(57) **CLAIM**

The ornamental design for a food container, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a food container showing our new design;
FIG. 2 is a front elevational view of a food container showing our new design;
FIG. 3 is a rear elevational view of a food container showing our new design;
FIG. 4 is a top plan view of a food container showing our new design;
FIG. 5 is a bottom plan view of a food container showing our new design;
FIG. 6 is a left side elevational view of a food container showing our new design; and,
FIG. 7 is a right side elevational view of a food container showing our new design.
The broken lines shown in the drawings represent unclaimed portions of the food container and form no part of the claimed design.
