(57) **CLAIM**
The ornamental design for a “sheet for use in antiballistic articles,” as shown and described.

See application file for complete search history.

DESCRIPTION

FIG. 1 is a top plan view of a sheet for use in antiballistic articles which embodies our new and original design therefore, the bottom plan view thereof being unclaimed; and, FIG. 2 is a top perspective view thereof, the bottom perspective and side views thereof being unclaimed. The evenly spaced broken lines and dot dash dot broken lines that represent unclaimed environment and boundaries around the sheet for use in antiballistic articles form no part of the claimed design.
