(57) **CLAIM**

We claim the ornamental design for a display screen with a graphical user interface of a social network presentation system, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with a graphical user interface of a social network presentation system showing our new design.

The broken line showing the display screen forms no part of the claimed design.

The broken lines showing text and symbols are included to show layout and form no part of the claimed design.
