(57) **CLAIM**

The ornamental design for a sheet material with camouflage pattern, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the U.S. Patent and Trademark Office upon request and payment of the necessary fee.

The sole FIGURE is a top plan view of a sheet material with camouflage pattern according to our new design.

The broken lines surrounding the sheet material with camouflage pattern represent unclaimed boundaries. The thickness of the sheet material with camouflage pattern forms no part of the claimed design.
