(57) **CLAIM**

The ornamental design for an animated thermostat panel for a display screen or portion thereof, as shown and described.

**DESCRIPTION**

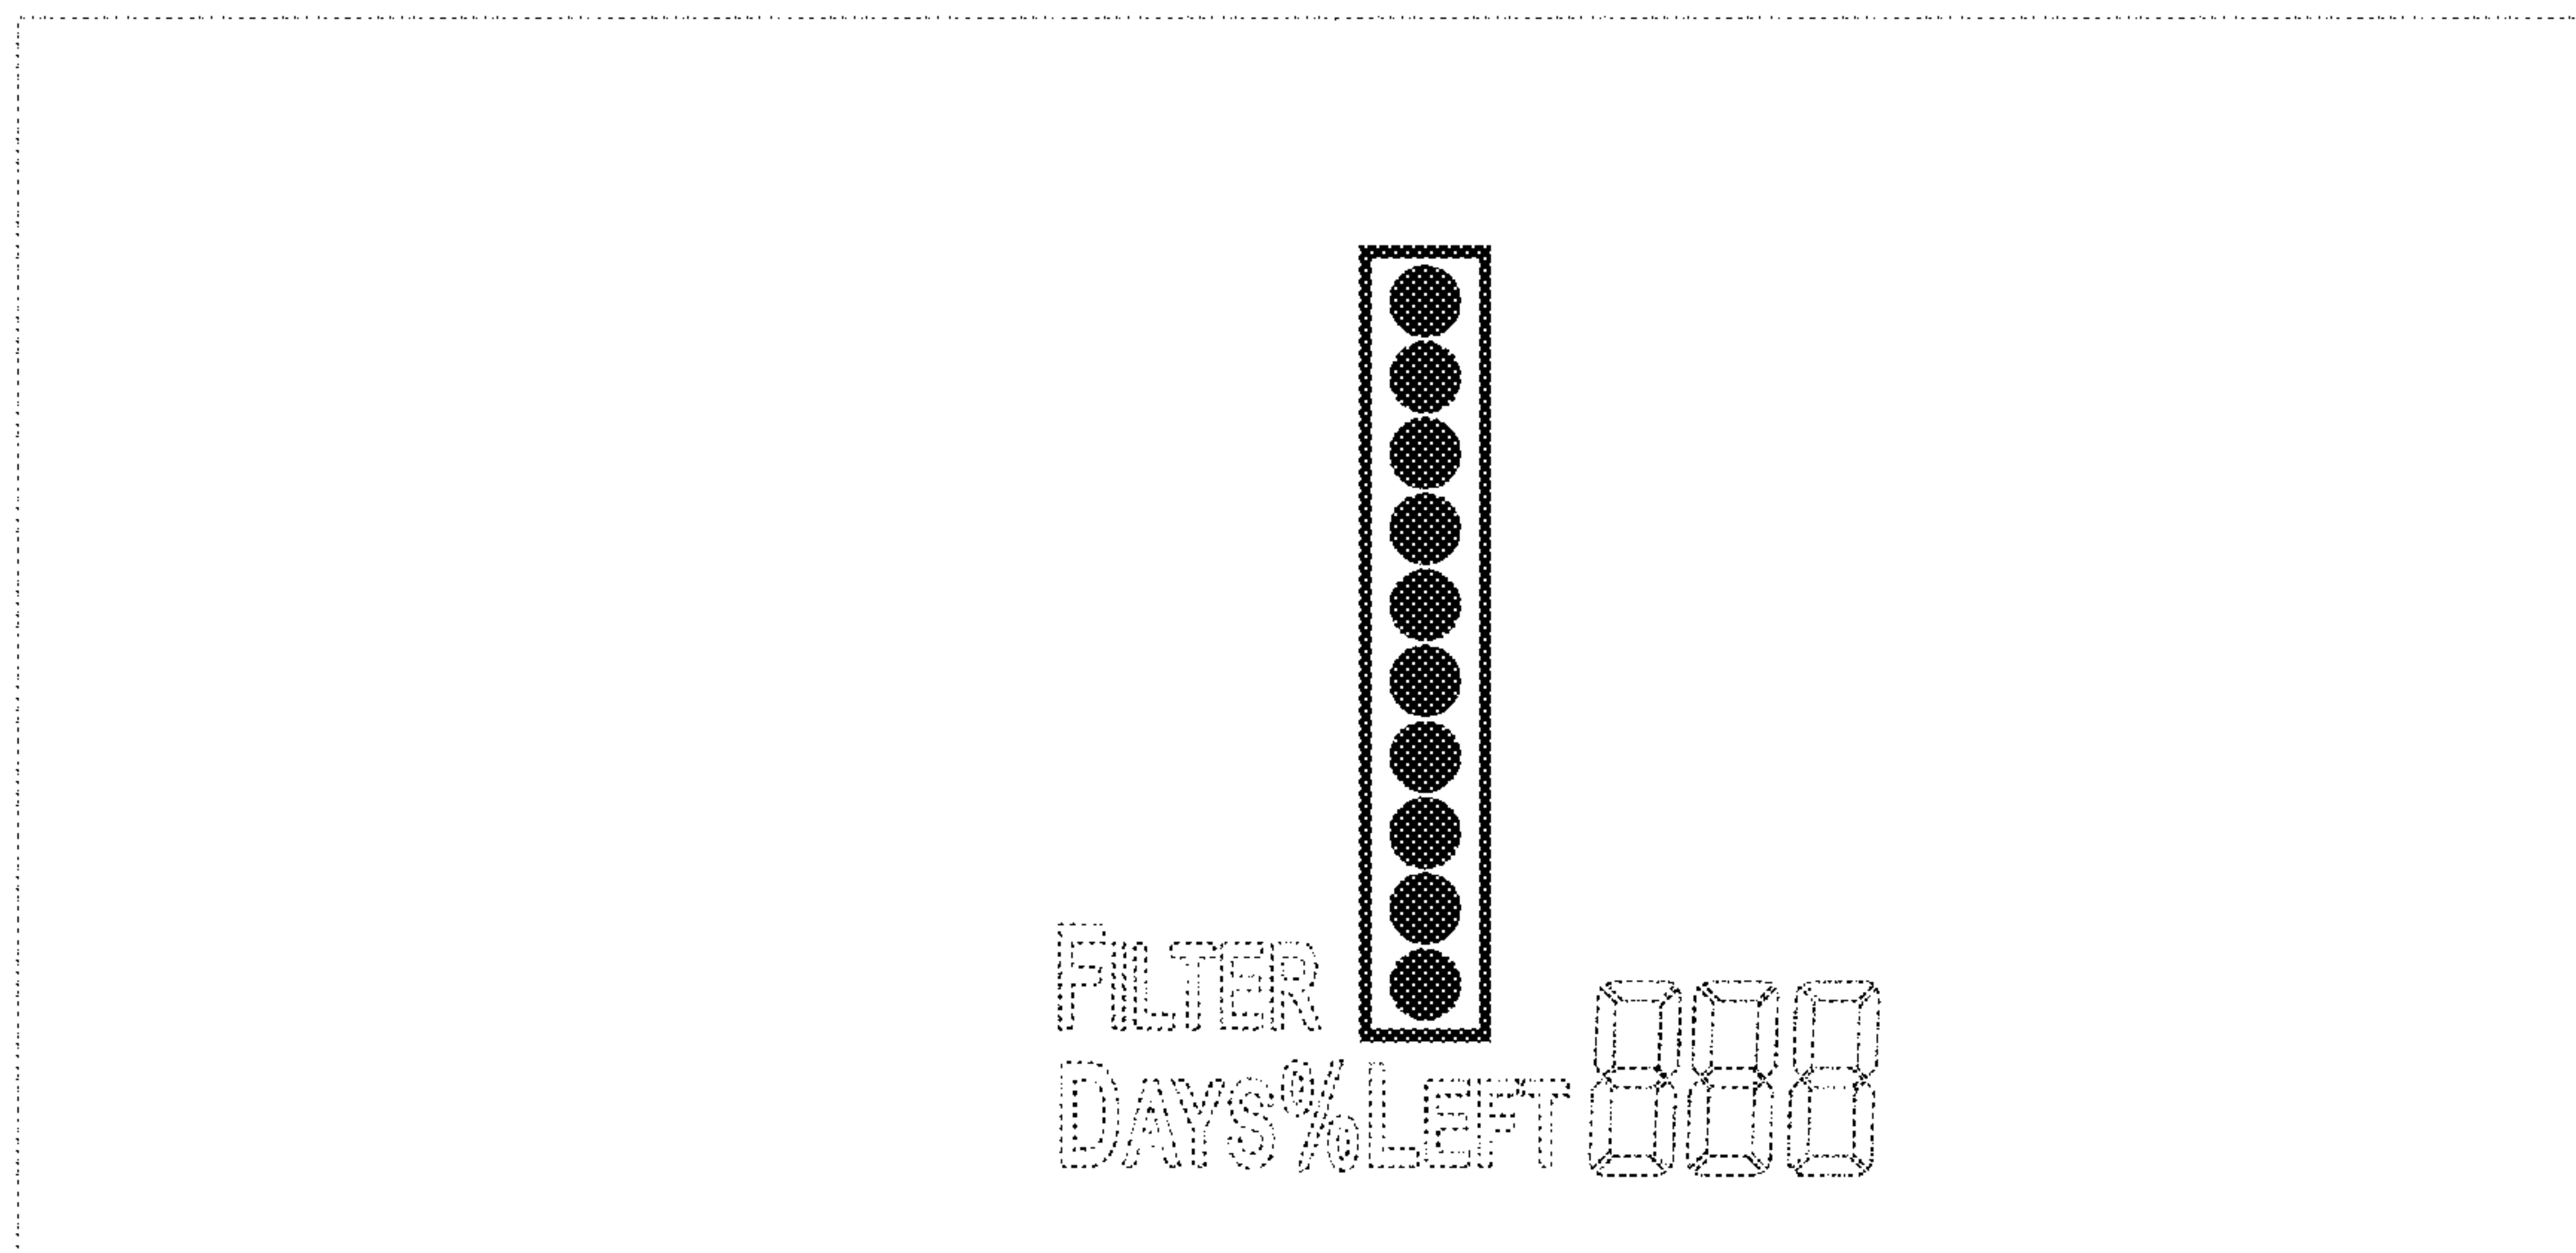

FIG. 1 is a front view of a animated thermostat panel for a display screen or a portion thereof showing a first image; FIG. 2 is a front view of a second image thereof; and, FIG. 3 is a front view of a third image thereof.

The appearance of the animated image sequentially transitions between the images shown in FIGS. 1 to 3.

The process or period in which one image transitions to another image forms no part of the claimed design.

The broken line showing in the Figures is for illustrative purposes only and forms no part of the claimed design.
