(57) **CLAIM**

The ornamental design for a triangle shaped geometrical container with a compartment in the cover, as shown and described.

**DESCRIPTION**

FIG. 1 is an exploded perspective view of a triangle shaped geometrical container with a compartment in the cover shown in an open configuration showing our new design;

FIG. 2 is a perspective view of a triangle shaped geometrical container with a compartment in the cover shown in an open configuration;

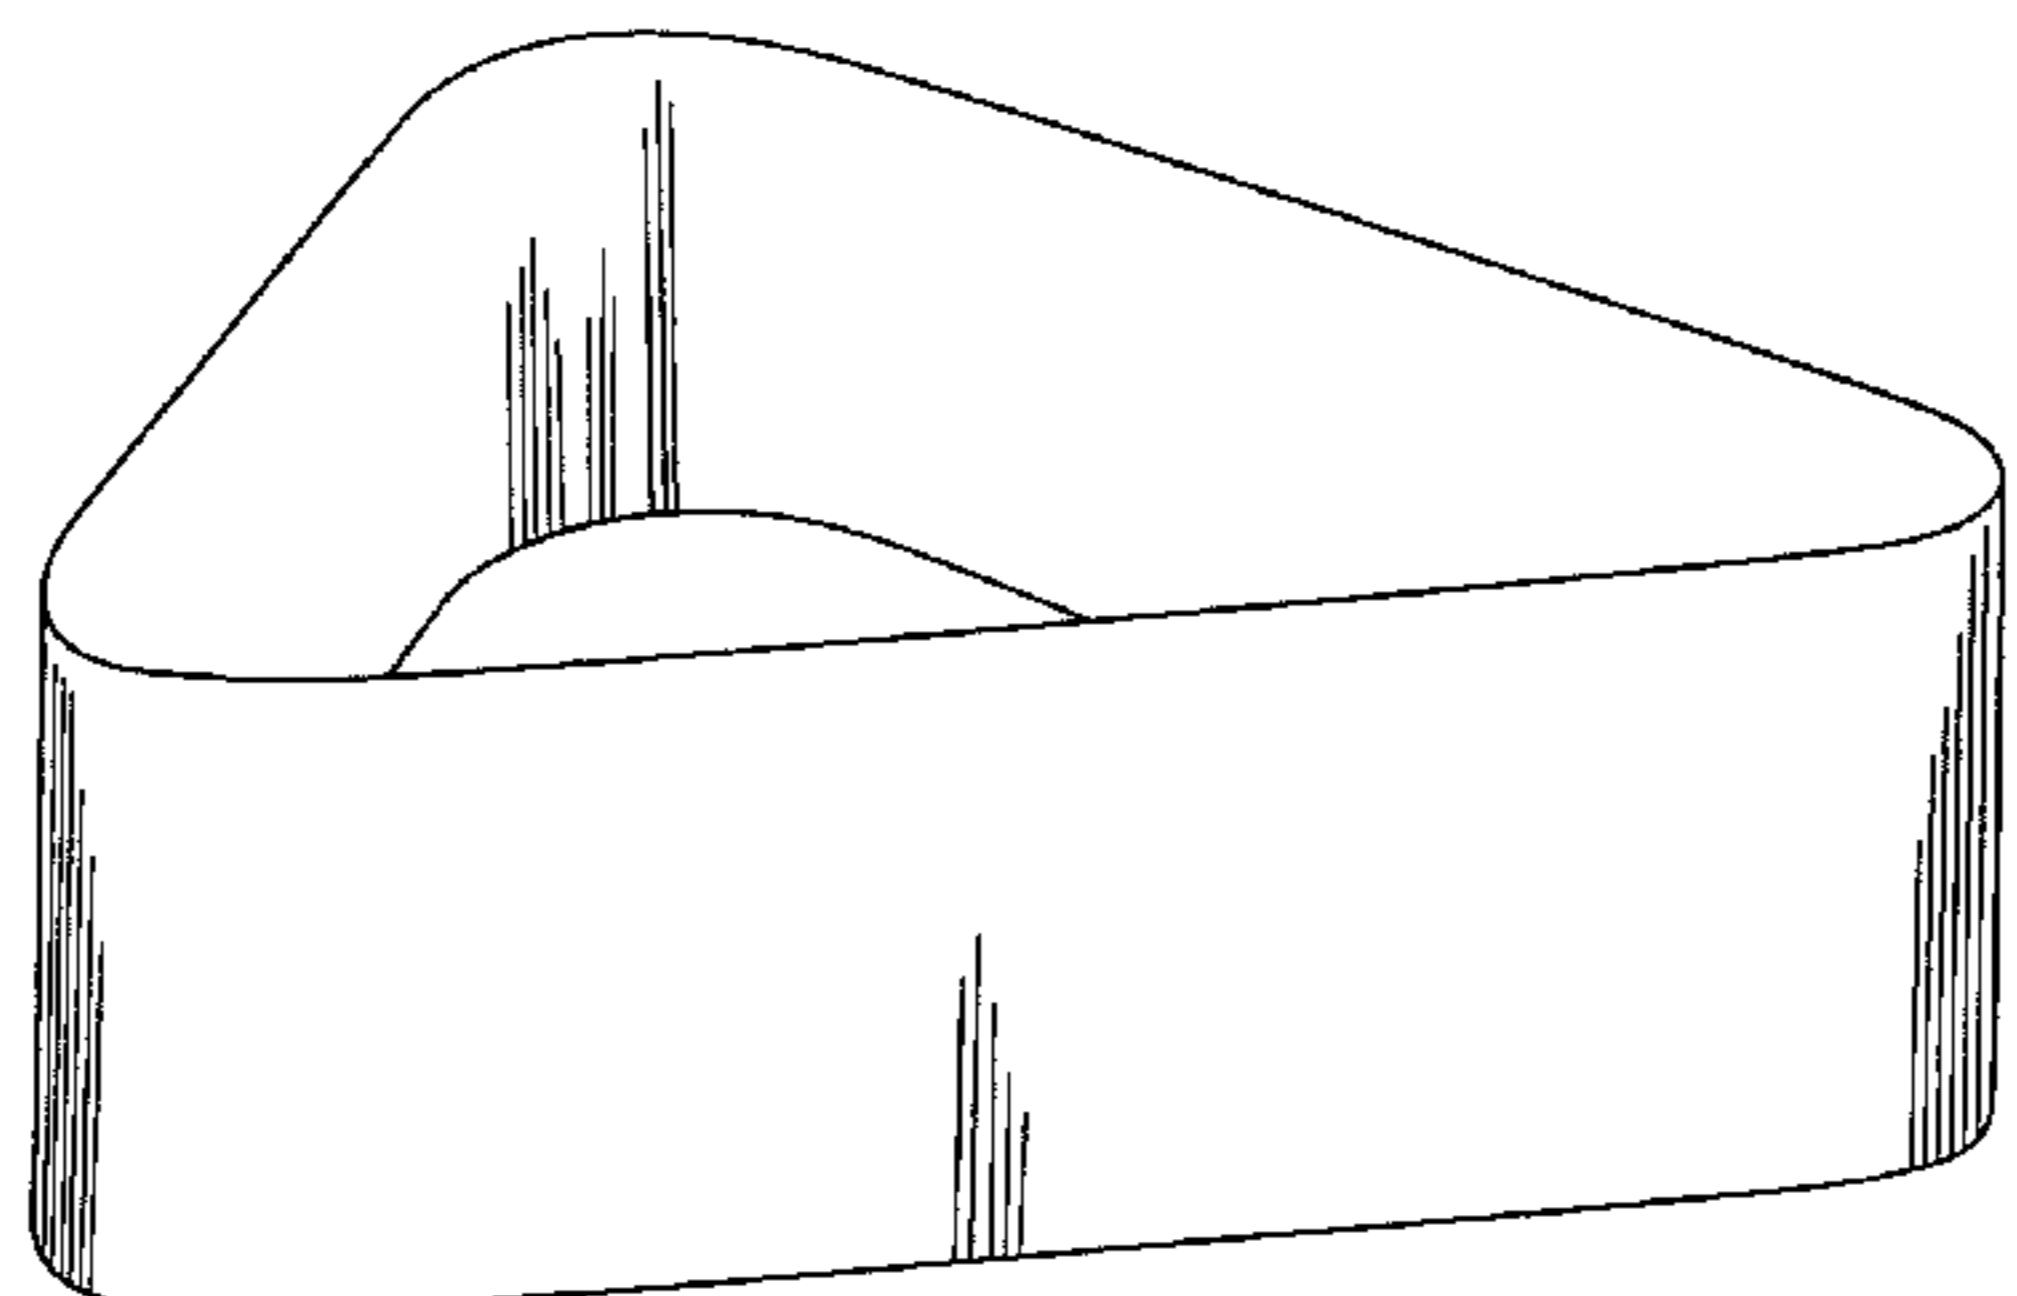

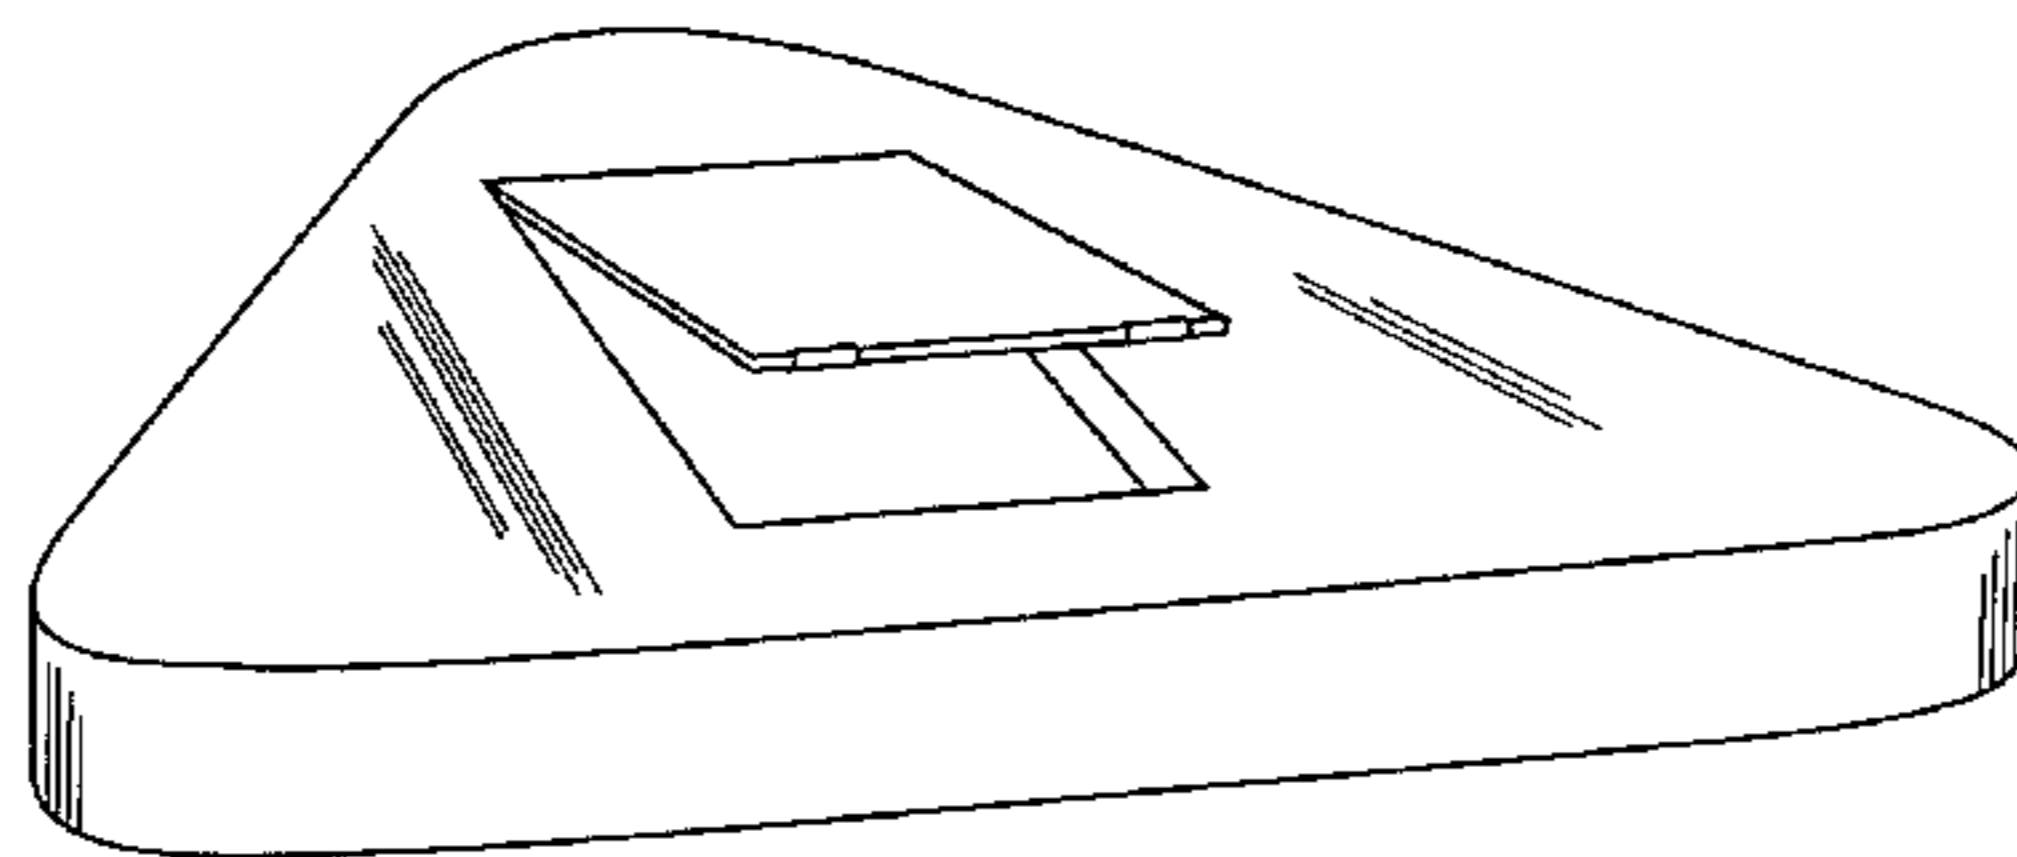

FIG. 3 is an exploded side view of a triangle shaped geometrical container with a compartment in the cover shown in an open configuration;

FIG. 4 is a top plan view of a triangle shaped geometrical container with a compartment in the cover; and,

FIG. 5 is a bottom plan view of a triangle shaped geometrical container with a compartment in the cover.

All surfaces not shown form no part of the claimed design.
