(57) **CLAIM**

The ornamental design for a gear housing assembly with a power-output shaft, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a gear housing assembly with a power-output shaft of the present invention.

FIG. 2 is a rear view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 3 is a top plan view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 4 is a bottom view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 5 is a right side view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 6 is a left side view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 7 is a 7-7 end view of the gear housing assembly with a power-output shaft of FIG. 1.

FIG. 8 is a perspective view of the gear housing assembly with a power-output shaft of FIG. 1; and,

FIG. 9 is a reference view showing the gear housing assembly with a power-output shaft of FIG. 1 in use.

The broken lines shown in the drawings are included for the purpose of illustrating portions of the article that form no part of the claimed design.
