(57) **CLAIM**

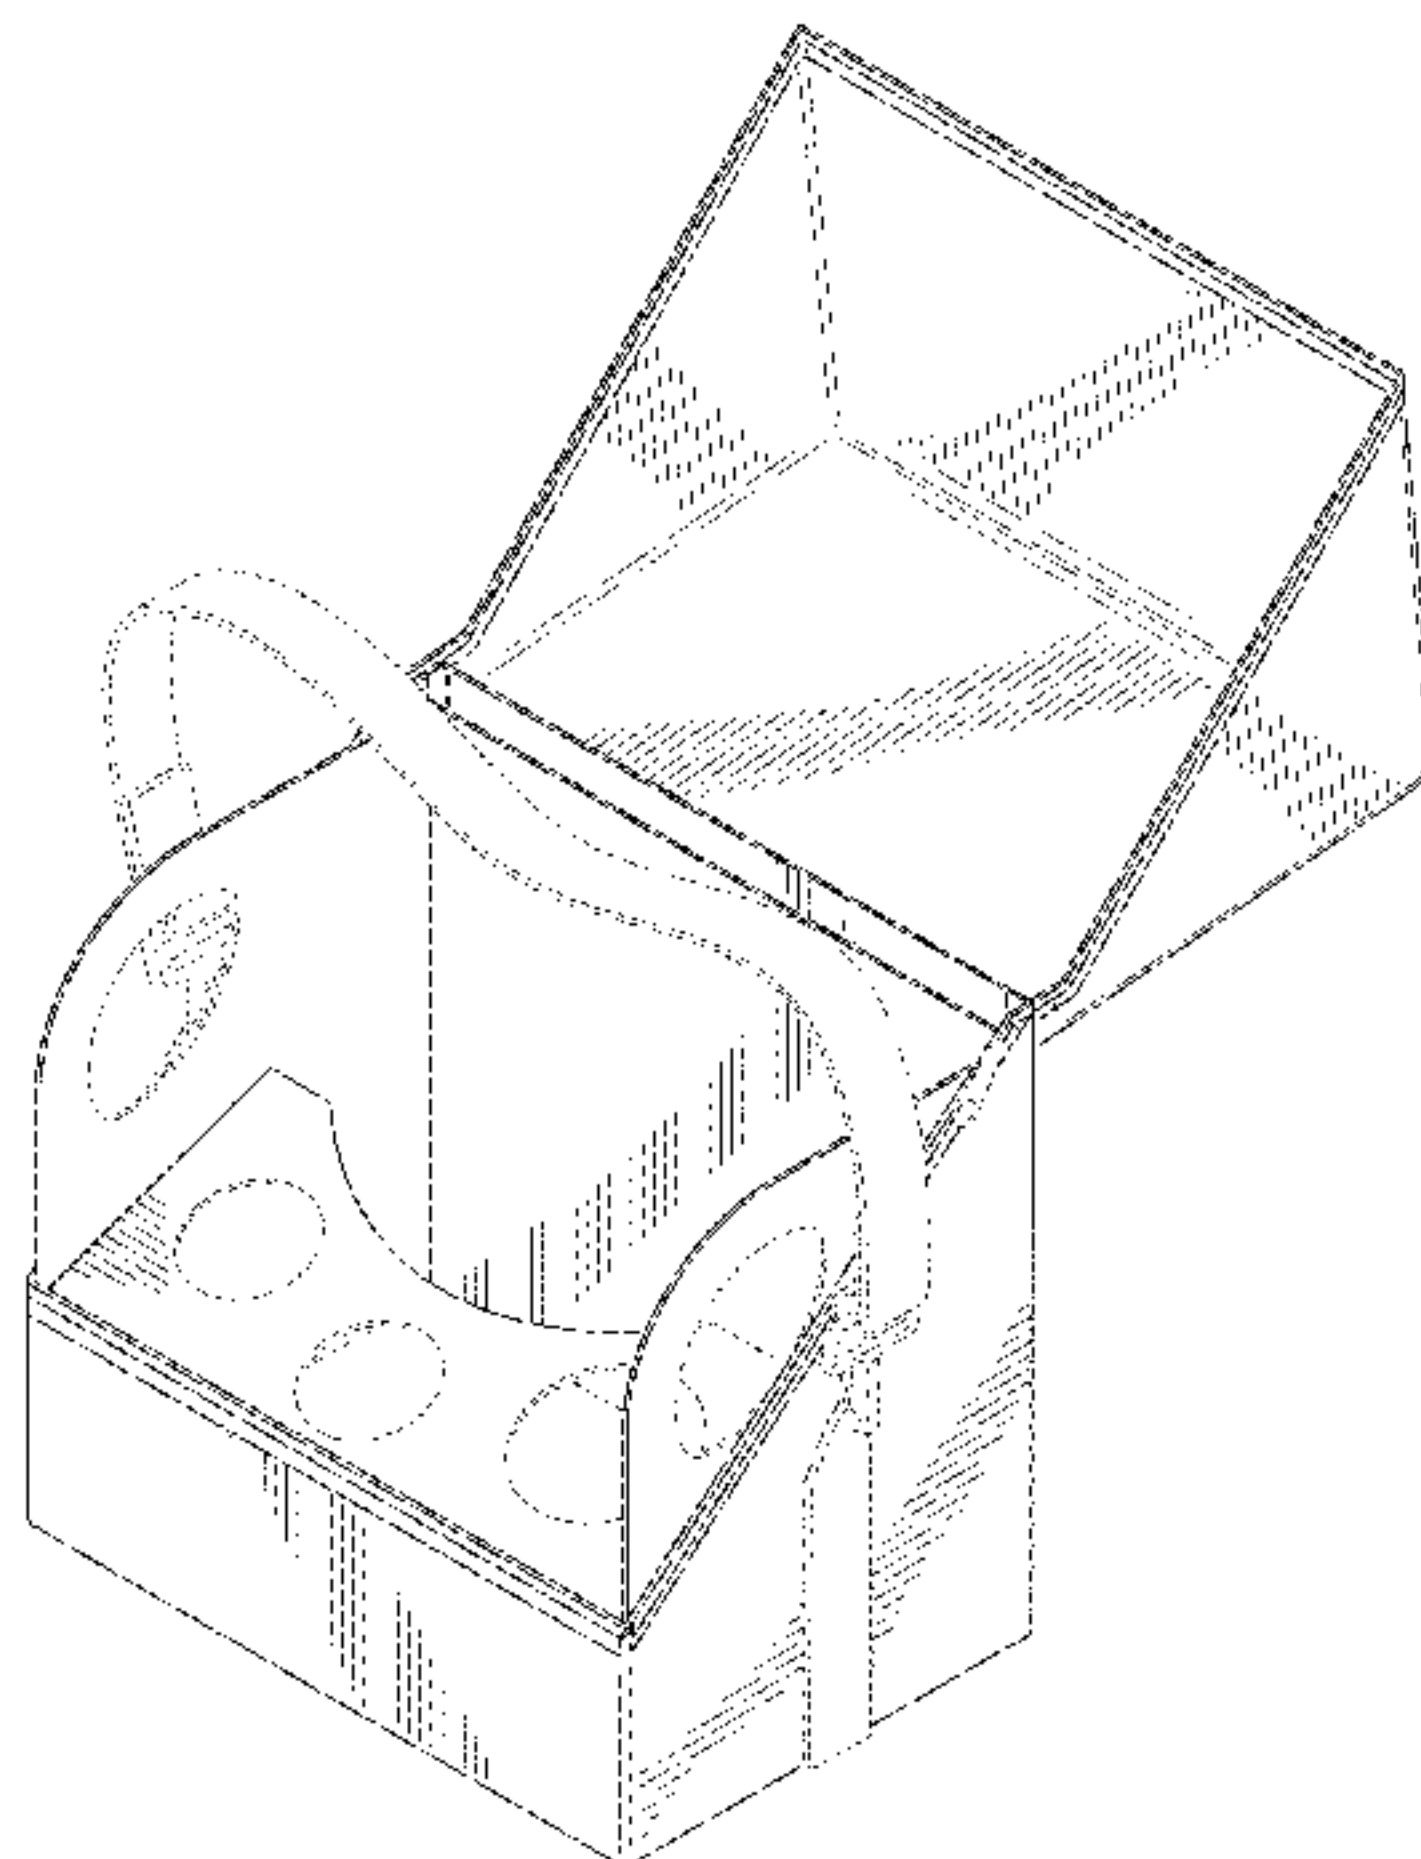

The ornamental design for a combined hair tool holder and travel case, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a combined hair tool holder and travel case showing a new design;  
FIG. 2 is a front elevation view thereof;  
FIG. 3 is a back elevation view thereof;  
FIG. 4 is a right side view thereof, the left side being a mirror image;

FIG. 5 is a top plan view thereof;  
FIG. 6 is a bottom plan view thereof;  
FIG. 7 is another perspective view thereof, showing the combined hair tool holder and travel case in an alternate closed configuration;  
FIG. 8 is another front elevation view thereof, showing the combined hair tool holder and travel case in the alternate closed configuration;  
FIG. 9 is another back elevation view thereof, showing the combined hair tool holder and travel case in the alternate closed configuration;  
FIG. 10 is another right side view thereof, the left side being a mirror image, showing the combined hair tool holder and travel case in the alternate closed configuration;  
FIG. 11 is another top plan view thereof, showing the combined hair tool holder and travel case in the alternate closed configuration;  
FIG. 12 is another bottom plan view thereof, showing the combined hair tool holder and travel case in the alternate closed configuration;  
FIG. 13 is another perspective view thereof, showing the combined hair tool holder and travel case in an alternate configuration removed from a travel case;  
FIG. 14 is another front elevation view thereof, showing the combined hair tool holder and travel case in the alternate configuration removed from the travel case;  
FIG. 15 is another back elevation view thereof, showing the combined hair tool holder and travel case in the alternate configuration removed from the travel case;  
FIG. 16 is another right side view thereof, the left side being a mirror image, showing the combined hair tool holder and travel case in the alternate configuration removed from the travel case;  
FIG. 17 is another top plan view thereof, showing the combined hair tool holder and travel case in the alternate configuration removed from the travel case; and,  
FIG. 18 is another bottom plan view thereof, showing the combined hair tool holder and travel case in the alternate configuration removed from the travel case.  
The dashed lines shown in the drawings are for environmental purposes only and form no part of the claimed design.
