(57) **CLAIM**

The ornamental design for a display screen with graphical user interface with blue indicator bar, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with graphical user interface with blue indicator bar showing the new design.

The broken line showings of elements of the user interface and of the display screen are for environmental purposes only and form no part of the claimed design.
