(57) **CLAIM**

The ornamental design for a wing-chun training device, as
shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a wing-chun training device
according to the invention.

FIG. 2 is a front view of the device according to the invention.
FIG. 3 is a side view of the device according to the invention.
FIG. 4 is a perspective view of the device according to the
invention, shown without the removable posts for complete-
ness of illustration.

FIG. 5 is a front view of the device according to the invention,
shown without the removable posts for completeness of illus-
tration; and,

FIG. 6 is a side view of the device according to the invention,
shown without the removable posts for completeness of illus-
tration.
