(57) **CLAIM**

The ornamental design for a spinning top with surface ornamentation, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a first embodiment of a spinning top with surface ornamentation showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a front elevation view thereof, the rear elevation view being a mirror image;

FIG. 5 is a right side elevation view thereof, the left side elevation view being a mirror image;

FIG. 6 is a top plan view of a second embodiment of a spinning top with surface ornamentation showing my new design;

FIG. 7 is a top plan view of a third embodiment of a spinning top with surface ornamentation showing my new design; and,

FIG. 8 is a top plan view of a fourth embodiment of a spinning top with surface ornamentation showing my new design.

The broken lines in the figures are included for the purpose of illustrating portions of the spinning top with surface ornamentation that form no part of the claimed design.

**1 Claim, 5 Drawing Sheets**
