(57) **CLAIM**

The ornamental design for a package with metallic front and translucent back, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of package with metallic front and translucent back showing my new design;

FIG. 2 is a front elevation view thereof, with shading to show an opaque front panel;

FIG. 3 is a rear elevation view thereof, with shading to show a transparent rear panel;

FIG. 4 is a left side elevation view thereof;

FIG. 5 is a right side elevation view thereof;

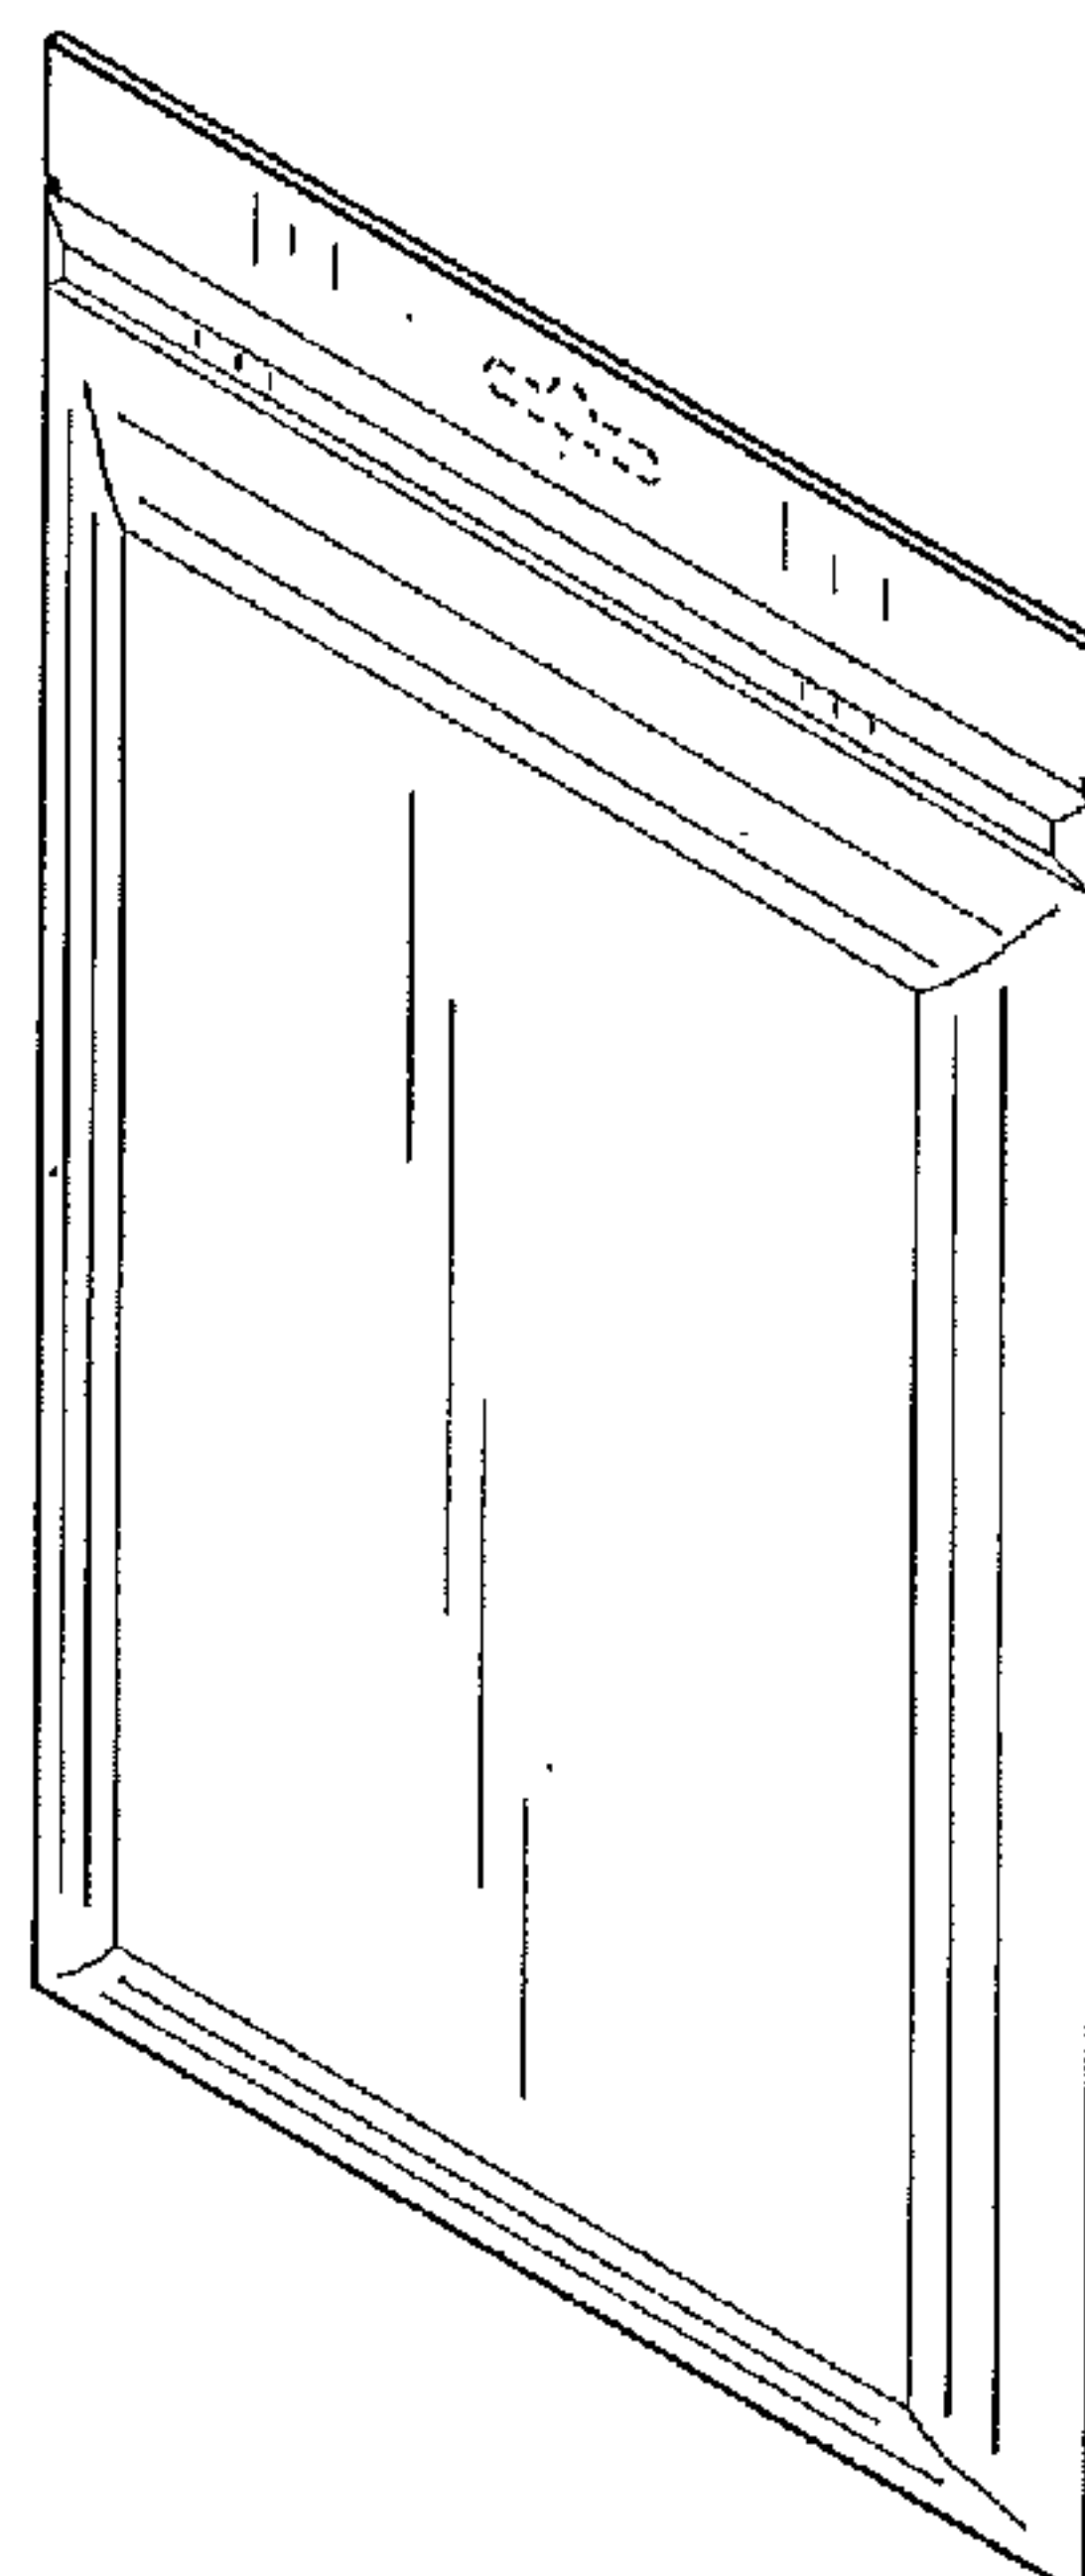

FIG. 6 is a top plan view thereof; and,

FIG. 7 is a bottom plan view thereof.

A product package having an opaque front panel and a translucent rear panel. A re-sealable zip-top is also visible on the front and back of the package with metallic front and translucent back.

The broken lines in the drawings represent unclaimed environmental subject matter.
