(57) **CLAIM**

The ornamental design for a transformable electrical plug
device, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a transformable electrical plug
device in one configuration showing our new design.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a right side elevational view thereof.

FIG. 5 is a left side elevational view thereof.

FIG. 6 is a bottom plan view thereof.

FIG. 7 is a top plan view thereof.

FIG. 8 is an isometric view of the transformable electrical
plug device in another configuration.

FIG. 9 is a front elevational view thereof.

FIG. 10 is a rear elevational view thereof.

FIG. 11 is a right side elevational view thereof.

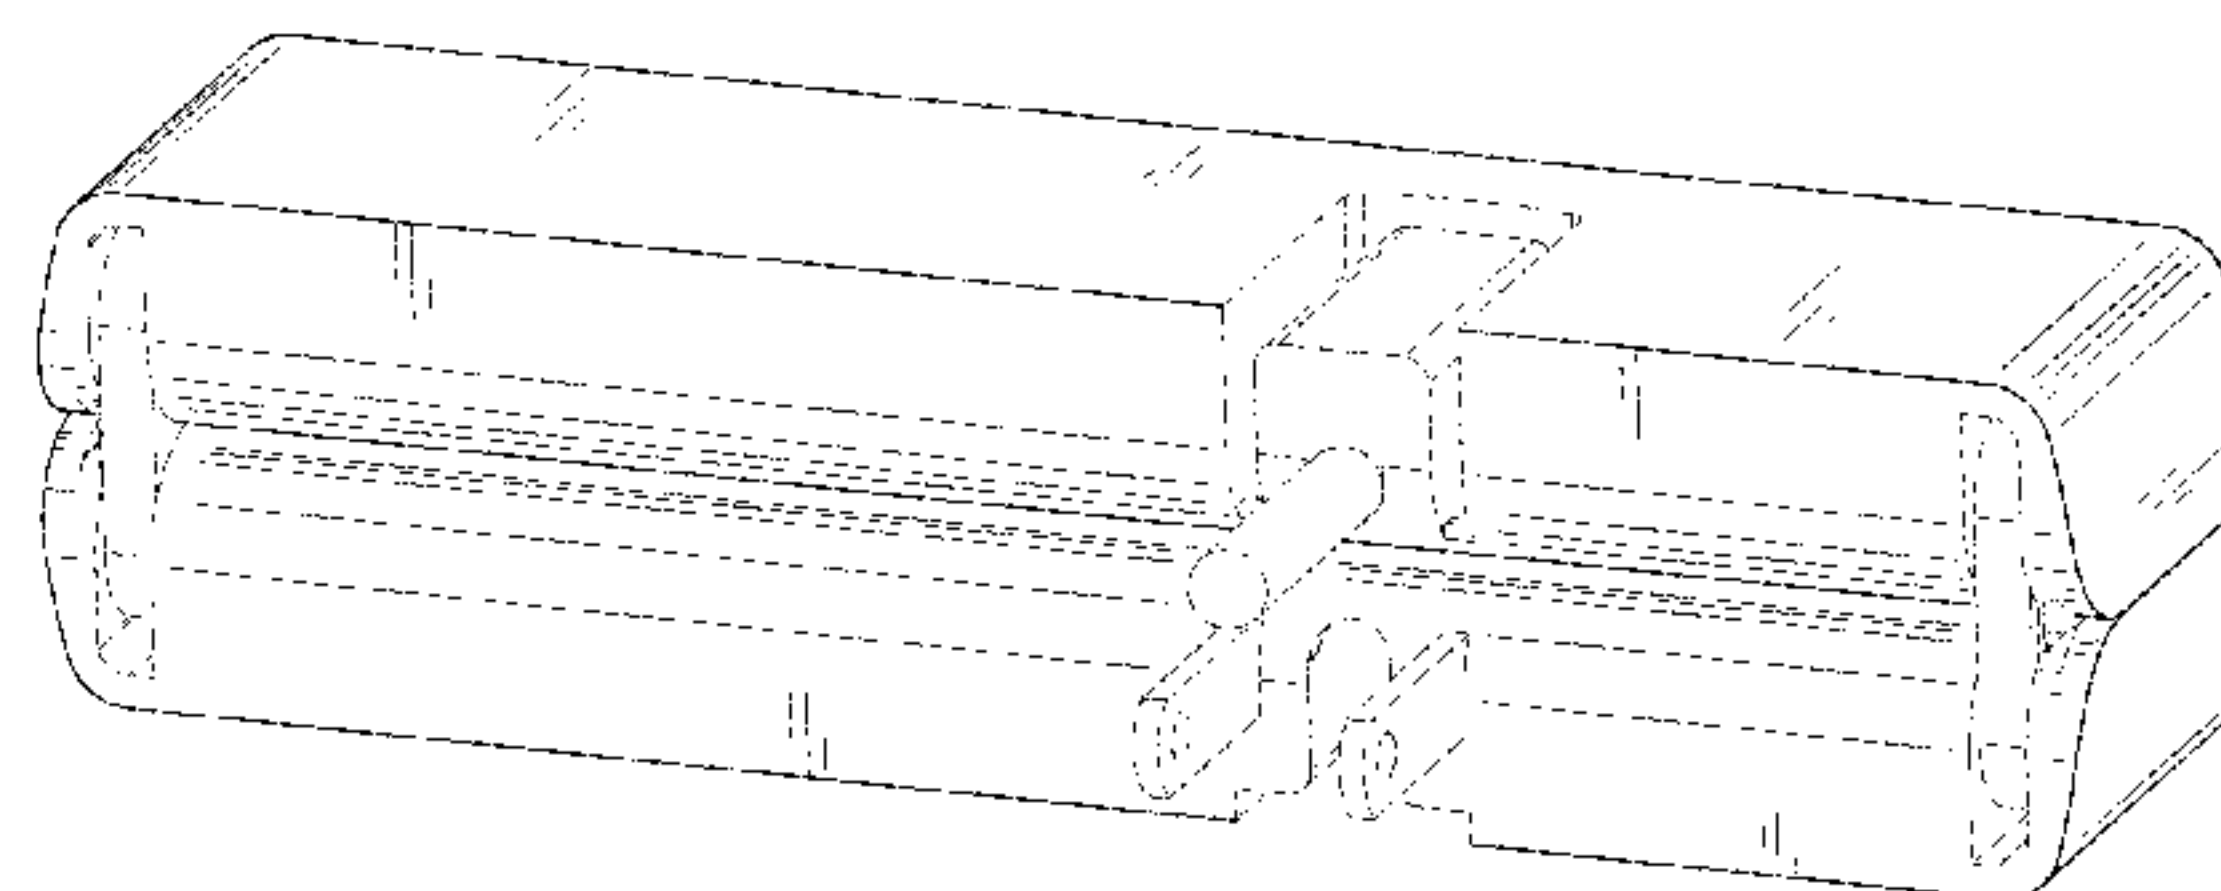

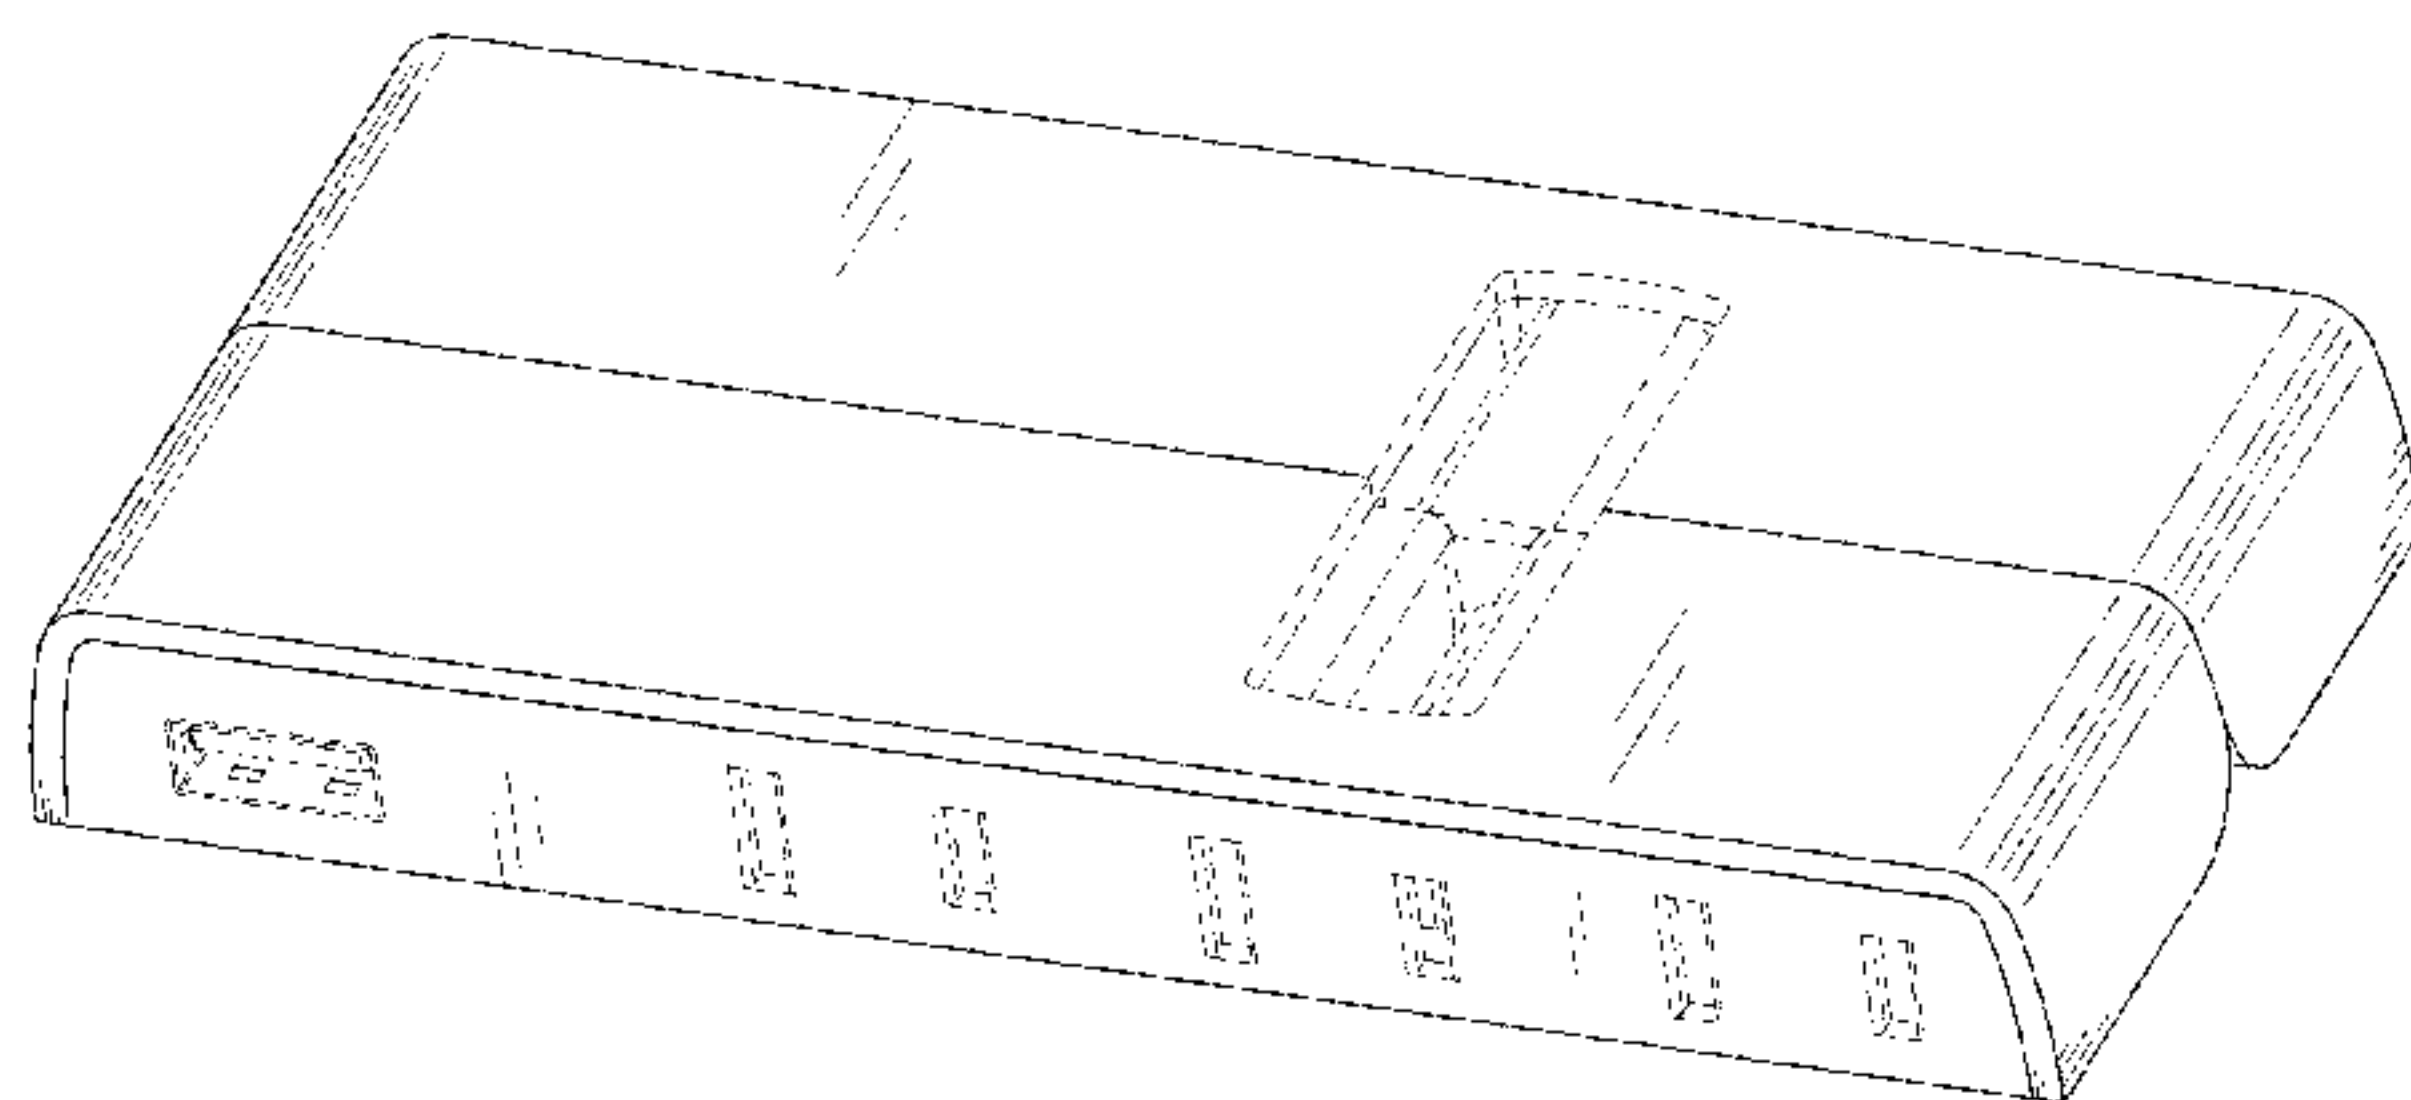

FIG. 12 is a left side elevational view thereof.

FIG. 13 is a bottom plan view thereof; and,

FIG. 14 is a top plan view thereof.

Shading lines shown in the drawings are intended to represent
the approximate three-dimensional contour of the design, and
are not intended to indicate surface decoration. The broken
lines shown represent unclaimed subject matter and form no
part of the claimed design.
