(57) **CLAIM**

The ornamental design for a display screen with icon set, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with icon set showing the new design.

The broken line showing of the portion of a display screen is for the purpose of illustrating environmental structure and forms no part of the claimed design. The icon set is arranged relatively on the drawing sheet for the convenience of display and their relative positioning forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
