DESCRIPTION

FIG. 1 is a top, front, left side perspective view of a bottle showing my new design;

FIG. 2 is a front elevational view thereof, the rear elevational view, left side elevational view, and right side elevational view being identical;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a bottom plan view thereof.

The broken lines shown in the drawings of the upper neck and pour spout portion and of the central bottom surface portion are included for the purpose of illustrating environmental structure and form no part of the claimed design.
