(57) **CLAIM**

The ornamental design for a motorcycle shift linkage, as shown and described.

DESCRIPTION

FIG. 1 is a perspective side view of the present invention in a position of use.

FIG. 2 is a side view of the present invention.

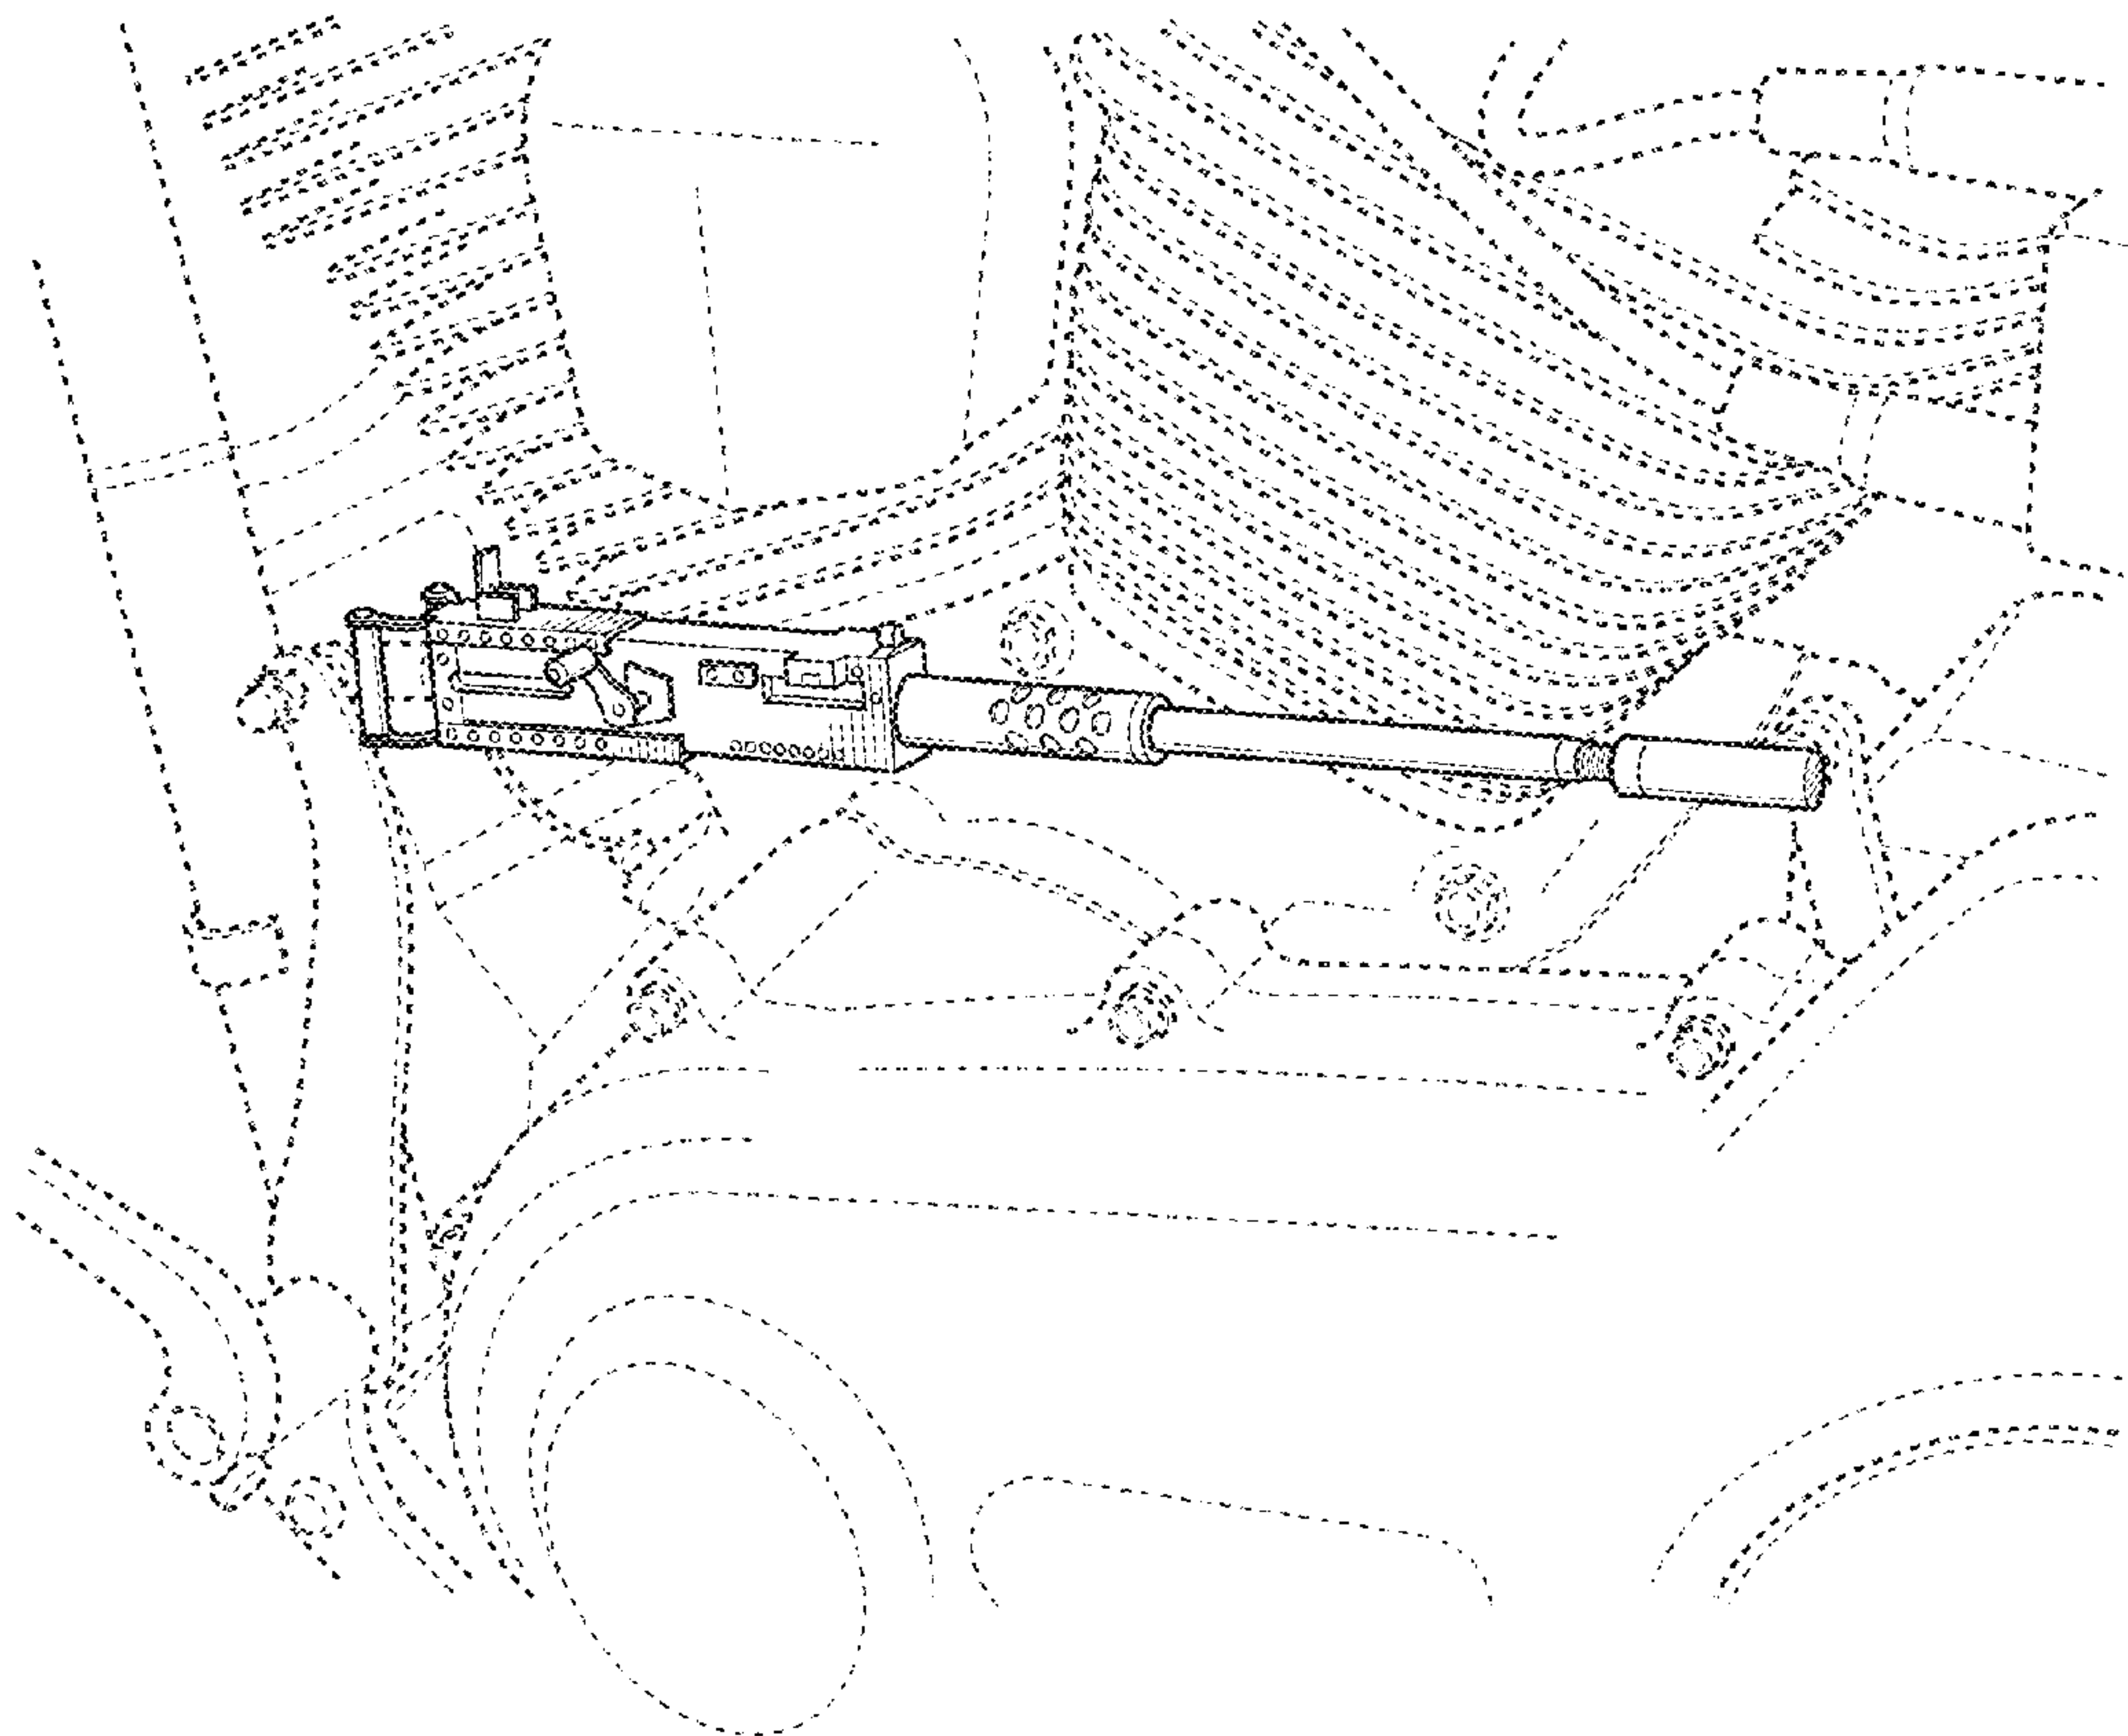

FIG. 3 is an overhead view of the present invention.

FIG. 4 is a end view of the present invention; and,

FIG. 5 is an opposite end view of the present invention.

The broken lines illustrate environmental structure and form no part of the claimed design.
