(57) **CLAIM**

The ornamental design for an aspirator tube, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, right side perspective view of an aspirator tube showing our new design;
FIG. 2 is a front, bottom, left side perspective view thereof, wherein the plunger of the aspirator tube is fully extended;
FIG. 3 is a front, bottom, left side perspective view thereof, wherein the plunger of the aspirator tube is partially depressed;
FIG. 4 is a front, bottom perspective view thereof, wherein the plunger of the aspirator tube is fully depressed; and,
FIG. 5 is a front elevation view thereof.

The broken lines shown in FIGS. 1-5 of the aspirator tube are for the purpose of illustrating environment, and forms no part of the claimed design.
