(57) **CLAIM**

The ornamental design for the combination headrest, blanketing seat cover, blanket, pillow set, as shown and described.

DESCRIPTION

FIG. 1 is a top front right perspective view of the headrest portion of my design, shown separately for clarity of disclosure;

FIG. 2 is a front elevational view of the headrest portion of my design;

FIG. 3 is a top rear left perspective view of the headrest portion of my design;

FIG. 4 is a bottom elevational view of the headrest portion of my design;

FIG. 5 is a rear elevational view of the headrest portion of my design;

FIG. 6 is a bottom left rear elevational view of the headrest portion of my design;

FIG. 7 is a top right rear perspective view of the blanketing seat cover portion of my design, shown separately for clarity of disclosure;

FIG. 8 is a right side elevational view of the blanketing seat cover portion of my design, the left side being a mirror image thereof;

FIG. 9 is a bottom right rear perspective view of the blanketing seat cover portion of my design;

FIG. 10 is a front elevational view of the blanketing seat cover portion of my design;

FIG. 11 is a rear elevational view of the blanketing seat cover portion of my design;

FIG. 12 is a bottom elevational view of the blanketing seat cover portion of my design;

FIG. 13 is a top front left perspective view of the throw blanket portion of my design, shown separately for clarity of disclosure;

FIG. 14 is a bottom right front perspective view of the throw blanket portion of my design;

FIG. 15 is a front elevational view of the throw blanket portion of my design;

FIG. 16 is a right side elevational view of the throw blanket portion of my design, the left side being a mirror image thereof;

FIG. 17 is a rear elevational view of the throw blanket portion of my design;

FIG. 18 is a top front left perspective view of the blanketing seat cover portion of my design blanketing a seat, the broken lines depicting an exemplary seat as environmental structure for illustrative purposes only and form no part of the claimed design;

FIG. 19 is a top elevational view of the blanketing seat cover portion of my design blanketing a seat, the broken lines depicting an exemplary seat as environmental structure for illustrative purposes only and form no part of the claimed design;

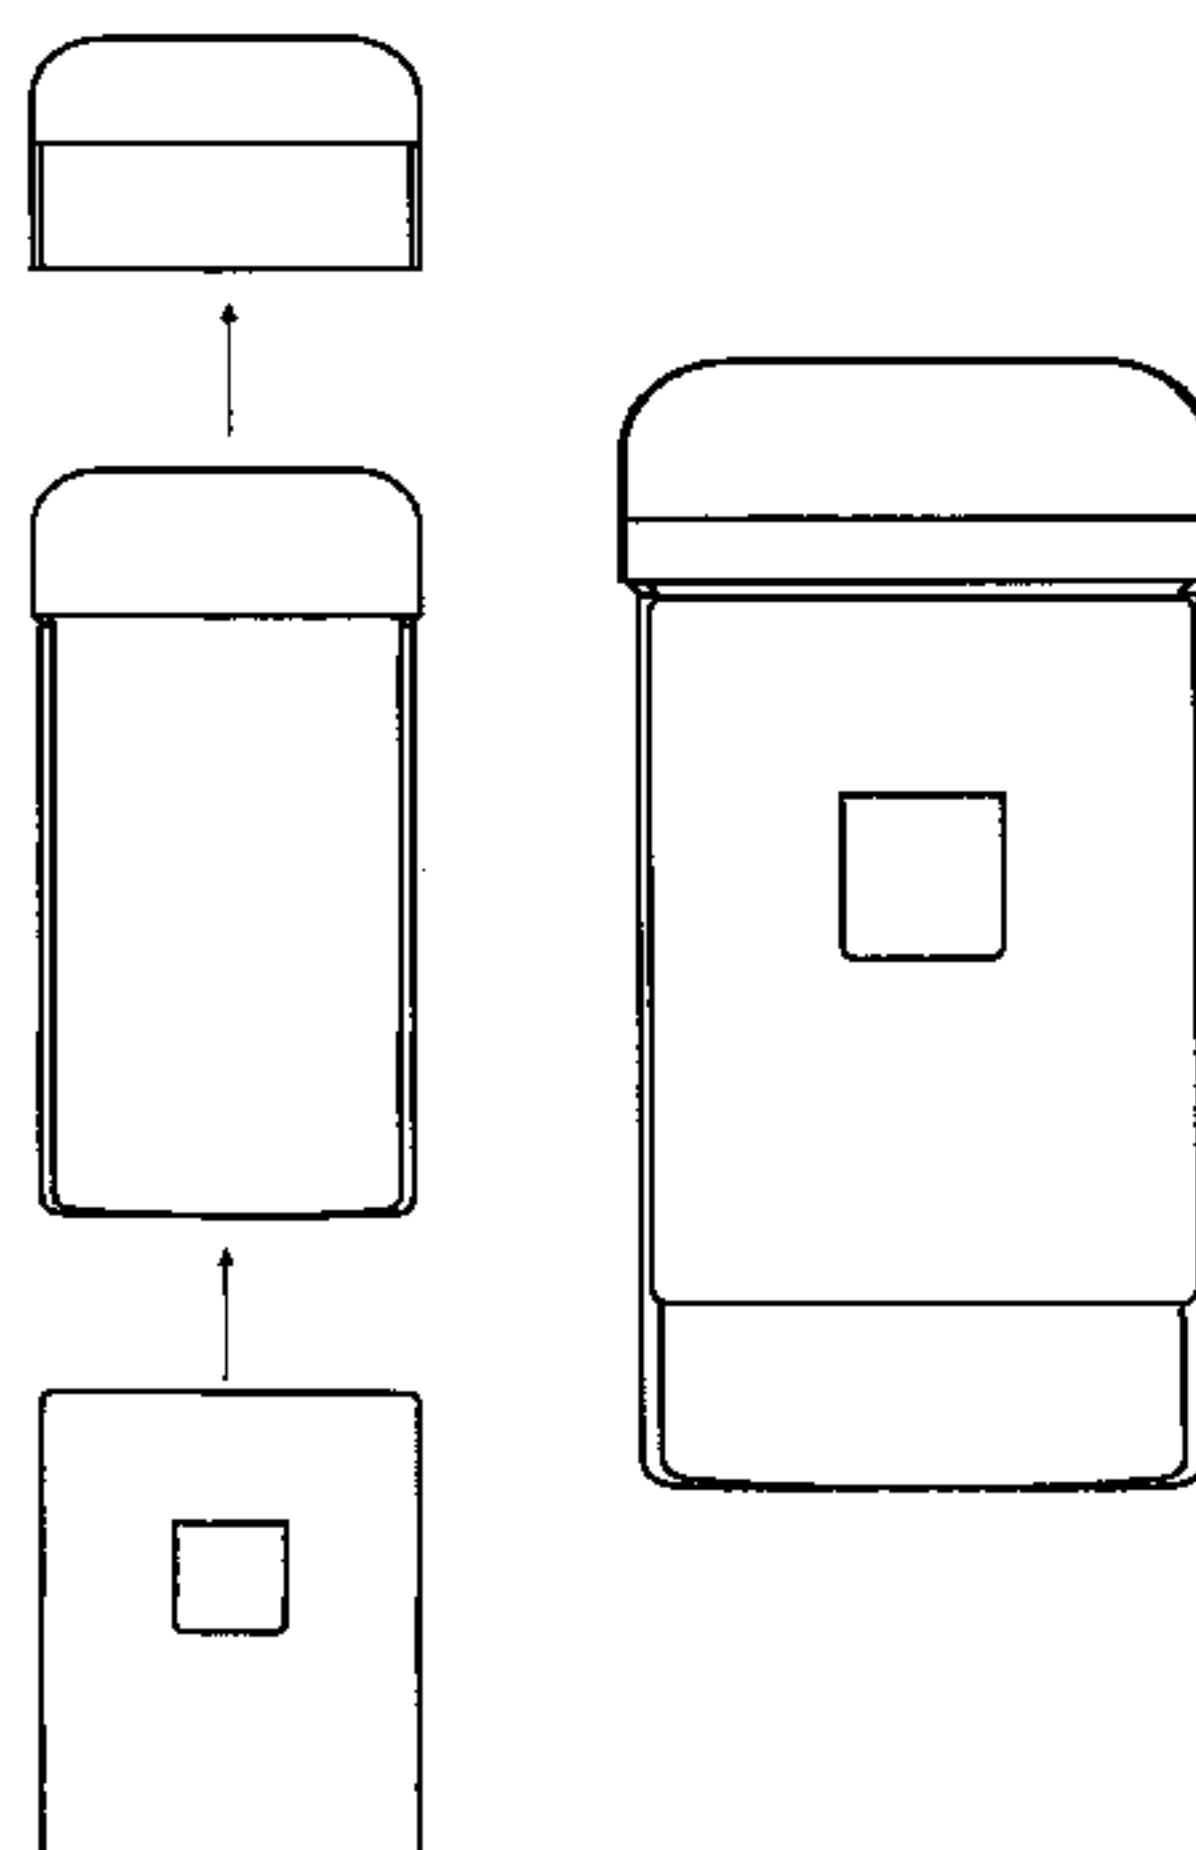

FIG. **20** is a left side elevational view of the blanketing seat cover portion of my design blanketing a seat, the right side being a mirror image thereof, the broken lines depicting an exemplary seat as environmental structure for illustrative purposes only and form no part of the claimed design;

FIG. **21** is a front elevational view of the blanketing seat cover portion of my design blanketing a seat, the broken lines depicting an exemplary seat as environmental structure for illustrative purposes only and form no part of the claimed design;

FIG. **22** is a rear elevational view of the blanketing seat cover portion of my design blanketing a seat, the broken lines depicting an exemplary seat as environmental structure for illustrative purposes only and form no part of the claimed design;

FIG. **23** is an exploded rear perspective view of the headrest, blanketing seat cover and throw blanket portions of my design illustrating the combination, which form the pillow;

FIG. **24** is an exploded front elevational view of the headrest, blanketing seat cover and throw blanket portions of my design illustrating the combination which form the pillow;

FIG. **25** is a bottom rear perspective view of the pillow, formed by the headrest, blanketing seat cover and throw blanket portions of my design folded into one another;

FIG. **26** is a left side elevational view of the pillow, formed by the headrest, blanketing seat cover and throw blanket portions of my design folded into one another, the right side being a mirror image thereof;

FIG. **27** is a top elevational view of the pillow, formed by the headrest, blanketing seat cover and blanket portions of my design folded into one another; and

FIG. **28** is a top left side perspective view of the pillow, formed by the headrest, blanketing seat cover and throw blanket portions of my design folded into one another; and,

FIG. **29** is a front elevational view of the headrest, blanketing seat cover and throw blanket portions of my design illustrating all of the components assembled together as a completed set in an unrolled position.
