(57) **CLAIM**

The ornamental design for a product package for disposable
diapers or wipes, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawing(s) will be provided by the
Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a first embodiment of product pack-
age for disposable diapers or wipes showing our new design,
wherein the rectangular shape comprises a purple color; and,
FIG. 2 is a front view of a second embodiment of product
package for disposable diapers or wipes showing our new
design, wherein the rectangular shape comprises a purple
color.

The broken lines at the perimeter of the drawings represent
the boundaries of the claim and form no part thereof. The
product package for disposable diapers or wipes is flat and
planar.

The claim includes the solid rectangular shapes, solid square
shapes, and solid lines. The broken lines inside the perimeter
represent portions of the product package for disposable dia-
pers or wipes that form no part of the claimed design.
