(57) **CLAIM**

The ornamental design for the retail security and display device, as shown.

DESCRIPTION

FIG. 1 is a top perspective exploded view of a retail security and display device;

FIG. 2 is the front plan view of the retail security and display device;

FIG. 3 is a top plan view of the retail security and display device;

FIG. 4 is a back plan view of the retail security and display device;

FIG. 5 is a side plan view of the retail security and display device; and,

FIG. 6 is a bottom plan view of the retail security and display device.

The broken line showing of an opening in FIG. 6 is included for the purpose of illustrating portions of the “article” and forms no part of the claimed design.
