(57) **CLAIM**

The ornamental design for an absorbent article with a pattern,
as shown and described.

DESCRIPTION

The sole FIGURE is a development view of an absorbent
article with a pattern, showing our new design.

The broken line showing of the diaper tabs and ears are
included for the purpose of illustrating environment and
forms no part of the claimed design.

The broken lines on the absorbent article itself with the
appearance of stitching form a part of the claimed design.
