(57) **CLAIM**

The ornamental design for a mobile terminal with a graphic user interface, as shown and described.

DESCRIPTION

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of a mobile terminal with a graphic user interface; and,

FIG. 2 is a front view of the mobile terminal of FIG. 1.

The broken line showings of the mobile terminal are included for the purpose of illustrating environmental structure. The broken line drawings outlining the images within the graphic user interface are for the purpose of illustrating portions of the mobile terminal with a graphic user interface. The broken lines form no part of the claimed design.
