(57) **CLAIM**
The ornamental design for a bouquet of spice dispensers, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of an ornamental design for a bouquet of spice dispensers positioned in a vase, where each spice dispenser comprises a flower head attached to a transparent tubular stem that contains spices.

FIG. 2 is a side elevation view thereof, showing attachment of the flower heads of the spice dispensers to the tubular stems of the spice dispensers by perforated corks.

FIG. 3 is a rear isometric view thereof, showing perforations on the rear opposing sides of the flower heads of the spice dispensers for dispensing spices contained within the tubular stems of the spice dispensers.

FIG. 4 is a front elevation view thereof, showing perforations on the front opposing sides of the flower heads of the spice dispensers for dispensing spices contained within the tubular stems of the spice dispensers.

FIG. 5 is a top view thereof.

FIG. 6 is a bottom isometric view thereof, showing the tubular stems of the spice dispensers; and,

FIG. 7 is a front isometric view thereof, showing a projected enlarged view of a flower head of a spice dispenser having perforations on the front opposing side of the flower head for dispensing spices contained within the tubular stem of the spice dispenser.
