CLAIM

(57) The ornamental design for a top sheet of an incontinence pad, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a top sheet for an incontinence pad showing our new design. The outermost perimeter depicts a portion of the top sheet of an incontinence pad that forms no part of the claimed design. The claimed design is limited to the portion of the drawing that is shown in solid lines between the innermost of the two outer parallel peripheries and the large interior shape that is drawn in broken lines. The broken lines, including the numerous circles drawn in broken lines, form no part of the claimed design.
