(57) **CLAIM**

The ornamental design of a construction site fence panel foot boot, as shown and described.

DESCRIPTION

FIG. 1 is a substantially front perspective view of a construction site fence panel foot boot according to my design; FIG. 2 is a substantially front perspective view of a construction site fence panel foot boot, as joined to a construction site fence shown in broken lines; FIG. 3 is a substantially rear perspective view thereof; FIG. 4 is a front elevational view thereof; FIG. 5 is a rear elevational view thereof; FIG. 6 is a left side elevational view thereof; and, FIG. 7 is a right side elevational view thereof. Where included, broken lines showing environment or structure are for illustrative purposes only and form no part of the claimed design.
