(57) **CLAIM**

The ornamental design for the portion of a display screen with graphical user interface, as shown and described.

DESCRIPTION

The single FIGURE is a front elevation view of a portion of a display screen with graphical user interface showing our new design.

The broken lines surrounding the User Interface representing the portion of the display screen are provided for illustrative purposes only and form no part of the claimed design. The broken lines within the User Interface are also provided for illustrative purposes only and form no part of the claimed design.
