(57) **CLAIM**

We claim the ornamental design for practice projectile, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of according to an embodiment of the invention, the elevational views from the sides and back being identical thereto; and,

FIG. 2 is a front perspective view of the projectile depicted in FIG. 1, the perspective views from the sides and back being identical thereto.

With respect to FIGS. 1 and 2, the graphical symbols on the lower protruding band are illustrative of a copper to gold coloration, the coloration extending across the entirety of the band, said color being part of the claimed design. Also, the dashed lines on the top portion of the projectile and the bottom of FIG. 2 are for purposes of illustration and form no part of the claimed design.
