(57) **CLAIM**

The ornamental design for a case for a portable media player,
as shown and described.

DESCRIPTION

FIG. 1 is a rear-bottom-right perspective view of a case for a portable media player.

FIG. 2 is a front-top-right perspective view of the case for a portable media player.

FIG. 3 is a rear view of the case for a portable media player.

FIG. 4 is a right view of the case for a portable media player.

FIG. 5 is a left view of the case for a portable media player.

FIG. 6 is a front view of the case for a portable media player.

FIG. 7 is a top view of the case for a portable media player; and,

FIG. 8 is a bottom view of the case for a portable media player.

The broken lines in the drawings are for illustrative purposes only and form no part of the claimed design. In the drawings, all broken lines on the interior portion of the case in FIG. 2, the broken lines on the surfaces of the round protruding features throughout the drawings, and the broken lines on the top recessed portion of the case in FIGS. 3, 7, and 8, depict unclaimed environment.

1 Claim, 4 Drawing Sheets
