(57) **CLAIM**

The ornamental design for a motorcycle footboard heel rest, as shown and described.

DESCRIPTION

FIG. 1 is an as-installed top plan view of a motorcycle footboard heel rest in accordance with a first embodiment of the

present invention shown mounted on a motorcycle footboard, wherein a portion of the motorcycle footboard heel rest shown in dotted lines is disclaimed from the design, wherein the motorcycle footboard is shown for describing an environment in which the motorcycle footboard heel rest is used, and wherein the motorcycle footboard is shown in dotted lines for disclaiming motorcycle footboard from the design;

FIG. 2 is a top plan view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 3 is a bottom plan view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 4 is a front edge view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 5 is a rear edge view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 6 is a right edge view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design; and

FIG. 7 is a left edge view of the motorcycle footboard heel rest of FIG. 1, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 8 is a top plan view of a motorcycle footboard heel rest in accordance with a second embodiment of the present invention, wherein the front edge view and the left side edge view are substantially the same as that shown in FIG. 2 and FIG. 7, respectively;

FIG. 9 is a bottom plan view of the motorcycle footboard heel rest of FIG. 8, wherein a portion shown in dotted lines is disclaimed from the design;

FIG. 10 is a right edge view of the motorcycle footboard heel rest of FIG. 8, wherein a portion shown in dotted lines is disclaimed from the design; and,

FIG. 11 is a rear edge view of the motorcycle footboard heel rest of FIG. 8, wherein a portion shown in dotted lines is disclaimed from the design.
