(57) **CLAIM**

The ornamental design for a display with a graphic user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display with a graphic user interface showing the new design.

The broken line showings of the display, circles, vertical lines, and oval are for the purpose of illustrating environmental structure and portions of the display with a graphic user interface and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
