(57) **CLAIM**

The ornamental design for display screen with graphical user interface for presenting energy pricing, as shown and described.

DESCRIPTION

The single FIGURE is a front view of a display screen with graphical-user interface for presenting energy pricing of a new design. The perimeters of the portion of the underlying portion of the display screen and the graphical user interface are understood to be flush.

The broken lines showing numbers and text form no part of the claimed design. However, the broken lines associated with the graph indicating “Day-Ahead” and “Real-time” are included as part of the claimed design.
