(57) **CLAIM**

The ornamental design for an “absorbent article with a pattern,” as shown and as described.

DESCRIPTION

The sole FIGURE is a development view of an absorbent article with a pattern, showing our new design.

In the figure, the shading represents an area having a color that contrasts with the color of the area that does not have shading. The broken lines showing on the diaper tabs are included for the purpose of illustrating environment and forms no part of the claimed design.

The thicker broken lines seen on the absorbent article is stitching and/or pattern and is a part of the claimed design.
