(57) **CLAIM**

The ornamental design for an air intake snorkel for a vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a left front perspective view of the air intake snorkel for a vehicle of the present invention.

FIG. 2 is a right perspective view of the present invention.

FIG. 3 is a left side elevational view of the present invention.

FIG. 4 is a right side elevational view of the present invention.

FIG. 5 is a front elevational view of the present invention.

FIG. 6 is a rear elevational view of the present invention.

FIG. 7 is a top plan view of the present invention; and,

FIG. 8 is a bottom plan view of the present invention.

The broken lines showing environmental structure are for illustrative purposes only and form no part of the claimed design.

1 Claim, 8 Drawing Sheets
