(57) **CLAIM**

We claim the ornamental design for a glove with embroidery on thumb and two fingers, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a glove showing our new design.

FIG. 2 is another perspective view of the glove with our new design.

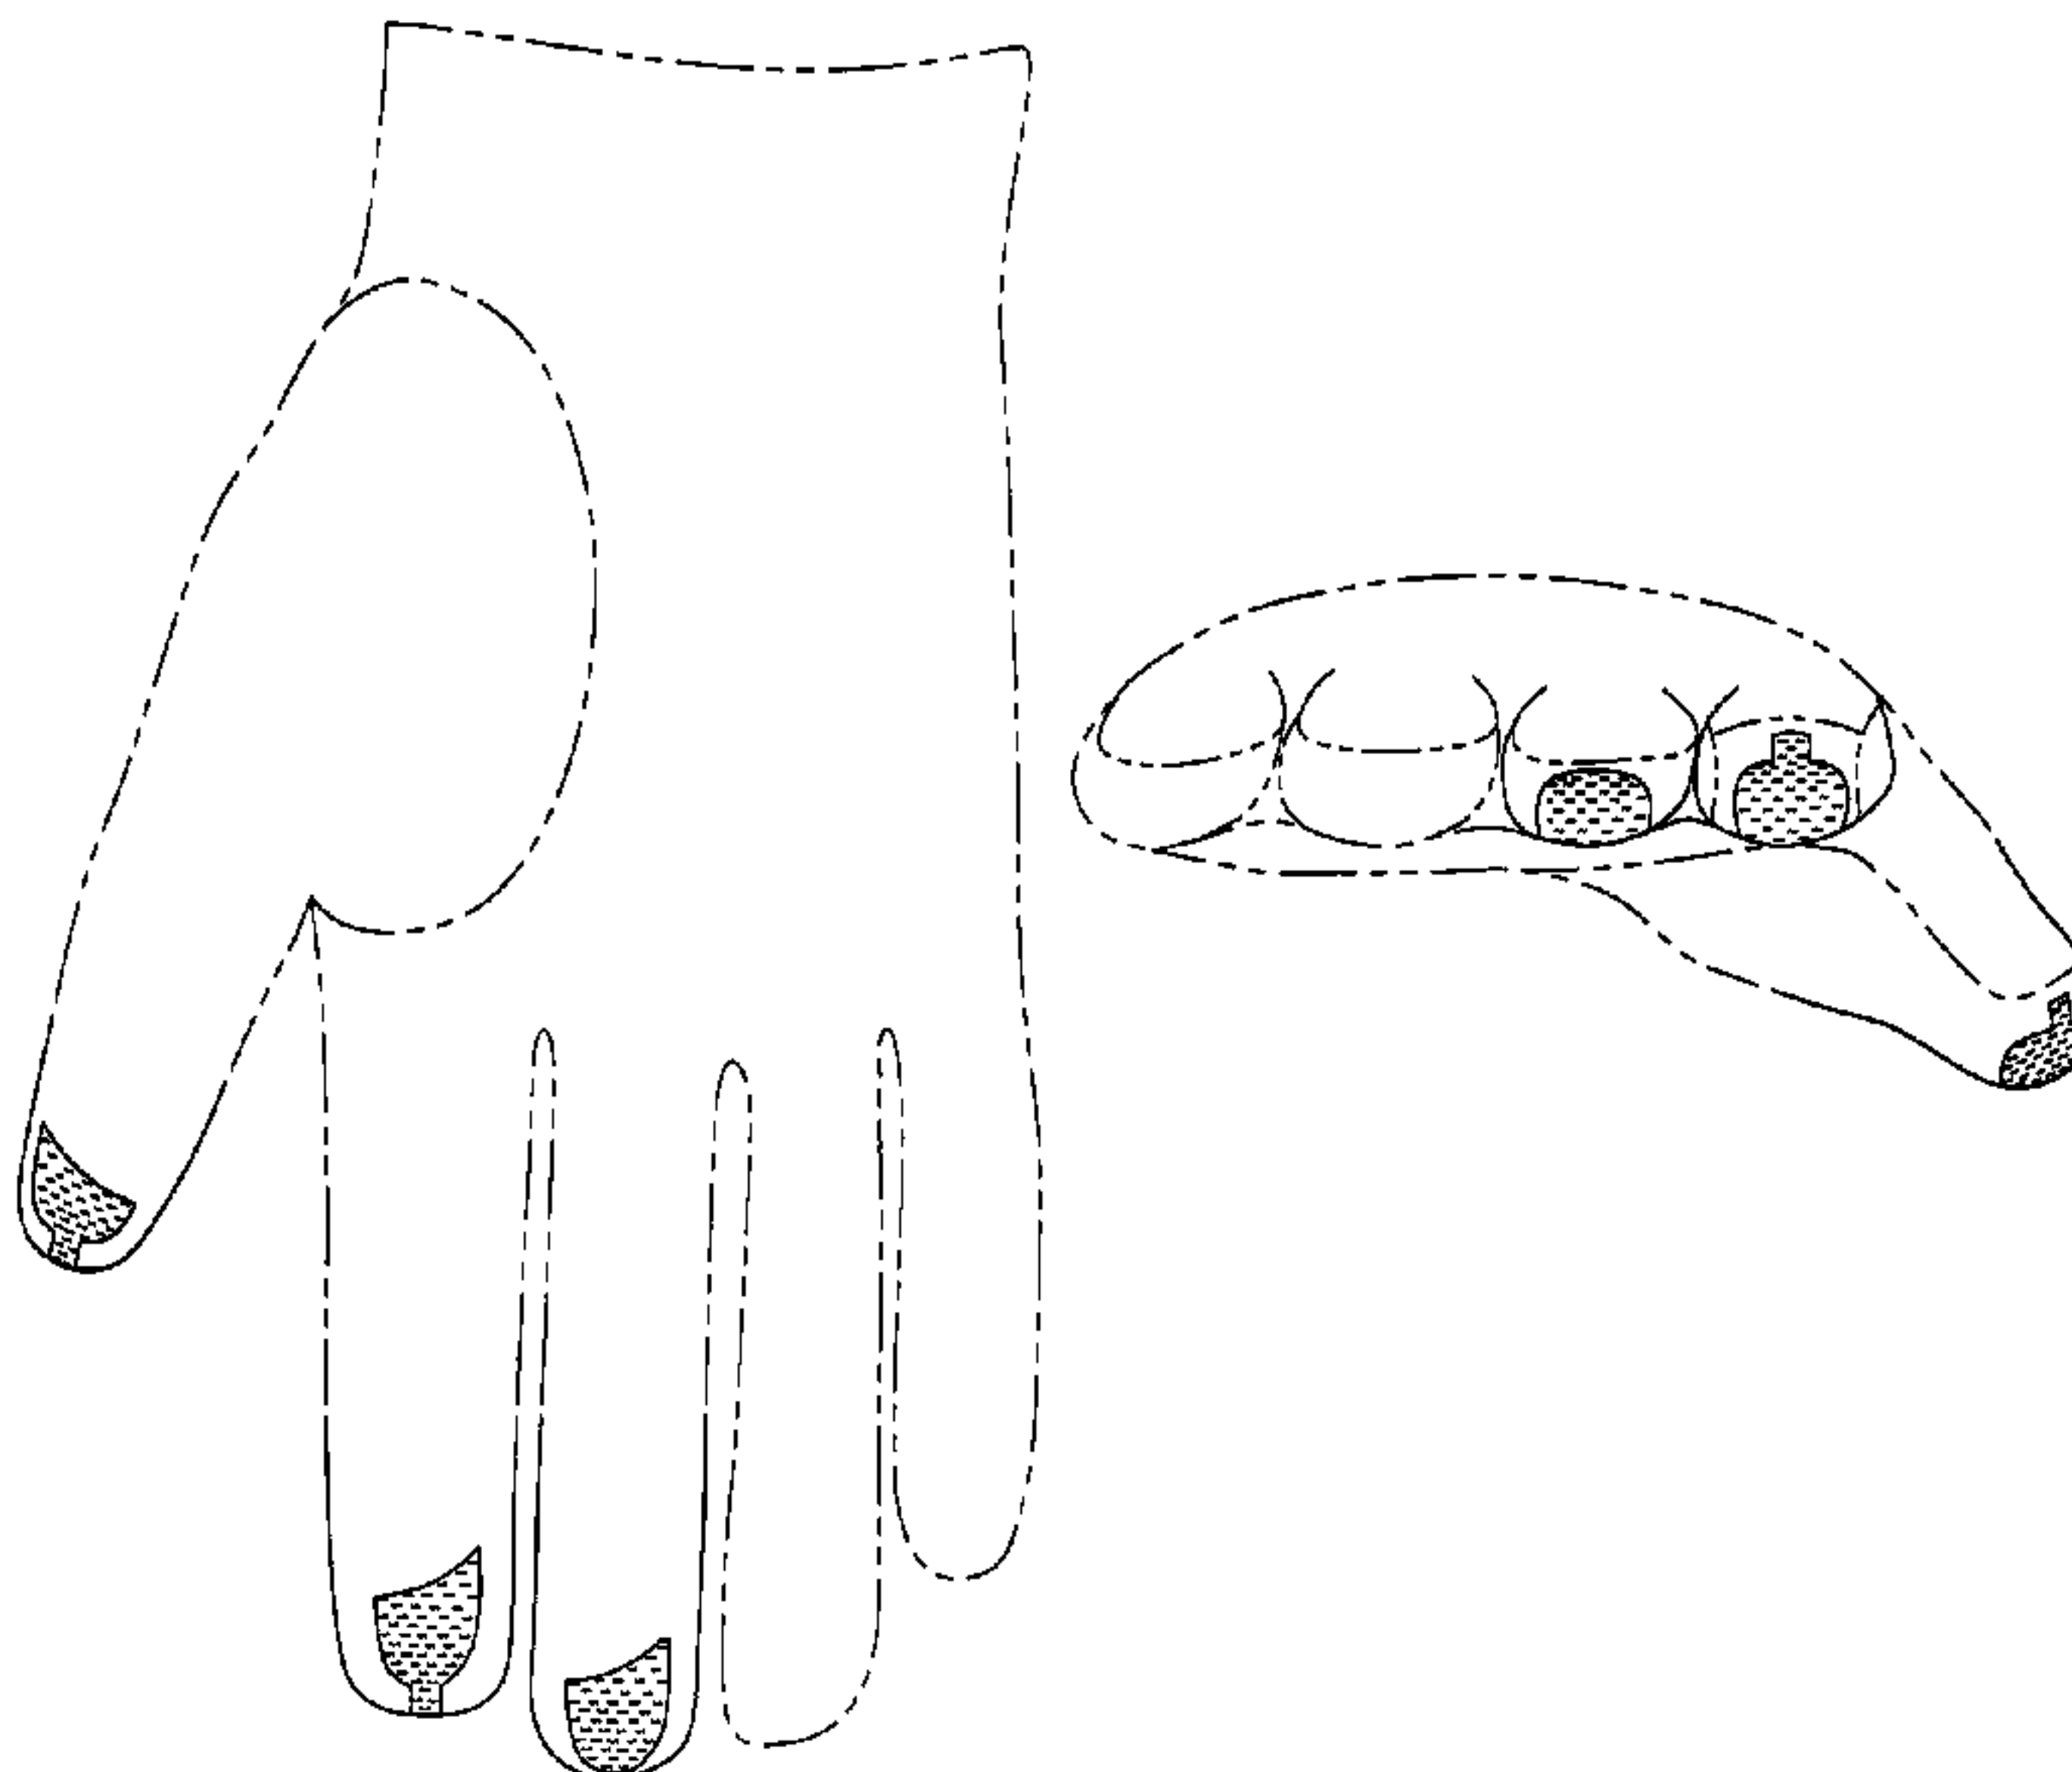

FIG. 3 is a top plan view showing the backhand-side of the glove with our new design.

FIG. 4 is a bottom plan view showing the palm-side of the glove with our new design; and,

FIG. 5 is a front elevation view showing the fingertips of the glove with our new design.

The broken lines in the drawings are included for purposes of illustrating portions of the glove that form no part of the claimed design.
