(57) **CLAIM**

The ornamental design for this furniture, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a first embodiment of furniture in the form of a single chair being in a sitting position and a pillow removed;

FIG. 2 is a front perspective view of a pillow, which is an accessory to the furniture and shown in broken lines for illustration only;

FIG. 3 is a front perspective view of the first embodiment of the furniture wherein a chair is in a sitting position with the pillow;

FIG. 4 is a front and side perspective view of the first embodiment of the furniture with a chair being in a sitting position with the pillow;

FIG. 5 is a side perspective view of the first embodiment of the furniture with a chair shown in a sitting position with the pillow;

FIG. 6 is a front perspective view of a second embodiment of the furniture with a first chair being in a sitting position and a second chair being in a flat position, where the two chairs are placed next to one another;

FIG. 7 is a front perspective view of the second embodiment of the furniture with both chairs being in a flat position, where the two chairs are placed next to one another, and where a tray is placed on one of the chairs, the tray being shown in broken lines for illustration;

FIG. 8 is a front perspective view of a third embodiment of the furniture with two chairs being in a sitting position and a single chair being in the flat position, where the chairs are placed next to one another and the chair in the flat position is being paced at an end of the grouping of chairs;

FIG. 9 is a perspective view of a third embodiment of the furniture with two chairs being in the sitting position and a single chair being in the flat position, where the chairs are placed next to one another and the chair in the flat position is placed in the middle of the grouping of chairs and a tray is placed on the chair in the flat position, the tray shown in broken lines; and,

FIG. 10 is a perspective view of a third embodiment of the furniture with two chairs being in a sitting position and a single chair being in the flat position, where the chairs are placed next to one another, and where the chair in the flat position being paced at the end of the groupings of chairs, and where a tray is placed on the chair in the flat position, the tray being shown in broken lines.

The broken lines shown in the drawings are for illustrative purposes only and form no part of the claimed design.

1 Claim, 10 Drawing Sheets
