CLAIM

The ornamental design for a paper product, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a paper product showing our new ornamental design.

The solid lines and the unclaimed dashed broken lines forming a perimeter around the paper product represent the boundaries of the claim. The dashed broken lines within the perimeter and the thickness of the paper product form no part of the claimed design. The claim includes the solid lines on the top and bottom perimeter, the dotted curved lines in the middle portion of the paper product and the interstitial spaces. Surfaces or portions not shown in the drawing or described in the specification form no part of the claimed design.
