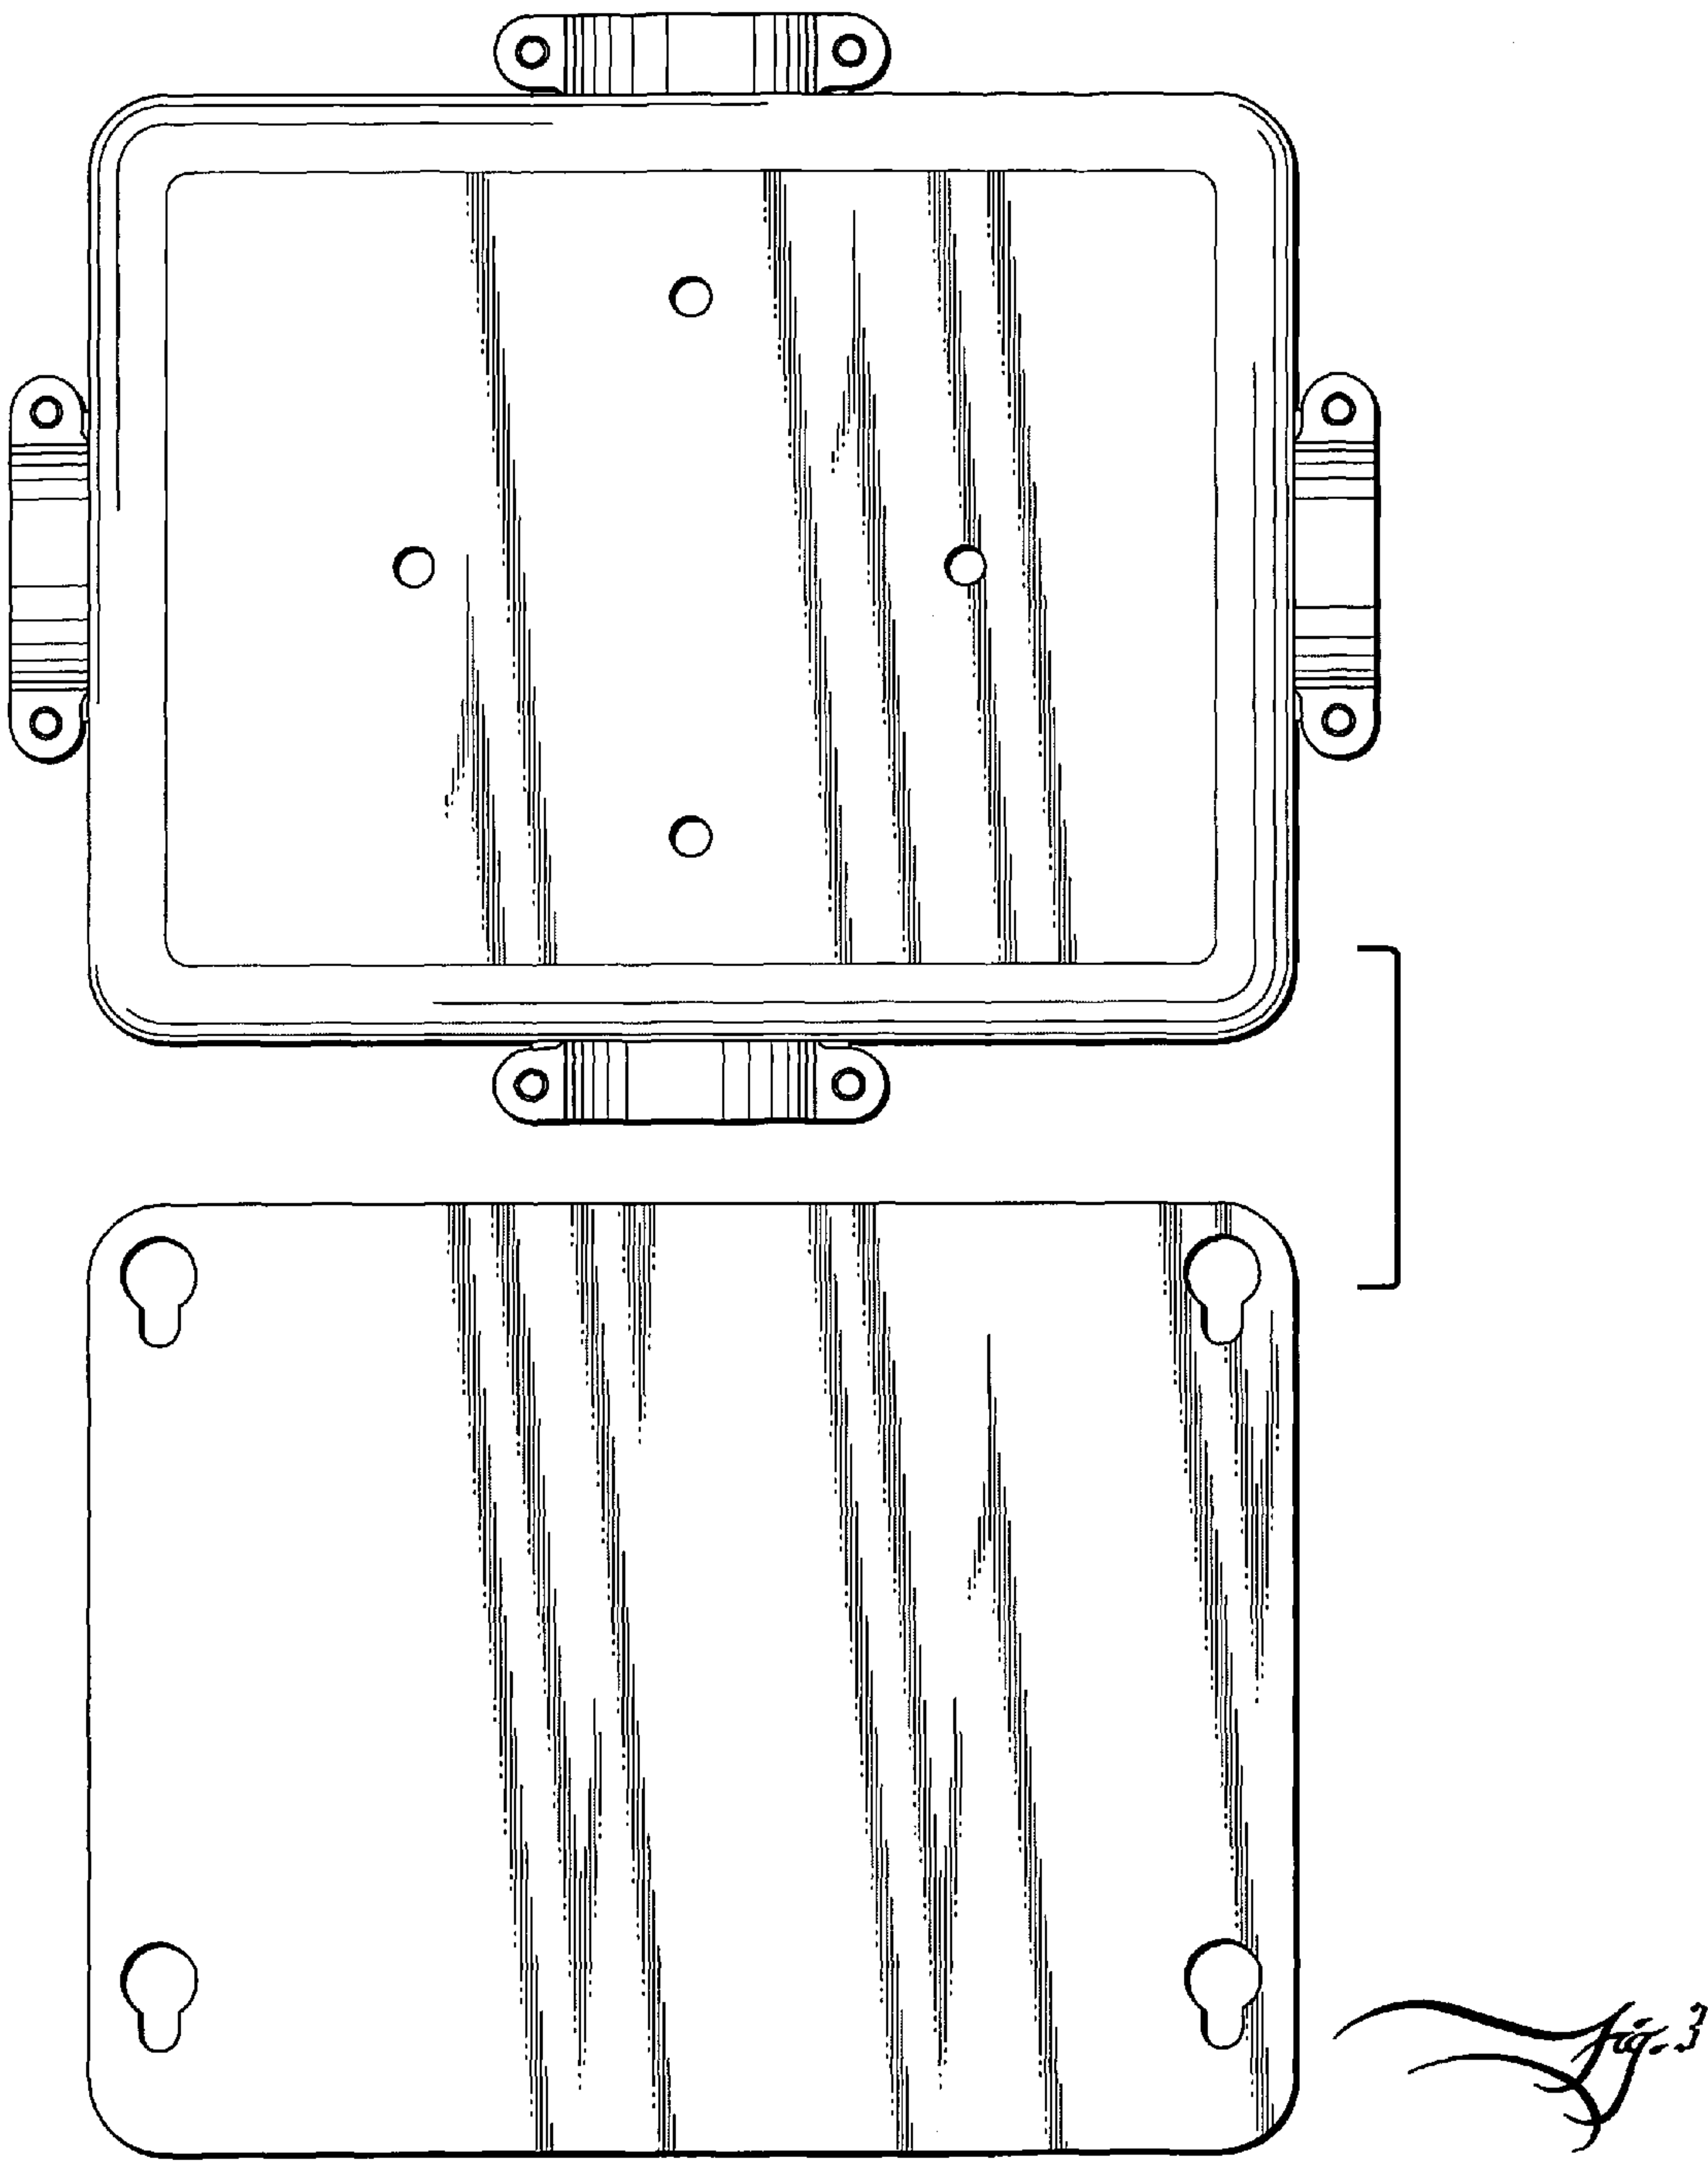

The broken lines in FIG. 1 depicting electrical conduits or cables are environmental, and form no part of the claim.

1 Claim, 4 Drawing Sheets
