(57) **CLAIM**

We claim the ornamental design for a transaction card with glowing indicator, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of an embodiment of a transaction card with a glowing indicator; FIG. 2 is a right and left elevational view of FIG. 1; and, FIG. 3 is a top and bottom elevational view of FIG. 1. The broken lines are for illustrative purposes only and form no part of the claimed design. The broken line rectangle is the boundary of the illuminated portion. The radiating lines illustrate the glow of the illumination.
